## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Don Durden, Inc. Employee Stock Ownership Plan  
San Antonio, Texas

### Opinion

We have audited the financial statements of Don Durden, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of February 28, 2025 and February 29, 2024, and the related statements of changes in net assets in liquidation available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits in liquidation of Don Durden, Inc. Employee Stock Ownership Plan as of February 28, 2025 and February 29, 2024, and the changes in its net assets in liquidation available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter

*Basis of Accounting:* As discussed in Note B to the financial statements, the governing body of Civil Engineering Consultants, the Plan Sponsor, approved a plan of liquidation on November 24, 2021, and management determined liquidation is imminent. As a result, the Plan has used the liquidation basis in presenting the 2025 and 2024 financial statements. Our opinion is not modified with respect to this matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter—Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE A - SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting:* The financial statements of Don Durden, Inc. Employee Stock Ownership Plan ("Plan") are prepared using the accrual (liquidation) basis in accordance with U.S. generally accepted accounting principles. On November 24, 2021, an adopting resolution was made to effectively terminate the Plan. All common stock of the Plan Sponsor was sold, and thereafter, assets of the Plan consisted solely of cash at February 28, 2025 and February 28, 2024.

*Cash and Cash in Escrow:* Cash in bank checking accounts, money market accounts, and certificates of deposit with original maturity of 3 months or less are considered to be cash equivalents. Cash in escrow is being held in a bank account outside of the Plan. As soon as practicable upon receipt of the IRS Determination Letter with respect to the amendment and termination of the ESOP or if later, the ESOP's receipt of all amounts due to the ESOP including amounts attributable to the escrow amount, the ESOP shall distribute the escrow balance. See Note E.

*Benefit Payments:* Benefit payments are recorded when paid.

*Administrative Expenses:* Administrative expenses are paid by the Plan and are recorded as an expense in statement of net assets available for benefits. Other Plan expenses may be paid by the Plan Sponsor.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

*Use of Estimates:* The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

*Concentration of Credit Risks:* Financial instruments that potentially expose the Company to credit risk consist principally of cash. Due to the acquisition of the Sponsor Company and the effective termination of the Plan, the Company maintains cash balances in financial institutions that exceed the amounts insured by the FDIC. At February 28, 2025 and February 29, 2024, the Plan's uninsured cash balances total approximately \$575,000 and \$1,380,000, respectively.

**NOTE B – PLAN TERMINATION AND LIQUIDATION BASIS OF ACCOUNTING**

On November 24, 2021, in conjunction with the sale of the Plan Sponsor, Plan management adopted a resolution to terminate the Plan on November 24, 2021. As a result, the Plan's financial statements as of February 28, 2025 and February 29, 2024 have been prepared on the liquidation basis. The basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of February 28, 2025 and February 29, 2024 is fair value.

**NOTE C - DESCRIPTION OF THE PLAN**

The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General:* Don Durden, Inc. Employee Stock Ownership Plan is a defined contribution plan, established March 1, 2014, covering virtually all employees of Don Durden, Inc., dba Civil Engineering Consultants (the "Plan Sponsor") who have one year of service. The Plan is for the exclusive benefit of its participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan operates as a leveraged employee stock ownership plan (ESOP) and is designed to comply with Section 4975(e)(7) and the regulation there under of the Internal Revenue Code and provisions of ERISA.

*Contributions:* The Plan does not allow for participant contributions. Prior to the adopted resolution to terminate the Plan, the Plan Sponsor could contribute to the Plan as determined each year by its Board of Directors. The Sponsor did not contribute to the Plan in 2025 and 2024. Sponsor contributions were allocated to participants based on participant covered compensation, as defined by the Plan, for the period.

*Participant Account:* Each participant's account is credited with allocations of a) the Plan Sponsor contributions, b) Plan Sponsor C corporation distributions, c) forfeitures of terminated non vested account balances, and d) Plan earnings. Allocations of Plan Sponsor contributions and forfeitures are based on the participant's covered compensation, as defined by the Plan document. Allocations of C corporation distributions are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*ESOP Put Option:* As long as the Sponsor's common stock is not publicly traded a participant is given a put option. The participant has the right, but not the obligation, to require the company to repurchase the stock under a fair valuation formula as determined annually by an independent ESOP appraiser. In connection with the liquidation of the Plan, all Sponsor stock was sold in 2022.

*Vesting:* A participant's interest in the contributions the employer makes to the Plan becomes 100% vested upon attaining the Plan's normal retirement age, if employment is terminated due to death or disability, or following 6 years of employment in accordance with specific vesting schedules based on years of service as required by the Department of Labor Rules and Regulations.

*Forfeitures:* Forfeitures of non vested shares are allocated to remaining participants based on compensation during the year of forfeiture. Shares forfeited totaled -\$0- in 2025 and 2024.

**NOTE C - DESCRIPTION OF THE PLAN – continued**

*Payment of Benefits:* Payment of the vested account balance when the participant reaches normal or early retirement age, dies or is disabled, with accounts in excess of \$5,000 will receive distributions in substantially equal installments over a period of 5 years starting as soon as administratively feasible in the next plan year. Notwithstanding the foregoing, the period over which the distribution of a participant's account is to occur may be increased by one year, up to five additional years, for each \$210,000, or fraction thereof, by which the total balance of the participant's account exceeds \$1,050,000. If the total vested value of the participant's account is \$5,000 or less, distributions shall be made in lump sum, and will take place as soon as administratively feasible after the close of the Plan year. In the event that a Participant's employment terminates for reasons other than death, disability or prior to attaining the normal or early retirement age, if the participant is not reemployed before the ended of the 5<sup>th</sup> plan year following the plan year in which the participant terminates, distributions of the participants account will occur in the same manner as presented above.

*Plan Termination:* The Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants will become 100% vested in their accounts. On November 24, 2021, an adopting resolution was made to effectively terminate the plan. All plan sponsor stock was sold and the plan assets consist only of cash as of February 28, 2025 and February 29, 2024.

*Plan Termination – Distributions:* The Plan Sponsor is using four phases to distribute the Plan assets held by the Plan. The second phase and third phase of distributions occurred during the years ended February 28, 2025 and February 24, 2024 with approximately 70% of the available cash being distributed to participants in each year. The fourth and final phase of distributions will be in the year ended February 28, 2026.

*Tax Status:* The Plan is a defined contribution plan qualified as an Employee Stock Ownership Plan as defined in Section 4975(e)(7) of the Internal Revenue Code effective March 1, 2014. Although the Plan has been amended since receiving the determination letter dated June 1, 2016, the Plan administrator believes the Plan is operating in accordance with applicable IRC regulations. The Plan is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination. The Plan received a determination letter dated March 3, 2023, which found that the termination of the Plan did not affect its qualification for federal tax purposes and is in accordance with the applicable IRC regulations.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Subsequent events are disclosed in Note F.

**NOTE D - RELATED PARTY TRANSACTIONS AND TRANSACTIONS WITH PARTIES-IN-INTEREST**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL regulations as any employees, fiduciaries, service providers, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers include the Plan custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended February 28, 2025, the Plan made direct payments to certain parties-in-interest for administration fees, as allowed by ERISA. The Plan sponsor pays directly any other fees related to the operation of the Plan.

**NOTE E – ESCROW ACCOUNT**

In conjunction with the November 24, 2021 sale of Plan Sponsor common shares and resolution to terminate the Plan, the Plan received a beneficial interest in an escrow account. In December 2023, \$749,395 was released from the escrow account and allocated among participants in the Plan. This amount was recognized as net realized gain from sale of investments in the 2024 Plan year.

In February 2025, \$48,583 was released from the escrow account and allocated among participants in the Plan. The amount was recognized as net realized gain from sale of investments in the 2025 Plan year.

As of February 28, 2025, the Plan's allocated portion of the final escrow amount relating to interest has been determined to be \$489. This amount has been recorded as an asset and income.

**NOTE F – SUBSEQUENT EVENTS**

During the 2026 Plan Year, the Plan went through its fourth and final phase of distributions to participants. Participants were given the option to roll their balance to other third-party providers. For participants who did not provide distribution instructions to the Plan Sponsor, participant accounts were rolled into IRA accounts at Penchecks. All remaining Plan assets were transferred out by August 2025.
