## **Report of Independent Auditors**

The Board of Trustees  
Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508)

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of March 31, 2025, and the related statement of changes in benefit obligations and net assets available for benefits for the period from August 21, 2024, through March 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508) as of March 31, 2025, and the changes in benefit obligation and net assets available for benefits for the period from August 21, 2024, through March 31, 2025, in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508)'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. ### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508)'s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508)'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508)**

### **Notes to Financial Statements**

---

#### **Note 1 – Description of Plan 503**

The following brief description of the Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508 or the Plan) is provided for general information purposes only. Reference should be made to the Summary Plan Description for a more complete description of the Plan's provisions.

**General** – The Plan provides group medical, vision, and life insurance benefits through a multiple-employer trust fund. All benefits are fully insured. The Plan is maintained in compliance with the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was formed in August 2024 at which time contributions commenced for participants in the Plan.

**Benefits** – The Plan provides benefits for participating employees and their dependents whose employers are active members of the Benefits Plus Trust Fund Welfare Benefit Plan and whose job positions are covered under the terms of a collective bargaining agreement with Local 2003. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

**Eligibility** – Employees covered under the collective bargaining agreement with Local 2003 are eligible for benefits for whom contributions are paid on a monthly flat-rate basis, and their dependents for whom coverage is elected and paid, become eligible on the date of hire, and remain eligible until the last day of the month in which their employment is terminated, for any reason.

**Contributions** – Participating employers pay contributions for the participating employees covered under the Plan. Contribution rates are determined based upon amounts needed to pay insurance premiums. Contributions are recorded when the service is rendered.

**Plan termination** – Although they have not expressed any intent to do so, the Trustees have the right under the Plan to modify or terminate the Plan at any time. The Plan and participating employers do not promise the continuation of any benefits, nor do they promise any benefits at or during retirement. In the event the Plan terminates, the Trustees shall wind up the remaining affairs of the Trust Fund, and any and all monies remaining in the Trust Fund, after the payment of expenses, shall be allocated so as to continue the payment of benefits to participating employees and their beneficiaries under the employee welfare benefit plan in accordance with the Trust Agreement. No portion of the remaining assets shall be paid to or be recoverable by any participating employer.

#### **Note 2 – Summary of Significant Accounting Policies**

**Basis of accounting** – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

**Due from Benefits Plus Trust Fund Welfare Benefit Plan (Plan 501)** – The balance represents amounts due to Plan 508 from the Benefits Plus Trust Fund Welfare Benefit Plan (Plan 501). Plan 501 holds the cash and cash equivalents of Plan 508 in checking money market bank and investment accounts.

## Benefits Plus Trust Fund Welfare Benefit Plan (Plan 508) Notes to Financial Statements

---

**Receivables from employers** – Receivables from employers represent amounts due from participating employers for hours worked in January, February and March and are presented in the statements of benefit obligations and net assets available for benefits, net of the allowance for doubtful accounts. There is no collateral related to these receivables. An allowance for doubtful accounts is estimated based on the Plan’s historical losses, the existing economic conditions, and the financial stability of its employers. Receivables are written off in the year deemed uncollectible. The Plan’s administrator has determined that an allowance for doubtful accounts was not necessary as of March 31, 2025.

**Payment of benefits** – Premiums paid by the Plan are recorded as insurance premiums in the accompanying statement of changes in benefit obligations and net assets available for benefits. Amounts due to insurers are recorded as a liability under premiums due to insurers in the accompanying statement of benefit obligations and net assets available for benefits.

**Use of estimates** – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Concentrations** – 100% of employer contributions was concentrated with one employer during period from August 21, 2024, to March 31, 2025. As of March 31, 2025, 100% of the receivable from employers was concentrated with one employer.

### Note 3 – Income Taxes

The Plan is a taxable plan. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due, plus deferred taxes. The plan’s tax returns are prepared on an accrual basis. Accordingly, income and deductions are recognized in the same period for tax reporting purposes and for financial statement purposes.

The provision for income taxes for the period from August 21, 2024 to March 31, 2025, is as follows:

	<u>2025</u>
Current provision	\$ 29,264
Change in deferred tax asset	<u>(29,264)</u>
Total	<u>\$ -</u>

The Plan follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740-10 relating to accounting for uncertain tax positions. ASC 740-10 prescribes a recognition threshold and measurement process for accounting for uncertain tax positions and also provides guidance on various related matters such as derecognition, interest, penalties, and disclosures required. The Plan does not have any entity-level uncertain tax positions. The Plan files income tax returns in the United States federal jurisdiction and various state jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of benefit obligations and net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of benefit obligations and net assets available for benefits but arose after the statement of benefit obligations and net assets available for benefits date and before the financial statements are available to be issued.
