Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The OakStar Bank 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The OakStar Bank 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The OakStar Bank 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The OakStar Bank 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the The OakStar Bank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the The OakStar Bank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified in the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets held for investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the information in the supplemental schedule, other than the information agreed to or derived from the certified investment information, is presented, including the form and content, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material aspects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE OAKSTAR BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the The OakStar Bank 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions, which are available from the plan administrator.

General – The Plan is a defined contribution plan covering all employees, except for leased employees and independent contractors who are reclassified as employees of OakStar Bank (Company). The Plan excludes employees under age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – At the participant's discretion, amounts may be contributed to the plan by the participant up to 100% of their annual compensation in the form of salary reduction not exceeding \$23,000 and \$22,500 per year for December 31, 2024 and 2023, respectively. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans.

The Plan allows for a safe harbor provision whereby the Company will contribute 100% of the first 3% of plan compensation that a participant contributes to a plan. The Company will also contribute 50% of the next 2% of plan compensation that a participant contributes to the plan. Each year, the Company may also make a discretionary contribution equal to a percentage of the participant's contribution. No discretionary contributions were made by the Company in 2024 or 2023.

Participant accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in the individual contributions plus actual earnings thereon. They are also immediately vested in the safe harbor non-elective contribution and the discretionary contribution portion of their account plus actual earnings thereon.

THE OAKSTAR BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Notes receivable from participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payment of benefits – If a participant ceases to be an employee of the Plan and his or her account balance is less than \$1,000, the entire vested account balance will be payable to the participant or his or her beneficiaries in a single lump-sum payment. Balances greater than \$1,000 but less than \$5,000 are to be rolled over to an individual retirement account, as designated by the Plan, absent an election by the participant. Participant balances in excess of \$5,000 may remain in the Plan until such time the participant elects to receive a distribution. A participant may elect to receive either a lump-sum amount or systematic withdrawals (installments) equal to the value of their account or a joint and survivor annuity. In-service distributions are allowed for hardships and once a participant reaches age 59 ½.

Investment options – Investment account options available include various funds. Each participant has the option of directing the Company's contribution to any of the separate investment accounts and may change the allocation daily.

Forfeited accounts – Participants who terminate their employment and are less than 100% vested in their account will forfeit the non-vested portion. In addition, participants who have received an employer safe harbor contribution in excess of the Plan's safe harbor provisions will forfeit the excess contributions received. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$15,712 and \$15,165, respectively. Forfeitures are retained in the Plan and used to reduce future Plan administration fees or employer contributions. Forfeitures were not used in 2024 or 2023.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting – The financial statements of the plan are prepared on the accrual basis of accounting.

Cash and cash equivalents – For purposes of Note 9, cash equivalents include interest bearing time deposits, certificates of deposit, money market funds, and highly liquid debt instruments with maturities of three months or less at the date of their acquisition.

THE OAKSTAR BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 2: SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. A loan is considered to be in default if a participant fails to make all or any part of a required loan repayment by the end of the calendar quarter following the quarter in which such payment was due. Outstanding loan balances in default will be treated as outstanding for the purpose of determining any future loan amounts. In the event of a default, the outstanding balance, including accrued interest, will be treated as a deemed distribution subject to federal income tax. At December 31, 2024, \$43,805 of the total outstanding loans of \$681,800 were in default status. At December 31, 2023, \$43,057 of the total outstanding loans of \$590,864 were in default status.

Payment of benefits – Benefit payments to participants are recorded upon distribution.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Asset based charges and fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Revenue sharing – The Plan participates in a revenue sharing agreement with certain providers. During the years ended December 31, 2024 and 2023, the Plan received \$12,467 and \$10,811, respectively, which was offset against investment advisory fees. The net fees are included in administrative expenses in the financial statements.

THE OAKSTAR BANK 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 2: SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Subsequent events – The Plan has evaluated subsequent events through December 10, 2025, which is the date the financial statements were available to be issued.

NOTE 3: CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan.)

NOTE 4: PARTY-IN INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons. The Plan incurs expenses related to general administration and record keeping. The plan sponsor pays a portion of these expenses and certain accounting and auditing fees relating to the Plan.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA.

NOTE 6: PLAN TAX STATUS

The IRS has determined and informed the company by a letter dated November 14, 2022, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator and the plan's tax counsel believe that the plan is designed and is being operated in compliance with the applicable requirements of the IRS and therefore believe that the plan is qualified, and the related trust is tax-exempt.

THE OAKSTAR BANK 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 6: PLAN TAX STATUS – CONTINUED

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would be sustained up examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 7: SEPARATED PARTICIPANTS

At December 31, 2024 and 2023, \$2,184,943 and \$2,259,043, respectively, of the net assets available for benefits are for those participants who have separated from active service with the Company.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820, Fair Value Measurements, establishes a framework for measuring fair value and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

THE OAKSTAR BANK 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 9: FAIR VALUE MEASUREMENTS – CONTINUED

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Fixed annuities Valued by the daily crediting of interest which is subject to minimum contractual guarantees. The observable inputs used in determining the value include the contract value, credited rate and contractual minimum rates, MVA formula, and the contract surrender charge schedule, if applicable.

Mutual funds Valued at the daily closing price reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common and preferred stocks Valued at the closing price reported on the active market on which the individual securities are traded.

Cash and cash equivalents Valued at the amortized cost or original cost plus accrued interest.

THE OAKSTAR BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

NOTE 9: FAIR VALUE MEASUREMENTS – CONTINUED

*Common and
collective trust
funds*

Valued at the net asset value (NAV) of units of a common or collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024
