## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
Shoreline Fruit, LLC 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of **Shoreline Fruit, LLC 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained certifications from Mid Atlantic Trust Company, a qualified institution, as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards ("GAAS") will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Administrative Committee of  
Shoreline Fruit, LLC 401(k) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Shoreline Fruit, LLC 401(k) Plan

## NOTES TO FINANCIAL STATEMENTS

### NOTE A - DESCRIPTION OF PLAN

The following description of Shoreline Fruit, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan, effective July 1, 2001, is a defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code, includes 401(k) salary reduction provisions and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established to enable employees of Shoreline Fruit, LLC (the "Company") to accumulate capital for retirement.

#### *Eligibility*

An employee must be 18 or older and have completed six months of service to participate in the Plan. Eligible employees may become participants on the first day of the month coinciding with or next following the date on which such eligibility requirements are met.

#### *Contributions*

Each year, participants may contribute up to 100% of pretax annual compensation and 100% of bonuses, as defined in the Plan, not to exceed the limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants will be eligible to irrevocably designate some or all of the deferral contribution as a Roth Deferral Contribution at the time the deferral election is made. Roth Deferral Contributions are included in income for tax purposes.

The Company makes a discretionary matching contribution equal to 100% of salary deferrals that do not exceed 1% of compensation plus 50% of salary deferrals between 1% and 6% of compensation. Before the beginning of each Plan year, the Company may elect to make the Plan a qualified automatic contributions arrangement 401(k) plan ("QACA") by notifying participants of its commitment to making certain qualified safe harbor matching contributions. Additional discretionary profit sharing amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations imposed by the Internal Revenue Code.

#### *Participant Accounts*

Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocations of (a) the Company's profit sharing contribution, (b) Plan investment income or loss and (c) investment management expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds as investment options for participants.

## NOTES TO FINANCIAL STATEMENTS - Continued

### *Vesting*

Participants are immediately vested in their salary deferrals plus actual earnings thereon. Vesting in the Company's discretionary matching and qualified Safe Harbor contributions portion of their accounts is based on years of service. A participant is 100% vested after 5 and 2 years of credited service, respectively.

### *Notes Receivable from Participants*

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of either an amount equal to 50% of their vested account balance or \$50,000 reduced by the excess of the participants highest outstanding balance of loans during the one-year period ending on the date of the new loan over the participants current outstanding balance of loans as of the date of the new loan. The loans are secured by the balance in the participant's account and bear interest at various rates determined by market fluctuations. Principal and interest are paid ratably through payroll deductions. Interest earned on loans totaled \$9,036 and \$8,862 for the years ended June 30, 2025 and 2024, respectively.

### *Payment of Benefits*

On termination of service due to death, disability, retirement or other reasons, a participant will receive the value of the vested interest in his or her account in a lump-sum distribution. A participant may also receive this if he or she incurs financial hardship as defined by the Plan.

### *Forfeited Accounts*

Forfeited nonvested account balances are used to reduce future Company contributions.

## **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### *Basis of Accounting*

Plan transactions are recorded on the accrual basis of accounting.

### *Use of Estimates in the Preparation of Financial Statements*

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value determined primarily by quoted market prices. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan. Shares of common stock are valued at the closing price reported on the active market on which the individual securities are traded, which represent the value of shares held by the Plan.

## NOTES TO FINANCIAL STATEMENTS - Continued

Appreciation or depreciation in the fair value of investments represents the change in the difference between aggregate fair value and aggregate cost of investments, including investments purchased, sold and held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

### *Valuation of Notes Receivable from Participants*

Notes receivable from participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Subsequent Events*

The Company has evaluated subsequent events and transactions for potential recognition and disclosure through December 2, 2025, the date the financial statements were available to be issued.

## NOTE C - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS - Continued

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at quoted market prices which represents the net asset value ("NAV") of shares held by the Plan at year-end.

*Common stocks:* Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of June 30, 2025				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,893,659</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,893,659</u>
Assets at Fair Value as of June 30, 2024				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,133,797	\$ -	\$ -	\$ 5,133,797
Common stock	<u>3,286</u>	<u>-</u>	<u>-</u>	<u>3,286</u>
Total assets at fair value	<u>\$ 5,137,083</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,137,083</u>

**NOTE D - PARTY-IN-INTEREST TRANSACTIONS**

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. Investment income credited to participants' accounts is stated net of fees charged by the mutual fund managers, such as management fees, distribution and other service fees, and transaction fees associated with buying and selling securities. Administrative costs associated with participant loan transactions are charged directly to the participants borrowing from their accounts in the form of a fee. Professional fees for the administration and audit of the Plan are paid by the Company.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE F - TAX STATUS**

The Plan obtained its latest determination letter in June 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Company believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

All tax positions taken by the Plan have been assessed to have a near 100% likelihood of being sustained upon their ultimate settlement in the event they are examined by taxing authorities and, therefore, there are no unrecognized tax liabilities. The tax years that remain subject to examination by the Internal Revenue Service are 2022 - 2024.

**NOTE G - TERMINATED PARTICIPANTS**

Included in net assets available for benefits are amounts allocated to individuals who have withdrawn from the Plan. Vested amounts allocated to these participants were \$1,294,825 and \$916,306 at June 30, 2025 and 2024, respectively.

NOTES TO FINANCIAL STATEMENTS - Continued

**NOTE H - INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEES**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the *Department of Labor Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, Mid Atlantic Trust Company, the Trustee, has certified that the information listed below is complete and accurate at June 30, 2025 and 2024, respectively:

	<u>June 30, 2025</u>	<u>June 30, 2024</u>

All information disclosed in Note C, except for information related to common stock for the year ended June 30, 2024.

Investment information in the supplemental schedule, except for notes receivable from participants.

The Plan's independent certified public accountants did not perform auditing procedures with respect to information certified by the Trustee, except for comparing such information to the related information included in the financial statements and supplemental schedule.

The Plan's Trustee holds certain Plan investments and executes certain investment transactions. The related investment balances and investment income information listed above and included in the accompanying financial statements and supplemental information are based solely on information provided by the Trustee. Mid Atlantic Trust Company has not certified notes receivable from participants totaling \$116,862 and \$101,581, and related interest income of \$9,036 and \$8,862, for the years ended June 30, 2025 and 2024, respectively. Mid Atlantic Trust Company has not certified the related interest and dividend income of \$161 and \$707 for the years ended June 30, 2025 and 2024, respectively.

**NOTE I - RISK AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
