INDEPENDENT AUDITORS' REPORT

To Retirement Plan Committee of
Tucker Ellis LLP Counsel & Associates Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **Tucker Ellis LLP Counsel & Associates Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Tucker Ellis LLP Counsel & Associates Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the **Tucker Ellis LLP Counsel & Associates Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tucker Ellis LLP Counsel & Associates Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Tucker Ellis LLP Counsel & Associates Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Tucker Ellis LLP Counsel & Associates Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TUCKER ELLIS LLP COUNSEL & ASSOCIATES RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

A. DESCRIPTION OF THE PLAN

The following description of Tucker Ellis LLP Counsel & Associates Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, adopted January 1, 2016, is a defined contribution plan. All employees of Tucker Ellis LLP (the Company) are excluded from this Plan except those employees classified as: 1) Counsel; 2) Senior Counsel; 3) Associates; 4) Of Counsel; or 5) Former Key and Non-Key Retired Partners who are twenty-one years of age or older and who have completed at least six months of service (one month of service effective as of December 1, 2016). Nonetheless, any employee classified as Counsel, Senior Counsel, Of Counsel or Former Key and Non-Key Retired Partners who participated in the Tucker Ellis LLP Cash Balance Pension Plan became ineligible to participate in this Plan and became an eligible participant in the Tucker Ellis LLP Retirement Savings Plan on the date that employee elected and received a benefit distribution from the terminated Cash Balance Pension Plan.

During 2024, \$820,054 was transferred from the Plan to the Retirement Savings Plan by participants who became Partners for the year and \$8,654,853 was transferred to the Plan from the Retirement Savings Plan by participants who became Retired Partners for the year. During 2023, \$645,664 was transferred from the Plan to the Retirement Savings Plan by participants who became Partners for the year and \$70,907 was transferred to the Plan from the Retirement Savings Plan by participants who became Retired Partners for the year.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

A participant in the Plan may elect to reduce their compensation up to the amount allowable by law and contribute such amount to the Plan on their behalf (participant elective deferral). Up to 100% of the participant's contribution amount may, at his election, be designated as an after tax Roth elective deferral contribution in the Plan. Effective January 1, 2019, eligible employees who become participants on or after January 1, 2019, shall automatically have their compensation reduced by 6%, which amount shall be deemed to be the participant's salary reduction election if the participant does not elect to defer a portion of compensation or elect to receive cash in lieu of making a salary deferral election within a reasonable time not to exceed 30 days after entering the Plan. The Plan does not permit employer contributions.

Participant Accounts

The Trustee maintains an individual account for each participant. A participant's account is credited with contributions and earnings from plan investments. Accounts are reduced for withdrawals and distributions. Participants self-direct their investments as to their allocation among the available investment fund options or by establishing a personal choice retirement account to invest in a wider range of mutual funds and marketable securities. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

A. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions and all earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 (i) reduced by the excess (if any) of the highest outstanding balance of loans from the Plan to the participant during the one year period ending on the day before the date on which such loan is made, over the outstanding balance of loans from the Plan to the participant on the date on which such loan was made, or (ii) one-half (1/2) of the balance in the participant's vested account as of the date the loan is made under the Plan.

Loan transactions are treated as a directed investment. Loan terms are amortized over a reasonable period of time, not to exceed five years. However, if the loan is used to acquire a principal residence, the loan may be repaid over a reasonable period of time that may be longer than five years. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 10.50% for loans outstanding as of December 31, 2024 and 2023, which are commensurate with local prevailing rates as of the loan origination date. Principal and interest are paid through payroll deductions not less frequently than quarterly.

Payments of Benefits

Participants are entitled to receive their vested account balance following normal retirement age (62), death, disability or termination of employment. Also, upon attainment of age 59 ½, active participants may receive all or a portion of their vested account balance attributable to elective deferral, matching or discretionary profit-sharing contributions, and participants may elect to receive all or a portion of their rollover contributions at any time. Participants are eligible to receive their benefits as a lump sum payment. Benefits are recorded when paid.

At both December 31, 2024 and 2023, net assets available for plan benefits included \$0 for distributions to participants who have requested a distribution from the Plan prior to the end of the Plan year but who did not receive their distribution as of the end of the Plan year.

Forfeitures

Participant accounts are 100% vested at all times. Any portion of an account that may be forfeited in the limited circumstances set forth under the terms of the Plan shall be distributed to the affected participant.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments in mutual funds are stated at fair value based on the quoted market value on the last business day of the Plan year. Participant loans are stated at cost, which approximates fair value. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Investments are re-valued once a year at the end of the plan year.

Subsequent Events

The Plan evaluated its December 31, 2024 financial statements for subsequent events through October 15, 2025, the date the financial statements were available to be issued and all relevant subsequent information is included within the applicable notes to the financial statements.

C. INVESTMENTS

The Plan's mutual fund investments, including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by \$2,105,496 and \$2,539,604 during the years ended December 31, 2024 and 2023, respectively.

D. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with ASC 820-10, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access. These include investments that are recorded at fair value on a recurring basis and fair value measurement is based upon quoted prices, if available. Securities valued using Level 1 inputs include those traded on an active exchange and other exchange trade securities.

Money Market Funds: Valued based on cost plus accrued interest, which approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for subsequently the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

H. EMPLOYER ABSORBED COSTS

The Company absorbs a portion of the Plan's administrative expenses.

I. PLAN AMENDMENT

During plan year 2016 an amendment to the plan revised and clarified eligibility provisions as described in Note A. During plan year 2019 an amendment to the plan added an Automatic Savings Increase (ASI), modified the Automatic Contribution Arrangement (ACA) and changed the definition of Disability. Participants should refer to the Plan amendments for a more complete description of the changes.

J. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Schwab. Schwab is the trustee, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$7,257 and \$5,867 for the years ended December 31, 2024 and 2023, respectively.

K. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
