Re: Reasonable Cause Request – Form 5500 Penalty

Plan Number: 297703

Tax Years: 2023 and 2024

To Whom It May Concern,

I am writing on behalf of VinTech Systems in response to the notice assessing a penalty related to the failure to file Form 5500 for the 2023 and 2024 plan years for Plan Number 297703. VinTech Systems respectfully requests abatement of the assessed penalty based on reasonable cause.

VinTech Systems **established its 401(k) retirement plan for the first time in 2023**. At the time the filings were due, I was not aware that Form 5500 was required for this newly established plan. I did not receive prior notice or guidance regarding this filing obligation and only became aware of the requirement earlier this year after receiving an informational email from our payroll provider, ADP.

Upon learning of the Form 5500 requirement, I immediately began taking steps to understand the filing obligations and to address the matter. The failure to file was not willful and was not the result of neglect. VinTech Systems acted in good faith and has always intended to comply with all applicable federal reporting and filing requirements.

VinTech Systems is a small business, and the assessed penalty of \$250,000 would impose an extreme financial hardship that is disproportionate to the nature of this oversight, particularly

3725 N. Western Ave., Chicago IL 60618 | (773)388-1208 | vinetechnology.com

given that the plan was newly established and the failure resulted from a lack of awareness rather than intentional noncompliance. Based on these circumstances and our prompt corrective actions, we respectfully request that the penalty be abated in full, or alternatively reduced.

Thank you for your time and consideration. Please let us know if any additional information or documentation is required.

Sincerely,

Mun Wong
