**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees  
Rochester Area Construction and Materials  
Teamsters Health and Welfare Fund  
Rochester, New York

**Opinion**

We have audited the accompanying financial statements of Rochester Area Construction and Materials Teamsters Health and Welfare Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Rochester Area Construction and Materials Teamsters Health and Welfare Fund as of July 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rochester Area Construction and Materials Teamsters Health and Welfare Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Area Construction and Materials Teamsters Health and Welfare Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rochester Area Construction and Materials Teamsters Health and Welfare Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Area Construction and Materials Teamsters Health and Welfare Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of A, B, and C, for the year ended July 31, 2024 together referred to as "supplemental information," are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ROCHESTER AREA CONSTRUCTION AND  
MATERIALS TEAMSTERS HEALTH AND WELFARE FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2025 AND 2024**

**Note 1 - Description of The Plan**

The following description of the Rochester Area Construction and Materials Teamsters Health and Welfare Fund (the Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

**General**

Rochester Area Construction and Materials Teamsters Health and Welfare Fund was authorized initially by a collective bargaining agreement between Teamsters Local 118, which is affiliated with the International Brotherhood of Teamsters and the Labor Relations Division of Associated Contractors of America, New York Chapter, Inc.

**Contributions**

The Plan agreements provide that an employer make monthly contributions to the Plan for each hour worked by the participant. Each employer's contribution rate is determined by individual collective bargaining agreements. The contributions are allocated to each participant's individual benefit account. Individuals who participate in Rochester Area Construction and Materials Teamsters Health and Welfare Fund will participate in Rochester Area Construction and Materials Teamsters Annuity Fund, an affiliated plan, if they have an account balance in Rochester Area Construction and Materials Teamsters Health and Welfare Fund as of the last day of that plan's previous plan year of at least \$3,200. For those participants, an employer contribution of 7 cents per hour will be made to the participant's account in Rochester Area Construction Teamsters and Materials Annuity Fund, with a corresponding 7 cents per hour reduction to the participant's account in Rochester Area Construction and Materials Teamsters Health and Welfare Fund.

If an eligible employee had an account balance of \$10,000 or more in Rochester Area Construction and Materials Teamsters Health and Welfare Fund as of the prior July 31, a larger contribution will be made to the participant's account in Rochester Area Construction and Materials Teamsters Annuity Fund account. This larger amount will be determined by reducing to one dollar per hour the contribution made to Rochester Area Construction and Materials Teamsters Health and Welfare Fund and contributing the remaining portion of the contribution which would have been made to Rochester Area Construction and Materials Health and Welfare Fund, to Rochester Area Construction and Materials Annuity Fund.

The Plan currently allows an individual participant to select their benefit coverage as desired provided that certain established criteria have been met with respect to the amount posted to the participant's individual benefit account. The types of coverage include a medical insurance benefit plan, an optical benefit plan, a physical examination plan and a dental insurance benefit plan. The Plan provides that a participant may self-pay for any portion of his benefit coverage should the employer contributions in his individual benefit account be inadequate to pay for the selected coverage or to maintain coverage during periods of unemployment.

**ROCHESTER AREA CONSTRUCTION AND  
MATERIALS TEAMSTERS HEALTH AND WELFARE FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2025 AND 2024**

**Other**

The Plan and the acts and decisions made by the Trustees will be binding upon all participants and beneficiaries and upon the heirs, executors and administrators of any participant, beneficiary or person claiming any benefit hereunder.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

**Cash and Cash Equivalents**

Cash and cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less, excluding amounts maintained in investment portfolios. At times, balances may be in excess of FDIC insurance limits.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Employer Contribution Receivable**

Employer contributions receivable are determined through analysis of employer reports and remittances received through September 2025 and 2024. Any amounts found in subsequent months to be uncollectible are charged against the reserve for uncollectibles.

**Payment of Benefits**

Benefits are recorded when paid.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**ROCHESTER AREA CONSTRUCTION AND  
MATERIALS TEAMSTERS HEALTH AND WELFARE FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2025 AND 2024**

**Tax Status**

The Plan obtained its latest determination letter on May 18, 1973, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan management and the plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan is exempt from federal income taxes under current provisions of the Internal Revenue Code Section 501 (c) (9). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Funding**

The Plan is funded by contributions from employers as set by union-negotiated contracts.

**Note 3 - Investments - Fair Value Measurements**

ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under the ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**ROCHESTER AREA CONSTRUCTION AND  
MATERIALS TEAMSTERS HEALTH AND WELFARE FUND  
NOTES TO FINANCIAL STATEMENTS  
JULY 31, 2025 AND 2024**

- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2025 and 2024.

*Money Market Funds:* Valued at cost, which approximates fair value.

*Common Stocks and Corporate Issues:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Preferred Securities:* Certain preferred securities are valued at the closing price reported on the active market on which the securities are traded. Other preferred securities are valued based on quoted prices for similar assets liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets.

*Mutual Funds and Exchange Traded Funds:* Closed-end mutual funds and exchange traded funds are valued at the closing price reported on the active market on which the individual securities are traded. Open-end mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**Note 17 - Subsequent Events**

The Plan has evaluated subsequent events through November 30, 2025, the date the financial statements were available to be issued.
