Plan Administrator
Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust
Round Rock, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 and 2023 Financial Statements

We have performed audits of the accompanying financial statements of **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2024 and 2023 **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 and 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the 2024 and 2023 Financial Statements section:

- The amounts and disclosures in the 2024 and 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2024 and 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion on the 2024 and 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the 2024 and 2023 Financial Statements section of our report. We are required to be independent of **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 and 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the 2024 and 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 and 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2024 and 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 and 2023 Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) as of December 31, 2024 and 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Auditor's Report on the 2022 Financial Statements

The financial statements of **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust** as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the 2022 audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 3, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Statement of Reasonable Cause

Ventech Solutions Inc 401(k) Profit Sharing Plan & Trust
EIN: 30-035031
Plan Number: 001

We are providing this statement in connection with the submission of our Form 5500 for the plan year ended 12/31/2024. We have not been able to complete the audited financial statements required with the filing of Form 5500 on the extended due date of 10/15/2025.

The reason for the absence of the required audit report is due to numerous issues we have encountered during the last year. These issues were the result of the loss of a large government contract at the end of 2023. As 2024 began we made significant cuts to the number of employees at the company, including administrative personnel responsible for engaging with the auditors of the 401k plan. This lack of coordination with the outside auditors resulted in delays between auditor requests and the timely response they needed to complete the audit for 2023 and that has carried over to the audit required for the 2024 plan year. We are continuing to pursue the completion of the 2023 and the 2024 audits for Form 5500. As these auditor reports are completed, we will be filing amended Form 5500s for both plan years. Thank you in advance for your patience as we overcome these deficiencies in the coming months.

We are filing this statement under the penalties of perjury, as required under Section 2560.502c-2(e).

Respectfully,

Randy Fogle

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Ventech Solutions Inc. 401(k) Profit Sharing Plan and Trust** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 2012, **Ventech Solutions, Inc.** (the "Company") adopted a Section 401(k) profit-sharing plan. QurHealth Solutions, Inc. is a participating employer in the Plan. The Plan allows all employees of the Company, with the exception of union employees and nonresident aliens, to participate immediately upon attainment of age 21. Upon satisfaction of the eligibility requirements, employees are automatically enrolled at a 3% deferral rate unless they elect otherwise. Deferral rates will automatically increase 1% each year on the anniversary of the employees' automatic enrollment date, up to a maximum of 10%, unless the employees elect otherwise. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee pre-tax and Roth salary deferrals up to 92% of pre-tax annual compensation each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions.

The Plan provides for a safe harbor matching contribution equal to 100% of the participants' elective deferrals that do not exceed 3% of the participants' compensation and 50% of the participants' elective deferrals that exceed 3% of the participants' compensation but do not exceed 5% of the participants' compensation. Effective January 1, 2025, the Plan was amended to remove the safe harbor matching contribution and to allow for a discretionary matching contribution to the Plan. The Company may also make a discretionary non-elective contribution to the Plan. Participants become eligible for this contribution if employed on the last day of the Plan year or if they have completed 500 hours of service during the Plan year. This discretionary non-elective contribution is allocated in the same ratio as each participant's compensation bears to the total of such compensation of all participants. For the years 2024, 2023, and 2022, the Company did not make discretionary non-elective contributions to the Plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - John Hancock Trust Company LLC (the "Trustee") is Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, safe harbor matching contribution, and discretionary non-elective contribution are to be invested.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions, safe harbor matching contributions, rollovers, and corresponding earnings. Effective January 1, 2025, discretionary matching contributions are immediately vested. Participants also become 100% vested in discretionary non-elective contributions in the event of death or total and permanent disability. The following schedule will be used to determine vesting in the Plan's discretionary non-elective contributions and corresponding earnings in circumstances not involving death or total and permanent disability:

<u>Completed Years of Service</u>	<u>Vesting Percentage</u>
Fewer than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants - Participants may borrow from the Plan in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loans bear interest at the prime rate plus 1%. Loan terms are for a period not exceeding five years. A term up to 10 years may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Participants may not have more than two loans outstanding at any time. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, partial withdrawals, or substantially equal installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant by rolling the amount over to an individual retirement account, unless the participant elects a cash distribution. In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Forfeitures in the amount of \$4,937, \$5,266, and \$5,463 were used during 2024, 2023, and 2022. Unallocated forfeitures at December 31, 2024, 2023, and 2022 were \$8,044, \$4,831, and \$5,228.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options and deferral percentages at any time via telephone or the Internet.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions - Prior to January 1, 2023, participant and employer contributions were recognized when earned. Effective January 1, 2023, participant and employer contributions are recognized in the period the payroll deductions are made.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses is deemed necessary as of December 31, 2024, 2023, and 2022. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for specific transactions, such as loans and distribution withdrawals, are paid by the individual participant.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through December 12, 2025, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024, 2023, and 2022, and net appreciation (depreciation) in fair value of investments and interest and dividends for the years 2024, 2023, and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Investments in registered investment companies: Valued at the daily closing price reported by the fund as registered with the Securities and Exchange Commission. The funds held by the Plan are deemed to be actively traded and are required to publish their NAV and to transact at that price.

Money market funds: Valued using amortized cost, which approximates fair value.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with John Hancock Trust Company LLC with record keeping performed by John Hancock Retirement Plan Services, LLC. John Hancock Trust Company LLC, the Trustee of the Plan, is related to John Hancock Retirement Plan Services, LLC. Thus, John Hancock Retirement Plan Services, LLC and John Hancock Trust Company LLC qualify as parties-in-interest. Fees paid by the Plan for these services totaled \$60,808, \$74,147, and \$74,032 for the years 2024, 2023, and 2022.

Anderson Financial Strategies, LLC, as an advisor for the Plan, qualifies as a party-in-interest. Fees paid by the Plan for these services totaled \$56,394, \$65,162, and \$59,677 for the years 2024, 2023, and 2022.

The Company provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the discretionary non-elective contributions.

As a result of a significant number of involuntary terminations, there was a partial termination of the Plan during 2024. As a result, those participants that were involuntarily terminated became 100% vested in discretionary non-elective contributions.

NOTE 7 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2024, 2023, and 2022, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2024, 2023, and 2022, there were no differences between the financial statements and the Form 5500.
