## Independent Auditors' Report

Plan Administrator  
Bridgeway Recovery Services, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bridgeway Recovery Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bridgeway Recovery Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the year ended June 30, 2025, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bridgeway Recovery Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bridgeway Recovery Services, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditors' Responsibilities for the Audit of the Financial Statements - Continued**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bridgeway Recovery Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bridgeway Recovery Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BRIDGEWAY RECOVERY SERVICES, INC. 401(k) PLAN**

### **Notes to Financial Statements**

---

#### **1. Plan Description**

---

The following brief description of the Bridgeway Recovery Services, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** - The Plan was established July 1, 2012 and is on a fiscal year basis ending June 30. The Plan is a defined contribution plan covering all eligible employees of Bridgeway Recovery Services, Inc. (the Company) who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator is responsible for oversight of the Plan, and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's board of directors.

The custodian of the Plan is Capital Bank and Trust Company. All participant account balances are held by Capital Bank & Trust Company. The participant directs the investment of all contributions and earnings thereon and may change their investment directive at any time.

**Eligibility** - Employees are eligible to participate in the Plan once they have completed three months of service consisting of at least 240 hours. Plan entry dates are monthly upon meeting service requirements.

**Contributions** - Each year participants may contribute up to 100 percent of their annual pre-tax compensation, as defined in the Plan, subject to statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company makes a safe harbor matching contribution equal to 100 percent of an eligible participant's deferrals up to 5 percent of the participant's plan compensation. For the year ended June 30, 2025, the Company contributed \$310,131 in safe harbor matching contributions. The Company may make discretionary employer matching contributions and/or nonelective employer contributions as determined annually by the Company's board of directors. No discretionary employer matching or non-elective employer contributions were made for the year ended June 30, 2025.

**Participant Accounts** - Each participant's account is credited with the participant's contributions, as well as allocations of the Company's contributions and Plan earnings. Deducted from each participant's account are any distributions made to the participant and an allocation of administrative expenses that are paid by the Plan. Allocations of administrative expenses are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## BRIDGEWAY RECOVERY SERVICES, INC. 401(k) PLAN

### Notes to Financial Statements - Continued

---

#### 1. Plan Description - Continued

---

**Vesting** - Participants are immediately vested in their contributions and the Company's contributions plus actual earnings on those contributions.

**Notes Receivable from Participants** - Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loans are secured by the balance of the participant's vested account. In accordance with the Plan provisions, the rate of interest on participant loans approximates current market rates and ranges between 5.25 and 10.5 percent as of June 30, 2025, with maturities through 2030. The term of the loan may not exceed 60 months unless the proceeds of such loan are to be used to acquire any dwelling unit, which within a reasonable time is to be used as the principal residence of the participant. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits** - Upon attaining normal retirement age of 65, termination of service, death, or disability, a participant may elect to receive a lump-sum distribution of the entire vested account balance. Terminated participants whose account balance is \$5,000 or less will automatically receive a lump-sum distribution. Hardship distributions are available only for the purpose of meeting immediate and heavy financial needs.

---

#### 2. Summary of Significant Accounting Policies

---

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates** - The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect reported amounts of net assets at the date of the financial statements, and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period, as well as disclosure of any contingent assets or liabilities. Actual results could differ from these estimates.

**Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of June 30, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**BRIDGEWAY RECOVERY SERVICES, INC. 401(k) PLAN**  
**Notes to Financial Statements - Continued**

---

**2. Summary of Significant Accounting Policies - Continued**

---

**Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodian. Additional information about fair value measurements can be found in *Note 4*.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefits Paid to Participants** - Benefits are recorded when paid. At June 30, 2025, there were no benefits processed and approved for payment, but not paid.

**Expenses** - Certain expenses are paid by the Company and are excluded from these financial statements. Certain administration and asset fees are paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

---

**3. Certified Information**

---

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2025 and 2024, and net investment income and interest on notes receivable from participants for the year ended June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, whom management has determined is a qualified institution.

#### 4. Fair Value Measurements

---

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used during the years ended June 30, 2025 and 2024.

Following is a description of the valuation methodology used for assets measured at fair value on a recurring basis:

*Shares of registered investment companies* - Valued at the daily closing prices provided by the custodian. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Notes to Financial Statements - Continued**

---

**4. Fair Value Measurements - Continued**

---

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of June 30:

2025	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	<u>\$ 5,140,082</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,140,082</u>

2024	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	<u>\$ 4,363,451</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,363,451</u>

---

**5. Transactions with Parties-in-Interest**

---

The Company is the Plan sponsor and administrator and pays certain administrative costs, including accounting, legal, and consulting fees, on behalf of the Plan.

Capital Bank and Trust Company, who serves as custodian of the Plan, manages certain Plan investments. These investments and investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments.

Participants in the Plan are permitted to borrow funds from their vested balances. These transactions qualify as party-in-interest transactions. Notes receivable from participants and the related interest earned are described in *Note 2*.

---

**6. Plan Termination**

---

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

## **BRIDGEWAY RECOVERY SERVICES, INC. 401(k) PLAN**

### **Notes to Financial Statements - Continued**

#### **7. Income Tax Status**

---

The Plan is utilizing a non-standardized pre-approved profit sharing plan document and is relying on the pre-approved profit sharing plan's opinion letter from the Internal Revenue Service (IRS) dated November 30, 2020. The letter states the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). Although the pre-approved profit sharing plan document has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

---

#### **8. Risks and Uncertainties**

---

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible changes in the values of investment securities will occur in the near-term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**9. Reconciliation of Financial Statements to Schedule H of Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at June 30:
