INDEPENDENT AUDITOR'S REPORT

To the Trustees of
UNITE HERE HEALTH
Oak Brook, Illinois

Opinion

We have audited the accompanying consolidated financial statements of UNITE HERE HEALTH, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the consolidated statements of net assets available for benefits and consolidated statements of benefit obligations as of March 31, 2025 and 2024, and the related consolidated statements of changes in net assets available for benefits and consolidated statements of changes in benefit obligations for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of UNITE HERE HEALTH as of March 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UNITE HERE HEALTH and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UNITE HERE HEALTH's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UNITE HERE HEALTH 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UNITE HERE HEALTH's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental schedules of delinquent participant contributions, assets held for investment purposes at end of year, and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of
UNITE HERE HEALTH
Oak Brook, Illinois

Opinion

We have audited the accompanying consolidated financial statements of UNITE HERE HEALTH, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the consolidated statements of net assets available for benefits and consolidated statements of benefit obligations as of March 31, 2025 and 2024, and the related consolidated statements of changes in net assets available for benefits and consolidated statements of changes in benefit obligations for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of UNITE HERE HEALTH as of March 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UNITE HERE HEALTH and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UNITE HERE HEALTH's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UNITE HERE HEALTH 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UNITE HERE HEALTH's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental schedules of delinquent participant contributions, assets held for investment purposes at end of year, and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of Plan

The following description of UNITE HERE HEALTH (Plan) provides only general information. Participants should refer to the applicable Plan document for a more complete description of the Plan's provisions.

General

The Plan provides health, dental, and other benefits for eligible participants of the Plan and their dependents. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Culinary Health Fund Administrative Services, LLC (a wholly owned subsidiary) operates a preferred provider network for the Plan to provide selected qualified and licensed health care providers in the Las Vegas, Nevada area to furnish quality, cost efficient health care services to individuals and/or dependents entitled to receive such health care services pursuant to the Benefit Plan.

Hospitality Rx, LLC (a wholly owned subsidiary) provides pharmacy benefits and services to the plan for lower costs and higher quality than is generally otherwise available in the industry with innovative and cost effective pharmacy management.

The Nevada Health Solutions, LLC (a wholly owned subsidiary) provides utilization review management services pursuant to applicable statutes and regulations and under URAC guidelines. It is a URAC-accredited entity that provides these services to the Plan pursuant to a contractual arrangement.

The Neighborhood Health Center, LLC (a wholly owned subsidiary) provides patients with medical care in an environment where there is increased access to a variety of different medical services and a focus on the patient experience.

The Nevada Policy Group, LLC (a wholly owned subsidiary) monitors and assesses the impact of various health and healthcare related developments that could have a direct effect on the Plan, including proposed state and federal rules, regulations, policies, funding, legislation and litigation, as well as related public dialogue and debate. Where appropriate, and in accordance with any Fund Guidelines, the Nevada Policy Group may also comment on proposed regulations and legislation in order to protect the Plan and its participants and may otherwise advocate for the interests of the Plan.

On December 31, 2023, the Sacramento Independent Hotel, Restaurant and Tavern Employees Welfare Trust merged into the Plan. Note 1 – Description of Plan (Continued)

Benefits

The Plan provides benefits through life insurance contracts, other benefit service providers and on a self-funded basis. Benefits provided by the Plan include medical, dental, vision, prescription, death and accident and sickness benefits.

Contributions

The Trust Agreement provides that employers or members of the Union make contributions under the terms of the Collective Bargaining Agreements or Participation Agreements in accordance with the Minimum Standards adopted by the Board of Trustees.

The Plan receives contributions from participants under the provisions of COBRA (Consolidated Omnibus Budget Reconciliation Act) which provides that participants can elect to continue, for specified periods of time, their health care benefits which otherwise would have been lost due to certain events by making the required contribution.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting.

Date of Management's Review

Subsequent events were evaluated through November 25, 2025, which is the date these financial statements were issued. All subsequent events requiring recognition as of November 25, 2025, have been incorporated into these financial statements herein.

Principles of Consolidation

The consolidated financial statements include the accounts of the Plan, the Culinary Health Fund Administrative Services, LLC, Nevada Health Solutions, LLC, Nevada Policy Group, LLC, Neighborhood Health Center, LLC and Hospitality Rx, LLC. All significant intercompany transactions and balances have been eliminated.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 – Summary of Significant Accounting Policies (Continued)

Employers' Contributions Receivable

Employers' contributions receivable represents amounts due as of March 31, 2025 and 2024 under terms of the collective bargaining agreements or participation agreements. An allowance for uncollectible accounts is based on the analysis of the balances of contributions receivable. Employer records are subject to audit, and additional revenue, if any, which may arise as a result of these audits, is recognized when final amounts are determined.

Property and Depreciation

Property and equipment and leasehold improvements are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are computed on the straight-line method over the estimated useful lives of the assets, which range from 3 to 20 years.

Maintenance and repairs of property and equipment are charged to operations and major improvements are capitalized. When assets are sold, retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in income. Assets are capitalized when values are in excess of $5,000.

Network Administrator Receivable

The Plan has agreements with various network administrators to provide a preferred provider option for the delivery of health benefits. The amount due from the network administrators represents the amounts paid in excess of services provided as well as rebates and insurance refunds the Plan is entitled to receive.

Pre-opening Expenses

The Plan expenses the start-up costs of benefit providers as incurred and includes those expenses as other deductions. For the years ending March 31, 2025 and 2024, $3,884,925 and $1,358,868 of pre-opening expenses were for a new Neighborhood Health Center location, respectively.

Postretirement Benefits

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered to March 31, 2025 and 2024. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims cost per participant and to adjust such estimates for the time value of money (through discounts for interest), contributions remitted by retirees, and the probability of payment (by means of decrements such as those for death, disability, withdrawals, or retirement) between the valuation date and the expected date of payment.

Note 2 – Summary of Significant Accounting Policies (Continued)

Postretirement Benefits (Continued)

The weighted-average health care cost-trend assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increase by one percentage point in each year, it would increase the obligation as of March 31, 2025 and 2024 by $8,507,000 and $2,902,000, respectively.

The gross benefit payments, including prescription drug benefit payments, were approximately $1,294,850,000 and $1,079,020,000 for the years ending March 31, 2025 and 2024, respectively.

The following were other significant assumptions used in the valuations as of March 31, 2025 and 2024.

Other Plan Benefits

Plan obligations at March 31 for health claims incurred by active participants but not reported at that date are estimated by the Plan and are confirmed by the Plan's actuary in accordance with accepted actuarial principles.

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, Leases) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, these disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

Note 3 – Concentration of Risk

The Plan maintains cash balances at multiple financial institutions. The Federal Deposit Insurance Corporation insures accounts up to $250,000. The Plan has approximately $87,556,000 at risk for accounts in excess of insured limits.

Note 5 – Fair Value Measurements

The Plan's investments are reported at fair value in accordance with the provisions of the accounting standard in effect, "Fair Value Measurements" with respect to fair value measurements of financial assets and liabilities. The accounting standard establishes a framework for measuring fair value by creating a hierarchy for observable independent market inputs and unobservable market assumptions and expands disclosures about fair value measurements. Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. Accordingly, the estimates presented herein are not necessarily indicative of the amounts that could be realized in a current market exchange. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value.

The three levels of fair value hierarchy under the current accounting standard, and its applicability to the Plan's portfolio investments, are described below:

Level 1 – Unadjusted quoted market prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Note 5 – Fair Value Measurements (Continued)

Level 2 – Quoted prices for similar assets or liabilities, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. Level 2 includes investments valued at quoted prices adjusted for legal or contractual restrictions to the security.

Level 3 – Pricing inputs are unobservable for the asset or liability, that is, inputs that reflect the reporting entity's own assumption about the assumptions market participants would use in pricing the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2025 and 2024.

Fixed Income Securities which includes U.S. Government Securities, Corporate Bonds & Municipal Bonds: These investments are recognized by the Plan's custodian using nationally recognized pricing services. Many of these securities generally do not trade on a daily basis and the pricing services prepare estimates of fair value measurements for these securities using their proprietary applications. These investments are classified as Level 2.

Derivatives: These investments are priced by the Plan's custodian using nationally recognized pricing services. These investments generally do not trade on a daily basis and are adjusted for legal or contractual restrictions to the security by the pricing services which prepare estimates of fair value measurements for these securities using their proprietary applications. These investments are classified as Level 2. See Note 6.

Mutual Funds: These investments are traded on a daily basis and are priced by the custodian using nationally recognized pricing services and are classified as Level 1.

Money Market and Collateral for Financial Futures: These investments are valued at cost and are classified as Level 1.

Real Estate Investments: These investments are valued at estimated fair value using observable market data from independent sources and are classified as Level 2, see Notes 7 & 8. The Liberty Commons, NFP Aurora property was appraised at $3,500,000 and $3,000,000 as of March 31, 2025 and 2024, respectively. The St. Louis Square, Inc. property on Las Vegas Boulevard and vacant land on Nellis Blvd. and Cedar Ave. was appraised at $19,140,000 and $19,140,000 as of March 31, 2025 and 2024, respectively. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the consolidated statements of net assets available for benefits.

Note 5 – Fair Value Measurements (Continued)

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management has evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended March 31, 2025 and 2024, there were no significant transfers in or out of levels 1 or 2.

Investment in Entities that Calculate Fair Value using Net Asset Value (NAV) per Share

In accordance with current accounting standards the Plan has expanded its disclosures to include the category, fair value, redemption frequency and redemption notice period for those assets whose fair value is estimated using the NAV per share or its equivalent for which the fair value is not readily determinable, as of March 31, 2025 and 2024. The following table summarizes these investments as of March 31, 2025 and 2024.

These investments are not purchased at the market value; instead, they are purchased on margin with a corresponding futures long or short offset position. These investments require a cash collateral for any settlement difference upon final trading. The value of these securities at March 31, 2025 and 2024 was as follows:

Note 13 – Pension Plan

The Plan maintains a noncontributory defined benefit pension plan for full-time and eligible part-time employees. The Plan and the Trust maintained in connection with Plan's pension plan are intended to meet the requirements of sections 401(a) and 501(a) of the Internal Revenue Code of 1986 and regulation thereunder.

The Plan's policy is to fund the normal cost plus an amount to amortize the past service cost over 20 years, subject to minimum requirements of ERISA, as determined on an actuarial basis, in order to provide the Plan with assets sufficient to meet the obligations of the Plan. Effective March 26, 2012 the amortization of past service cost noted above was changed to 25 years.

Note 13 – Pension Plan (Continued)

The Plan uses a March 31 measurement date.

The following table sets forth the gross benefit obligation, fair value of plan assets, and the funded status of the Plan; amounts recognized in the Plan's financial statement; and the principal weighted average assumptions used:

	2025	2024
Changes in projected benefit obligation:

Unrecognized prior service cost	4,270	7,984
Net amount recognized	$ (25,404,921)	$ (27,049,805)

The following are weighted-average assumptions used to determine benefit obligations March 31, 2025 and 2024:

	2025	2024
Discount rate	5.25%	5.00%
Rate of compensation increase	5.00%	5.00%

The following are weighted-average assumptions used to determine net benefit cost for the year ended March 31, 2025 and 2024:

	2025	2024
Discount rate	5.00%	4.75%
Rate of compensation increase	5.00%	4.75%
Expected long-term return on plan assets	6.00%	6.00%

Note 13 – Pension Plan (Continued)

The Plan's pension plan expected long-term return on plan assets assumption is based on a periodic review and modeling of the Plan's pension plan asset allocation and liability structure over a long-term horizon. Expectations of returns for each asset class are the most important of the assumptions used in the review and are based on comprehensive reviews of historical data and economic/financial market theory. The expected long-term rate of return on assets was selected from within the reasonable range of rates determined by (a) historical real returns, net of inflation, for the asset classes covered by the investment policy, and (b) projections of inflation over the long-term period during which benefits are payable to Plan participants.

Components of net periodic benefit costs are as follows:

	2025	2024
Service cost	$ 9,914,596	$ 9,565,944
Interest cost	9,999,419	8,998,676
Expected return on Plan assets	(11,194,450)	(9,666,423)
Amortization of prior service cost	3,714	99,921
Net periodic benefit cost	$ 8,723,279	$ 8,998,118

As of March 31, 2025 and 2024, the accumulated benefit obligation was $169,797,667 and $163,487,253, respectively.

The Plan's pension plan weighted-average asset allocation at March 31, 2025 and 2024 by asset category are as follows:

	2025	2024
Asset Category		
Collective investment funds	98.91%	98.67%
Real estate	1.09%	1.33%
Total	100.00%	100.00%

The Plan's pension plan's target asset allocation as of March 31, 2025, by asset category, is 87.5% collective investment funds and 12.5% real estate.

The Plan's pension plan's investment policy includes various guidelines and procedures designed to ensure assets are invested in a manner necessary to meet expected future benefits earned by participants. The investment guidelines consider a broad range of economic conditions.

The objectives of the target allocations are to maintain investment portfolios that diversify risk through prudent asset allocation parameter, achieve asset returns that meet or exceed the plan's actuarial assumptions, and achieve asset returns that are competitive with like institutions employing similar investment strategies.

The investment policy is periodically reviewed by the Plan's pension plan and a designated third-party fiduciary for investment matters. The policy is established and administered in a manner so as to comply at all times with applicable government regulations.

Note 13 – Pension Plan (Continued)

The Plan contributed $10,368,163 and $9,185,916 to the Plan's pension plan for the fiscal years ending March 31, 2025 and 2024, respectively.

The following pension benefit payments, which reflect expected future service, as appropriate, are expected to be paid:

Year Ending March 31,	Amount
2026	$ 6,759,900
2027	7,461,500
2028	8,282,900
2029	8,953,500
2030	9,615,200
2031-2035	61,166,500

Note 14 – Employment Contracts

As of June 1, 2012, an employment contract exists between the Plan and the Plan's current Chief Executive Officer. Effective June 1, 2018, the contract was extended for an additional five years, and effective June 1, 2023, the contract was extended for an additional three years.

As of December 7, 2015, an employment contract exists between the Plan and the Plan's current Chief Financial Officer. The initial term of the contract was for a period of three years from its effective date. Effective November 11, 2021, the contract was extended for an additional three years. Effective December 8, 2024, the contract was extended for an additional three years.

As of November 16, 2020, an employment contract exists between the Plan and the Plan's current President of Las Vegas. The initial term of the contract was for a period of three years from its effective date. Effective November 16, 2023, the contract was extended for an additional three years.

Note 15 – Plan Termination

It is the intent of the Trustees to continue the Plan in full force and effect. However, in the unlikely event of termination and in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event the Plan terminates, the net assets of the Plan will be allocated as set forth in the Trust Agreement and as prescribed by ERISA and its related regulations.

Note 16 – Deferred Compensation Obligation is Accrued but Unfunded

The Plan has a deferred compensation plan for certain members of management, whereby participants may defer compensation and earn interest on their deferred amounts. Under this plan as determined by management a participant may elect to defer up to a maximum of $23,000 for 2024. This deferred compensation is unfunded; therefore, benefits are paid from the general assets of the Plan. The total of participant deferrals, which is reflected in the liabilities, was $196,056 and $205,361 at March 31, 2025 and 2024, respectively. Previously, the participant deferrals earned an interest rate at a rate based on the Pension Plan rate of return. Effective January 1, 2005, the interest rate was changed to calculate on the annual weighted average prime rate. The interest expense related to this plan was $13,525 and $25,751 for the years ended at March 31, 2025 and 2024, respectively.

Note 17 – Staff 401(k) Plan

The Plan maintains a defined contribution plan for eligible employees. The Plan matches contributions equal to 50% of the first $600 of elective deferred contributions per participant per year. Total expenses during 2025 and 2024 were $128,297 and $120,999, respectively.

Effective January 1, 2020, Neighborhood Health Center (NHC) employees also participate in the Staff 401(k) Plan. NHC contributes a 100% match up to 3% of participants compensation plus 50% of deferrals between 3%-5%. Prior to January 1, 2020, NHC maintained a separate defined contribution plan. Total expenses during 2025 and 2024 were $80,053 and $57,473, respectively.

During the years ended March 31, 2025 and 2024, the Plan entered into a consulting agreement for the performance review of the funds in the 401(k) Plan. The cost for the each of the years ending March 31, 2025 and 2024 was $12,500.

Note 18 – Tax Status

The Plan obtained its latest determination letter on August 24, 1984 in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 501 (c) (9) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under the present income tax law. The Plan has been amended since receiving the determination letter. The trustees of the Plan are not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 19 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 20 – Litigation

A class action lawsuit was filed against the Fund by five participants. The lawsuit alleges breaches of fiduciary duty of loyalty and prudence in unfairly allocating administrative expenses and incurring excessive administrative expenses, and restitution and disgorgement. All fact and expert discovery have been completed. The possible outcome from the lawsuit is not reasonably estimable at this time.

A lawsuit has been filed against the Fund and 17 other defendants by out of network providers related to the No Surprises Act and Independent Dispute Resolution process. The Fund filed a motion to dismiss which was administratively terminated by the Court pending a decision on co-defendants Motion to Sever.

Note 21 – Plan Amendments

During the year ended March 31, 2025 and 2024, there were amendments to the Plan in regards to benefits. The cost impact of these amendments was not significant. Participants should refer to the Plan document or Summary of Material Modifications for a more complete description of the Plan's amendments.
