INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Structural Iron Workers Local No. 1 Scholarship Fund
Forest Park, Illinois

Opinion

We have audited the accompanying financial statements of Structural Iron Workers Local No. 1 Scholarship Fund (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Fund as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STRUCTURAL IRON WORKERS LOCAL NO. 1 SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE FUND

The following description of the Structural Iron Workers Local No. 1 Scholarship Fund (the Fund) provides general information only. Participants should refer to the Summary Plan Document for a more complete description of the Fund's provisions.

General - The Fund provides scholarship assistance for a college education to the dependent children of eligible members of Local Union No. 1 of the International Association of Bridge, Structural and Ornamental Iron Workers. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Employer contributions to the Fund are made in accordance with the provisions of the collective bargaining agreement between the employers and the Local Union No. 1 of the International Association of Bridge, Structural and Ornamental Iron Workers. The contribution rate in effect is \$0.65 per hour worked. The revenue of the Fund is dependent on continued activity of the employers in the industry.

Scholarship Benefits - Dependents of participants are eligible to apply for scholarships. Eligible participants are dependents of members who have had at least 100 hours of contributions made on their behalf for the 12-month period ending on April 30th preceding the academic year for which the scholarship is to be awarded, or who have previously had 100 hours of contributions made on their behalf to the Fund and are unable to work as a structural iron worker.

Effective August 1, 2023, eligible participants are dependents of members who have had at least 250 hours of contributions made on their behalf for the 12-month period ending on April 30th preceding the academic year for which the scholarship is to be awarded and the member is vested in a pension with the Iron Workers Local 1 Pension Fund, or the member is receiving either a pension or disability pension from the Iron Workers Local 1 Pension Fund.

A dependent must be a high school senior when the initial application for scholarship is submitted. All dependents are eligible for benefits any time within four years from the year of graduating high school.

The amount of the benefit and the number of scholarship recipients are determined by the Fund trustees. The annual scholarship benefit for the years ended June 30, 2025 and 2024 is \$8,500 for recipients attending a four-year college and \$4,200 for recipients attending a two-year college.

NOTE 1. DESCRIPTION OF THE FUND (CONTINUED)

Scholarships, once awarded, may be renewed annually for a total of four consecutive years of benefits if the dependent provides support of maintaining a 2.0 grade point average on a 4.0 grade point scale, is enrolled as a full-time student for the next academic year and was a full-time student in the preceding academic year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Tax Status - The Internal Revenue Service has advised that the Fund qualifies under Section 501(c)(9) of the Internal Revenue Code and is, therefore, subject to tax only on income, if any, unrelated to its tax-exempt purpose.

Accounting principles generally accepted in the United States of America require fund management to evaluate tax positions taken by the Fund and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities.

As of June 30, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Fund management believes it is no longer subject to income tax examinations for years prior to the year ended June 30, 2022.

Contributions Receivable - Contributions receivable represents subsequent contributions received for work performed through year end. Employer records are subject to audit and additional revenue, if any, that may arise as a result of these audits, is recognized when received. As of June 30, 2025, management has determined that any estimated allowance for credit losses will be immaterial.

Fund Termination - Although they have not expressed any intent to do so, the Board of Trustees (the Board) has the right under the Fund to terminate the Fund subject to the provisions of ERISA. In the event of Fund termination, distribution of Fund assets will be made for purposes similar to those for which the Fund was established after all expenses incurred by the Fund are paid.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Credit Risk - The Fund maintains cash in accounts which at times may exceed federally insured limits of up to \$250,000 per bank. At June 30, 2025 and 2024, the Fund had approximately \$950,000 and \$769,000, respectively, in excess of the insured limit. The Fund has not experienced any losses, nor does it believe it is exposed to any significant credit risk.

Scholarship Benefits - Scholarship benefits are approved by the Board. The benefits are recorded when paid.

Investment Valuation and Income Recognition - Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The balances reported as cash at June 30, 2025 and 2024 are non-interest bearing and are excluded from investments. Purchases and sales of securities are recognized on a trade-date basis. Interest income is recognized on the accrual basis and dividends are recognized on the ex-dividend basis. Appreciation in fair value of investments includes the Fund's gains and losses on investments bought and sold as well as held during the year.

NOTE 3. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Fund shares facilities, equipment and staff with Local Union No. 1 of the International Association of Bridge, Structural and Ornamental Iron Workers (the Union), (a related party). The officers of the Union have approved the absorption of these common administrative expenses. The amounts of these expenses have not been determined.

The Fund shares common administrative expenses with Iron Workers Local Union No. 1 Pension Fund (Pension Fund), a related party. The Pension Fund processes all assessment income on behalf of the Fund. An allocation of the common administrative expenses is calculated annually and is approved by the Fund and the Pension Fund's Board of Trustees. The Fund's portion of common administrative expenses with the related Pension Fund was \$1,551 and \$2,536 for the years ended June 30, 2025 and 2024, respectively.

The Fund pays certain administrative, investment and professional fees to various service providers. These transactions are party in interest transactions under ERISA.

NOTE 4. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3).

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

Level 2 – Inputs to the valuation methodology include other significant observable inputs including:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodology used at June 30, 2025 and 2024.

Mutual funds are valued at the daily closing price as reported by the fund. The mutual fund held by the Fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish their daily net asset value (NAV) and to transact at that price. The mutual fund held by the Fund is deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Fund's assets at fair value as of June 30, 2025:

	Assets at Fair Value as of June 30, 2025			
	Total	Level 1	Level 2	Level 3
Mutual funds	<u>\$ 1,034,405</u>	<u>\$ 1,034,405</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Fund's assets at fair value as of June 30, 2024:

	Assets at Fair Value as of June 30, 2024			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 963,057</u>	<u>\$ 963,057</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 3, 2025, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
