**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **INDEPENDENT AUDITOR'S REPORT**

To the Trustees  
I.A.T.S.E. Local Union No. 51 Defined Contribution Pension Plan  
Houston, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of International Alliance of Theatrical Stage Employees, (I.A.T.S.E.) Local Union No. 51 Defined Contribution Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the 2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Empower Annuity Insurance Company of America, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**I.A.T.S.E. LOCAL UNION NO. 51**  
**DEFINED CONTRIBUTION PENSION PLAN**  
**Notes to the Financial Statements**  
**December 31, 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the International Alliance of Theatrical Stage Employees (I.A.T.S.E.) Local Union No. 51 Defined Contribution Pension Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a multi-employer defined contribution pension plan covering all eligible employees who are participants of I.A.T.S.E. Local Union No. 51 (the “Union”), whose wages and working conditions are established by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In 1997, the Plan entered into a contract with Massachusetts Mutual Life Insurance Company (“MassMutual”). The contract allowed investments in guaranteed interest accounts and various pooled separate investment accounts.

MassMutual was the Custodian of the Plan's investment accounts until October 2022 when Empower Retirement, LLC purchased this line of business from MassMutual. Empower Annuity Insurance Company of America is now the Custodian of the Plan.

**Plan Administration**

The Plan is administered by the Trustees. The Trustees may employ or contract for the services of an administrative manager, who shall, under their direction, perform the administrative responsibilities for the Plan. Administrative and operating expenses incurred and paid by the Plan are funded from investment earnings.

**Participant Eligibility**

Eligible participants in the Plan include any person whose wage rates and working conditions are established by collective bargaining agreements between the Union and an employer, who is in a classification covered by such a collective bargaining agreement, whose employer agrees without express collective bargaining to conform to such collective bargaining agreement for wages and benefits, and who is not a highly compensated employee within the meaning of section 414(q) of the Internal Revenue Code (IRC).

**Participant Contributions**

Participants may elect to make before-tax salary-deferral contributions and Roth contributions ranging from 1% to 20% of their compensation. Participant contributions are subject to dollar limitations contained in section 402(g) of the IRC in effect at the beginning of the year. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

**Employer Contributions**

Participating employers are generally required to make cash contributions to the Plan equal to ten percent of participating employees' eligible compensation. Employer contributions are subject to IRC limitations.

**NOTE 1 – DESCRIPTION OF THE PLAN – continued**

**Participant Accounts and Vesting**

Each participant's account is credited with the participant's contribution and earnings (losses) on those contributions. Each account is also credited by their employers' contributions and earnings (losses) on the employers' contributions. Each account is also charged with an allocation of fees and fee credits. Expense allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are immediately vested in the contributions made by themselves and their employers plus the actual earnings thereon.

**Investments**

Participants designate, in accordance with the general investment procedures established by the Trustees, the manner in which their amounts shall be invested from among the available guaranteed interest and pooled separate investment accounts as maintained by the Custodian. Participants can change their investment selections on a daily basis. It is intended that the Plan constitute a participant directed investment plan and the Trustees of the Plan shall be relieved of liability for losses which are the result of participant investment decisions.

**Loans and Hardship Withdrawals**

The Plan does not permit participants to withdraw from their Plan account due to financial hardship or to borrow funds from their Plan account.

**Payment of Benefits**

Benefits are payable to participants or their beneficiaries in the event of retirement, permanent disability, death, termination of service or upon the attainment of certain age and participation requirements. A participant may elect to receive a distribution of all or a portion of their account, depending upon the specific qualifying event. If the participant's account balance is \$5,000 or less, the participant or beneficiary will receive a lump-sum cash distribution. If the participant's account balance is greater than \$5,000, the participant or beneficiary may elect to receive the distribution as a lump sum or as periodic installment payments.

**Plan Termination**

Although it has not expressed any intent to do so, the Trustees reserve the right to terminate the Plan in the event all employers cease to be in accordance with the provisions of the Plan. In the event of Plan termination, participants will become fully vested in their respective account balances.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**DEFINED CONTRIBUTION PENSION PLAN**  
**Notes to the Financial Statements**  
**December 31, 2023**

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – continued**

**Investment Valuation and Income Recognition**

The Plan's investments are generally reflected in the accompanying financial statements at fair value as provided by the Custodian at year-end, except for fully benefit-responsive investment contracts, which are reported at contract value. Net appreciation (depreciation) in fair value of investments reflects the impact of changes in fair value as well as purchases and sales of investments during the year. Purchases and sales of securities are recorded on a trade-date basis.

**Payment of Benefits**

Benefits are recorded when paid.

**Contributions**

Participant contributions are recorded in the period during which the employers make payroll deductions from the Plan participants' earnings.

**Use of Estimates**

In preparing the financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP"), the Plan Administrator is required to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Information Certified by the Custodian**

The Union has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under this method of compliance, no audit procedures were performed by the independent public accountants with respect to information certified by the Custodian, including investment assets and earnings, transactions and schedules of assets and reportable transactions. The Union has obtained a certification from the Custodian, Empower Annuity Insurance Company of America, that the information provided to the Union by the Custodian is complete and accurate for the years ended December 31, 2023 and 2022.

**NOTE 3 – FEDERAL INCOME TAXES**

The Internal Revenue Service ("IRS") has determined, and informed the Union by a letter dated August 13, 2015, that the Plan is qualified and tax-exempt under the applicable sections of the IRC. The Plan Administrator and management believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. As permitted by the IRC, a participant is not subject to federal income tax on contributions made by the employers, salary deferral contributions, or on any income of the plan until a distribution is made to the participant. Management is not aware of any tax positions that would have a significant impact on the Plan's financial position. Tax returns for the current and three prior years are subject to review by the IRS.

**DEFINED CONTRIBUTION PENSION PLAN**  
**Notes to the Financial Statements**

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification (“ASC”) 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quotes prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs that are unobservable inputs for the assets or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

**Pooled Separate Accounts-** Participants invested in certain plan assets, including assets held in a group annuity contract, do not hold the assets of the investment option directly. Rather, the investment option issues units and determines the price for each unit, which may differ from the price of a share held directly in the underlying investment.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY**

As of December 31, 2023 and 2022, the Plan held assets of \$8,592,014 and \$8,871,323, respectively, in a fully benefit-responsive investment contract with the Custodian who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The average yield for the general account for the years ended December 31, 2023 and 2022 was 3.00%.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligation may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment

options or deletion of equity wash provisions, (3) bankruptcy of the employers or other employers' events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan trustees do not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

In addition, certain events allow the contract issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the contract issuer.

**NOTE 6 – BENEFITS PAYABLE TO TERMINATED EMPLOYEES**

Benefits payable to terminated employees approximated \$901,531 and \$860,776 for the years ended December 31, 2023 and 2022, respectively.

**NOTE 7 – COMPLIANCE TESTING**

The Plan is in compliance with Internal Revenue Service and Department of Labor contribution and nondiscrimination guidelines for the 2023 and 2022 plan years.

**NOTE 8 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)**

**NOTE 9 – TRANSACTIONS WITH PARTIES-IN-INTEREST**

Fees paid during the years for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services.

**NOTE 10 – NEW ACCOUNTING PRONOUNCEMENTS**

The Plan considered the applicability and impact of all accounting standards updates (ASU's) issued by the Financial Accounting Standards Board (FASB). Most ASU's were assessed and determined to be either not applicable or are expected to have minimal impact on the financial position and results of operations of the Plan.

**NOTE 11 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Concentration of credit risk with respect to the Plan's investments is reduced as a result of diversity of the underlying portfolio. Concentration of credit risk with respect to the note receivables from participants is reduced as a result of the Plan's collateralization policy.

**NOTE 12 – SUBSEQUENT EVENTS**

Trustees of the Plan has evaluated subsequent events through October 15, 2025, which is the date on which the financial statements were available for issuance; no other subsequent events were noted requiring recognition or disclosure in the financial statements or footnotes.
