INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of the
Bricklayers and Allied Craftworkers
Local No.1 PA/DE Annuity Plan

Opinion

We have audited the financial statements of the Bricklayers and Allied Craftworkers Local No.1 of PA/DE Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Bricklayers and Allied Craftworkers Local No.1 of PA/DE Annuity Plan as of April 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Bricklayers and Allied Craftworkers Local No.1 of PA/DE Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**BRICKLAYERS AND ALLIED CRAFTWORKERS
LOCAL NO.1 OF PA/DE ANNUITY PLAN**

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2024 AND 2023

NOTE 1. DESCRIPTION OF PLAN

The following description of the Bricklayers and Allied Craftworkers Local No.1 of PA/DE Annuity Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan in the form of an Annuity Fund. The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan is funded primarily by employer contributions at rates specified in the collective bargaining agreement. The contributions rates ranged from \$3.13 to \$12.73 per hour for the year ended April 30, 2024 and \$2.88 to \$11.51 per hour for the year ended April 30, 2023.

Participant Accounts - Each participant's account is adjusted for its allocation of: (1) investment earnings or losses, as defined; (2) employer contributions made for that account; and (3) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Payment of Benefits - Upon termination of service, death, disability, early retirement, or normal retirement a participant may elect to receive either a lump sum amount or periodic monthly or annual installment benefits in accordance with the Plan's Trust documents.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Revenue Recognition - The Plan is funded by contributions from participating employers under the terms of collective bargaining agreements (CBA). Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

Contributions Receivable - Contributions due and not paid prior to the year-end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments - Investments in mutual funds and short term investments are carried at fair value, which represents the net asset value of the funds as of the last business day of the year.

Participant Accounts - Each participant's account is credited with employer contributions and Plan earnings.

Payments of Benefits - Benefit payments to participants are recorded upon distribution.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

The Plan obtained its latest determination letter on November 22, 2013 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes under the provisions of Section 501(a).

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, tax years will remain open for three years; however, this may differ depending upon circumstances of the Plan.

NOTE 4. PRIORITIES UPON TERMINATION

In the event of the termination of the Agreement and Declaration of Trust, the Trustees shall apply the Plan to pay or to provide for the payment of any and all obligations of the Plan and shall distribute and apply any remaining surplus in such manner as will, in their opinion, best effectuate the purpose of the Plan, provided however, that no part of the corpus or income of said Plan shall be used for or diverted to purpose other than for the exclusive benefits of the employees of the employers or their eligible dependents, or the administrative expenses of the Plan or for other payments in accordance with the provision of the Plan. Under no circumstances shall any portion of the corpus or income of the Plan, directly or indirectly, revert to accrue to the benefit of any contributing employer or the Union.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

(A) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

For the years ended April 30, 2024 and 2023 there were no transfers in or out of Levels 1, 2, or 3.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as economic, interest rate, market and sector risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7. RELATED PARTIES AND PARTIES IN INTEREST

The Plan shares Trustees and staff with a related entity, which include the Bricklayers benefit Plans (BBP). The staff are employees of BBP. Certain administrative expenses, such as payroll, benefits, taxes, rent and administrative expenses are paid by BBP. The Plan reimburses BBP for these expenses monthly through an administrative services agreement. The Plan paid to BBP \$131,922 and \$229,836 for its portion of this administrator fee for the years ended April 30, 2024 and 2023, respectively.

BBP collects delinquency contributions and interest for all the related entities and other funds during the year and then reconciles and makes payments to these funds. At April 30, 2024 and 2023, BBP had collected, processed, and paid out \$67,044 and \$18,790, respectively, to the Plan.

Certain plan investments are shares of mutual funds managed by Vanguard. Vanguard is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through December 11, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
