## INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the  
CTS Cement Manufacturing Corporation 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CTS Cement Manufacturing Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and

disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**1. PLAN DESCRIPTION**

The following description of the CTS Cement Manufacturing Corporation 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's information.

**General**

The Plan, as amended, is a defined contribution plan established on January 1, 2001. The Plan covers substantially all employees of CTS Cement Manufacturing Corporation (the “Company” or the “Plan Sponsor”) who are age 21 and older. The Board of Directors of the Company has appointed the 401(k) Administrative Committee to control and manage the operations and administration of the Plan. Fidelity Management Trust Company serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (“ERISA”).

**Contributions**

Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary contributions made by the Company; and (iv) participant rollovers from another qualified plan. Participants have the option to make Roth elective salary reduction contributions to the Plan.

Participants may elect to contribute a percentage of their compensation, excluding bonuses, if elected by the participant, to the Plan each year, subject to limitations, as defined in the plan document. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective investment trust as investment options for participants. An employee who has been employed for 90 days from the date of hire is considered an eligible employee for the employer match. The Plan includes an auto-enrollment provision whereby all new eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company, as long as the participants participated, made safe-harbor employer matching contribution of up to 4%.

The Company may also make annual discretionary profit-sharing contributions that are determined by the Board of Directors. Participants are eligible for discretionary profit-sharing contributions when the participant has attained age 21 and is employed for 120 days from the date of hire. Participants do not have to make contributions in order to receive an allocation of discretionary profit-sharing contributions. Discretionary profit-sharing contributions are first allocated to employee groups in discretionary amounts for each group. The amount for the group is then allocated to each participant in the ratio of such participant's compensation for the Plan year to the total compensation for all eligible participants in the group. The Company did not make any discretionary profit-sharing contributions to the Plan for the years ended December 31, 2024 and 2023, respectively.

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**1. PLAN DESCRIPTION (continued)**

**Investments**

Participants may direct the investments of their contributions and any discretionary profit-sharing contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds.

**Participant Accounts**

Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution, employer matching contributions, and allocations of Plan earnings. Participant accounts are also charged with withdrawals and an allocation of plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in their employer discretionary matching and profit-sharing contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Matching</u>	<u>Profit-Sharing</u>
Less than 3	0%	0%
3 or more	100%	100%

Notwithstanding the above, if a participant is employed by the Company on the date that the participant either (1) attains the age of 59 ½, (2) dies or (3) has terminated employment by reason of permanent disability, the Company discretionary match and profit-sharing amounts become 100% vested without regard to years of service.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's vested interest in the Plan, and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions or as a lump sum for the outstanding loan balance. Loan terms range from 1 to 5 years; however, terms may exceed 5 years for the purchase of a primary residence. As of December 31, 2024, participant loans have maturities through 2033 at interest rates ranging from 4.25% to 9.50%.

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**1. PLAN DESCRIPTION (continued)**

**Forfeited Accounts**

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents forfeiture. The Plan document permits the use of forfeitures to first reduce future plan administrative expenses for the plan year, and second to reduce future employer contributions. At December 31, 2024 and 2023, forfeited nonvested accounts were \$542 and \$542, respectively.

**Payment of Benefits**

On termination of service with the Company (including termination of service due to death, disability, retirement), a participant may generally elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments, or a partial withdrawal. For termination of service due to other reasons, a participant may receive the value of the interest in his or her account as a lump-sum distribution or as a rollover to another eligible retirement plan. All vested account balances not exceeding \$5,000 may be immediately distributed in a lump-sum payment.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

**Use of Estimates**

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Risks and Uncertainties**

The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**Payment of Benefits**

Benefits payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2024.

**Employer payable**

During the year ended December 31, 2024, it was discovered that safe-harbor employer contributions were not properly allocated to the participants. The Plan was forfeiting the participants employer contributions under the safe-harbor plan as if they were employer discretionary matching contributions. The Plan administrator determined the affected participants and is accruing interest of approximately \$15,000 until the third-party administrator can compute the exact amount to make the affected participants whole, which is included in the financial statements as other employer payable at December 31, 2024.

**Administrative Expenses**

Administrative expenses and Plan fees (exclusive of investment and participant-initiated transaction related expenses) are generally paid by the Plan Sponsor. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation/depreciation of fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through December 11, 2025, which is the date the financial statements were available to be issued.

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**3. FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (“FASB”) issued Accounting Standard Codification (“ASC”) 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1 Fair Value Measurements*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2 Fair Value Measurements*

Inputs to the evaluation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3 Fair Value Measurement*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are publicly registered with the Securities and Exchange Commission and are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Collective trusts:** Valued by the issuer of the collective trust funds based on the market value of its underlying investments. The collective trust invests primarily in fixed income securities and money market funds. The fair value of the investment has been estimated using the NAV per share.

**3. FAIR VALUE MEASUREMENTS (continued)**

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Active Markets for Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
<b><u>December 31, 2024</u></b>				
Mutual Funds	\$ 13,331,330	\$ -	\$ -	\$ 13,331,330
Collective Trust <sup>(1)</sup>				674,180
Total investments	<u>\$ 13,331,330</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,005,510</u>
<b><u>December 31, 2023</u></b>				
Mutual Funds	\$ 10,473,891	\$ -	\$ -	\$ 10,473,891

Total investments	<u>\$ 10,473,891</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,001,252</u>

<sup>(1)</sup> Amounts are comprised of investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified within the fair value hierarchy.

The following table provides information regarding redemption of investments where NAV has been used to measure fair value at December 31, 2024:

	Fair Value	Redemption Frequency	Redemption Period
Collective Trust	\$ 674,180	Daily	1 day

The following table provides information regarding redemption of investments where NAV has been used to measure fair value at December 31, 2022:

	Fair Value	Redemption Frequency	Redemption Period
Collective Trust	\$ 527,361	Daily	1 day

**Transfer Between Levels-** The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**3. FAIR VALUE MEASUREMENTS (continued)**

The significance of transfers between levels is evaluated based upon the nature of the financial instrument and size of the transfer relative to total assets available for benefits. For the year ended December 31, 2024, there were no transfers between levels.

**4. INFORMATION CERTIFIED BY THE TRUSTEE**

The following is a summary of the unaudited information regarding the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	<b>2024</b>	<b>2023</b>
<b>Statements of Net Assets Available for Benefits</b>

Net appreciation in fair value of investments collective trust		15,815
Dividends		456,544
Interest income from participant loans		18,408

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

Note 3 – Fair Value Measurements: All investment balances and investment information, excluding the classification and level of investments.

**5. PARTY-IN-INTEREST TRANSACTIONS**

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are managed by Fidelity, the trustee and recordkeeper of the Plan. The Plan paid \$27,825 in contract administration fees to Fidelity during the year ended December 31, 2024. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party in interest transactions for which a statutory exemption exists.

**CTS CEMENT MANUFACTURING CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**7. TAX STATUS**

The Company adopted a Volume Profit Sharing Plan which received a favorable opinion letter from the Internal Revenue Service (“IRS”), on June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (“IRC”). The Plan itself has not received a determination letter from the IRS. However, the Plan’s management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

**8. DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS**

During 2023 and 2024, the Company erroneously failed to remit certain employee deferrals and loan repayments to the Plan aggregating to \$39,519. The 2023 deferrals and loan repayments are included in the Plan’s receivable at December 31, 2023. At December 31, 2024, the 2023 deferrals and loan repayments were paid by the Company. The 2024 deferral was paid by the Company in 2025. The Company computed the lost earnings on these 2023 and 2024 deferrals and loan repayments and subsequently remitted the deferrals and loan repayments and made contributions for lost earnings to the Plan.

**9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per financial statements to the Form 5500 at December 31, 2024 and 2023:

	<b>2024</b>	<b>2023</b>
Net assets available for benefits per the financial statements	\$ 14,268,086	\$ 11,248,942

**6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**7. TAX STATUS**

The Company adopted a Volume Profit Sharing Plan which received a favorable opinion letter from the Internal Revenue Service (“IRS”), on June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (“IRC”). The Plan itself has not received a determination letter from the IRS.
