**Re Employer ID 27-2596795 PN 003  
Reasonable Cause Statement**

We were retained this month to prepare the Form 5500SF for this plan for 2023, 2024, and 2025 (when due). We had no prior work with this plan and were asked to help them with the late filings.

We respectfully ask that you waive any fines or penalties for this late filing. You believe there are good and sufficient reasons for this request.

Some of the relevant factors were documented to us by Mr. Irshad Sheikh the investment advisor with Wells Fargo:

“The plan was held with Transamerica for many years, and goal was to terminate the plan in 2022. Unfortunately, the account balances in the Transamerica platform were not reconciled by the end of 2022 and No final Report was filed.

Dr. Ata (The Trustee of the Plan) and I requested a Data base report as of 12/31/2023 and 12/31/2024 on 12/09 /25 from Transamerica....which we did not receive. I just followed up with Transamerica and the Rep (Wayne Williams) there try to run the report and could have not find the data and will be talking to his supervisor to see what can be done...He promised to get back to me on 12/15th. Further He advised me that plan was reported to DOL as Abandoned plan with a Balance of \$ 17,440.45...I have requested additional info.

I was working with the Office Manager at Pisgah and the TPA at that time in 2023 -2024 to reconcile the balances due to each employee...and was not fully reconciled ...and then the Office Manager there left.

Further the TPA never filed the Final report....and terminated the relationship with the company.

In July this year I did work with Mattie Young - the new Office Manager there who was working to track down Employees and clear up the due balances...Although late we believe the filing was complete (no validation errors).”

We believe that all participants will be paid their proper balances by the end of 2025.

We appreciate your understanding and consideration of our request. Thank you.

Respectfully,

  
Charles E Dean, FSA  
Consulting Actuary
