Independent Auditor's Report

To the Plan Administrator
MVC MSO Inc. 401(k) Profit Sharing Plan & Trust
West Bloomfield, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed audits of the accompanying financial statements of MVC MSO Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 5 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MVC MSO Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosure relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements - continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a - Schedule of Delinquent Participant Contributions - December 31, 2021 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

1. Description of Plan

The following description of the MVC MSO LLC (the "Company") 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, structured as a Safe Harbor 401(K) Plan. The Plan is subject to the provisions of the Employee Retirement Income Act of 1974, as amended ("ERISA"). The Company is the designated plan administrator of the Plan. Mid Atlantic Trust Company is the trustee of the Plan. Participation in the Plan is discretionary for all eligible employees who have reached the age of 21 and have completed one year of eligibility service. Entry date upon which plan participation can begin is on a quarterly basis. The Plan was amended on October 1, 2021 changing the eligibility service requirement to six consecutive months. The entry date upon which plan participation can begin was also changed from quarterly to immediately upon meeting age and eligibility service requirements.

Contributions

The following types of contributions may be made to the Plan:

- a) The total amount of salary reduction (Pre-tax and Roth) each participant has elected to defer up to a maximum of 92%, subject to annual limitations as defined by the Internal Revenue Code ("IRC").
- b) Catch up contributions (Pre-tax and Roth) for those participants who have attained the age of 50 before the end of the Plan year, subject to annual limitations as permitted by the IRC.
- c) At the discretion of the Plan Administrator, a participant may be permitted to contribute amounts representing distributions from other qualified plans (rollover).
- d) All participants who are non-highly compensated employees are eligible to receive a safe harbor contribution.
- e) The employer may make a discretionary employer profit sharing contribution to the Plan on behalf of the qualifying participants. No such contribution was made during the plan year.

Notes to Financial Statements

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited or charged with contributions, investment income, and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions, rollover, employer safe harbor contributions, and related earnings or losses thereon. Each participant also becomes 100% vested as defined in the plan, at the time of participant's death, if the participant becomes totally or permanently disabled. Vesting in the Company's discretionary profit sharing contribution portion of their account is based on years of continuous service. The following is a summary of the Plan's vesting provisions.

<i>Continuous Years of Service</i>	<i>Vested Percentage</i>
1 Year	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

Notes Receivable from Participants

The Plan does not allow for loans to participants.

Notes to Financial Statements

1. Description of Plan (continued)

Investment Options

Participants may direct their contributions into a variety of funds within money market funds, equity funds, corporate bonds and common collective trusts offered by the Plan with various objectives and degrees of financial risk. Currently the Plan offers thirty-two investment options through Mid Atlantic Trust Company.

Payment of Benefits

Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Distributions under the Plan are made in lump sums. A participant may also request a withdrawal upon attainment of age 59 1/2 or can request an in-service distribution. Participants may withdraw from their accounts which are 100% vested.

Forfeited Accounts

Employer contributions forfeited by participants are used to pay plan administrative expenses and reduce employer contributions. For the years ending December 31, 2021 and 2020, no forfeiture amounts were utilized and there were no non vested account balances in the forfeiture account.

Administrative Expenses

Certain expenses incurred to administer the Plan are paid directly by the Plan. Certain other expenses are incurred in connection with the general administration of the Plan are paid by the employer and are not recognized by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Plan Termination

Although it does not have the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

Notes to Financial Statements

**2. Summary of
Significant
Accounting
Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that could affect the amounts and disclosures reported in the financial statements. Actual results could differ from those estimates.

Contributions

Contributions from plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from the compensation.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Notes to Financial Statements

3. Fair Value Measurements

FASB ASC 820 provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Money Market Fund

Valued at the outstanding balance, which is best estimate of fair value.

Registered Investment Companies (Mutual Funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Inputs to the valuation methodology are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, inputs other than quoted prices that are observable, and model-based valuations in which all significant inputs are observable in the market.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. Fair Value Measurements (continued)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

4. Risks and Uncertainties

The Plan has investments in various mutual funds. Mutual funds are exposed to various risks such as market and credit risks. Due to the level of risk associated with these mutual funds, it is at least reasonably possible that changes in the values of the mutual funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. Information Certified by the Trustee

The Company has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, as trustee of the Plan, has certified that all of the following data included in the accompanying financial statements, supplemental schedule, and Note 3 is complete and accurate.

<i>December 31,</i>	2021	2020
Investments, at fair value	\$ 864,926	\$ 565,301
Net Appreciation in		
Fair Value of Investments	\$ 87,271	\$ 85,159
Dividend Income	\$ 12,802	\$ 15,156

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. Party-in-Interest Transactions

Mid Atlantic Trust Company is the trustee and Paychex is the recordkeeper for the Plan, therefore, any transactions with them will qualify as party-in-interest transactions. Fees paid by the Plan for investment management, recordkeeping, and other administrative services were based on customary and reasonable rates. These transactions are not prohibited under ERISA and are exempt from prohibited transaction rules of ERISA.

MVC MSO LLC

401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

7. Tax Status

The plan is a non-standardized pre-approved plan sponsored by Paychex, Inc. The Internal Revenue Services ("IRS") has determined and informed Paychex by a letter dated August 31, 2020, that the non-standardized profit sharing plan and trust is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the taxing authorities.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that it is no longer subject to income tax examinations for years prior to 2021.

8. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks, such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. Operational Compliance Exception

During our audit of the MVC MSO LLC 401(k) Profit Sharing Plan & Trust for the year ended December 31, we identified an operational exception related to the administration of safe harbor matching contributions. The plan document specifies that highly compensated employees (HCEs) are excluded from receiving safe harbor matching contributions. However, our testing revealed that one or more HCEs received such contributions during the plan year.

This represents a failure to operate the plan in accordance with its written terms, as required under Internal Revenue Code Section 401(a). The plan sponsor has acknowledged the issue and is working with its third-party administrator and ERISA counsel to determine appropriate corrective action under the IRS Employee Plans Compliance Resolution System (EPCRS). Potential corrective actions may include reversal of the contributions or submission under the Voluntary Correction Program (VCP). In 2021, the plan sponsor did not include any HCEs in the calculation of the employer safe harbor matching contribution.

10. Correction of Contribution Error

During years ending December 31, 2021 and 2020, the plan sponsor identified an error in calculating eligible compensation for participants who elected to participate in the plan. As a result, employee elective deferrals and employer safe harbor contributions were not withheld or contributed based on the correct wages.

The plan sponsor corrected the error in accordance with EPCRS during the 2025 plan year. Corrective contributions, including related earnings, for the year ended December 31, 2021 and 2020 totaled \$14,846 and \$7,429, respectively, were deposited into affected participants' accounts in December 2025. The correction did not have a material impact on the plan's financial statements as of December 31, 2021 and 2020.

11. Prohibited Transactions

During 2020, the plan sponsor did not remit certain participant contributions in the amount of \$82 within the period prescribed by the Department of Labor (DOL) regulations. The plan sponsor made contributions in the amount of \$116, which includes \$34 for potential lost income due to the delay. The correction was made in plan year ending December 31, 2025.

13. Form 5500 Filing Status

The Plan's Form 5500 for the years ended December 31, 2020 and 2021, were not filed due to administrative constraints. As of the report date, the Plan has not yet submitted the delinquent Form 5500 for the plan year ending December 31, 2021 and 2020. Non-compliance with Form 5500 filing requirements may result in penalties from both the Internal Revenue Service (IRS) and the Department of Labor (DOL). The Plan administrator intends to correct this matter promptly by filing the delinquent Form 5500. Any assessment of penalties for failure to file will be addressed and paid by the Plan sponsor.

14. ERISA Bond Requirement

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan to be bonded. The bond coverage is to be determined by the balance of the total plan assets, and is required to be at least equal to 10% of the Plan's assets at the beginning of the plan year, with a minimum bond value of \$1,000 and a maximum bond value of \$500,000. At December 31, 2021 and 2020, the Plan's sponsor's maintained bond coverage in the amount of \$56,530 and \$30,209, respectively.

15. Subsequent Events

The Plan has evaluated subsequent events through December 22, 2025, the date the financial statements and supplemental schedules were available to be issued, and determined there were no subsequent events requiring additional disclosure.

Independent Auditor's Report

To the Plan Administrator
MVC MSO Inc. 401(k) Profit Sharing Plan & Trust
West Bloomfield, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed audits of the accompanying financial statements of MVC MSO Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 5 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MVC MSO Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MVC MSO Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosure relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements - continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a - Schedule of Delinquent Participant Contributions - December 31, 2021 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

1. Description of Plan

The following description of the MVC MSO LLC (the "Company") 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, structured as a Safe Harbor 401(K) Plan. The Plan is subject to the provisions of the Employee Retirement Income Act of 1974, as amended ("ERISA"). The Company is the designated plan administrator of the Plan. Mid Atlantic Trust Company is the trustee of the Plan. Participation in the Plan is discretionary for all eligible employees who have reached the age of 21 and have completed one year of eligibility service. Entry date upon which plan participation can begin is on a quarterly basis. The Plan was amended on October 1, 2021 changing the eligibility service requirement to six consecutive months. The entry date upon which plan participation can begin was also changed from quarterly to immediately upon meeting age and eligibility service requirements.

Contributions

The following types of contributions may be made to the Plan:

- a) The total amount of salary reduction (Pre-tax and Roth) each participant has elected to defer up to a maximum of 92%, subject to annual limitations as defined by the Internal Revenue Code ("IRC").
- b) Catch up contributions (Pre-tax and Roth) for those participants who have attained the age of 50 before the end of the Plan year, subject to annual limitations as permitted by the IRC.
- c) At the discretion of the Plan Administrator, a participant may be permitted to contribute amounts representing distributions from other qualified plans (rollover).
- d) All participants who are non-highly compensated employees are eligible to receive a safe harbor contribution.
- e) The employer may make a discretionary employer profit sharing contribution to the Plan on behalf of the qualifying participants. No such contribution was made during the plan year.

Notes to Financial Statements

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited or charged with contributions, investment income, and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions, rollover, employer safe harbor contributions, and related earnings or losses thereon. Each participant also becomes 100% vested as defined in the plan, at the time of participant's death, if the participant becomes totally or permanently disabled. Vesting in the Company's discretionary profit sharing contribution portion of their account is based on years of continuous service. The following is a summary of the Plan's vesting provisions.

<i>Continuous Years of Service</i>	<i>Vested Percentage</i>
1 Year	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

Notes Receivable from Participants

The Plan does not allow for loans to participants.

401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

1. Description of Plan (continued)

Investment Options

Participants may direct their contributions into a variety of funds within money market funds, equity funds, corporate bonds and common collective trusts offered by the Plan with various objectives and degrees of financial risk. Currently the Plan offers thirty-two investment options through Mid Atlantic Trust Company.

Payment of Benefits

Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Distributions under the Plan are made in lump sums. A participant may also request a withdrawal upon attainment of age 59 1/2 or can request an in-service distribution. Participants may withdraw from their accounts which are 100% vested.

Forfeited Accounts

Employer contributions forfeited by participants are used to pay plan administrative expenses and reduce employer contributions. For the years ending December 31, 2021 and 2020, no forfeiture amounts were utilized and there were no non vested account balances in the forfeiture account.

Administrative Expenses

Certain expenses incurred to administer the Plan are paid directly by the Plan. Certain other expenses are incurred in connection with the general administration of the Plan are paid by the employer and are not recognized by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Plan Termination

Although it does not have the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

**2. Summary of
Significant
Accounting
Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that could affect the amounts and disclosures reported in the financial statements. Actual results could differ from those estimates.

Contributions

Contributions from plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from the compensation.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

FASB ASC 820 provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Money Market Fund

Valued at the outstanding balance, which is best estimate of fair value.

Registered Investment Companies (Mutual Funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Inputs to the valuation methodology are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, inputs other than quoted prices that are observable, and model-based valuations in which all significant inputs are observable in the market.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. Fair Value Measurements (continued)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

4. Risks and Uncertainties

The Plan has investments in various mutual funds. Mutual funds are exposed to various risks such as market and credit risks. Due to the level of risk associated with these mutual funds, it is at least reasonably possible that changes in the values of the mutual funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. Information Certified by the Trustee

The Company has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, as trustee of the Plan, has certified that all of the following data included in the accompanying financial statements, supplemental schedule, and Note 3 is complete and accurate.

<i>December 31,</i>	2021	2020
Investments, at fair value	\$ 864,926	\$ 565,301
Net Appreciation in		
Fair Value of Investments	\$ 87,271	\$ 85,159
Dividend Income	\$ 12,802	\$ 15,156

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. Party-in-Interest Transactions

Mid Atlantic Trust Company is the trustee and Paychex is the recordkeeper for the Plan, therefore, any transactions with them will qualify as party-in-interest transactions. Fees paid by the Plan for investment management, recordkeeping, and other administrative services were based on customary and reasonable rates. These transactions are not prohibited under ERISA and are exempt from prohibited transaction rules of ERISA.

Notes to Financial Statements

7. Tax Status

The plan is a non-standardized pre-approved plan sponsored by Paychex, Inc. The Internal Revenue Services ("IRS") has determined and informed Paychex by a letter dated August 31, 2020, that the non-standardized profit sharing plan and trust is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the taxing authorities.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that it is no longer subject to income tax examinations for years prior to 2021.

8. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks, such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. Operational Compliance Exception

During our audit of the MVC MSO LLC 401(k) Profit Sharing Plan & Trust for the year ended December 31, we identified an operational exception related to the administration of safe harbor matching contributions. The plan document specifies that highly compensated employees (HCEs) are excluded from receiving safe harbor matching contributions. However, our testing revealed that one or more HCEs received such contributions during the plan year.

This represents a failure to operate the plan in accordance with its written terms, as required under Internal Revenue Code Section 401(a). The plan sponsor has acknowledged the issue and is working with its third-party administrator and ERISA counsel to determine appropriate corrective action under the IRS Employee Plans Compliance Resolution System (EPCRS). Potential corrective actions may include reversal of the contributions or submission under the Voluntary Correction Program (VCP). In 2021, the plan sponsor did not include any HCEs in the calculation of the employer safe harbor matching contribution.

10. Correction of Contribution Error

During years ending December 31, 2021 and 2020, the plan sponsor identified an error in calculating eligible compensation for participants who elected to participate in the plan. As a result, employee elective deferrals and employer safe harbor contributions were not withheld or contributed based on the correct wages.

The plan sponsor corrected the error in accordance with EPCRS during the 2025 plan year. Corrective contributions, including related earnings, for the year ended December 31, 2021 and 2020 totaled \$14,846 and \$7,429, respectively, were deposited into affected participants' accounts in December 2025. The correction did not have a material impact on the plan's financial statements as of December 31, 2021 and 2020.

11. Prohibited Transactions

During 2020, the plan sponsor did not remit certain participant contributions in the amount of \$82 within the period prescribed by the Department of Labor (DOL) regulations. The plan sponsor made contributions in the amount of \$116, which includes \$34 for potential lost income due to the delay. The correction was made in plan year ending December 31, 2025.

13. Form 5500 Filing Status

The Plan's Form 5500 for the years ended December 31, 2020 and 2021, were not filed due to administrative constraints. As of the report date, the Plan has not yet submitted the delinquent Form 5500 for the plan year ending December 31, 2021 and 2020. Non-compliance with Form 5500 filing requirements may result in penalties from both the Internal Revenue Service (IRS) and the Department of Labor (DOL). The Plan administrator intends to correct this matter promptly by filing the delinquent Form 5500. Any assessment of penalties for failure to file will be addressed and paid by the Plan sponsor.

14. ERISA Bond Requirement

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan to be bonded. The bond coverage is to be determined by the balance of the total plan assets, and is required to be at least equal to 10% of the Plan's assets at the beginning of the plan year, with a minimum bond value of \$1,000 and a maximum bond value of \$500,000. At December 31, 2021 and 2020, the Plan's sponsor's maintained bond coverage in the amount of \$56,530 and \$30,209, respectively.

15. Subsequent Events

The Plan has evaluated subsequent events through December 22, 2025, the date the financial statements and supplemental schedules were available to be issued, and determined there were no subsequent events requiring additional disclosure.
