## Independent Auditor's Report

Plan Administrator  
VIS, LLC Group Medical Plan  
Greer, South Carolina

### **Opinion**

We have audited the financial statements of VIS, LLC Group Medical Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of VIS, LLC Group Medical Plan as of December 31, 2024 and 2023, and the changes in its plan benefit obligations and net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of VIS, LLC Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VIS, LLC Group Medical Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VIS, LLC Group Medical Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VIS, LLC Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### ***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of December 31, 2024 and 2023 are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplemental schedules required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the VIS, LLC Group Medical Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Note 1. Description of Plan**

The following description of the VIS, LLC Group Medical Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

### ***General***

The Plan was effective on September 1, 2021, and provides healthcare benefits for eligible employees, their spouses, and the eligible dependents of VIS, LLC (the “Sponsor” or “Employer”) who have: (a) made application to become a participant and (b) authorized the plan Sponsor to withhold a portion of the cost of benefits from their wages. Management believes that the Plan is an “Employees’ Welfare Benefits Plan” of the Employee Retirement Income Security Act of 1974 (“ERISA”) as amended. The Plan is subject to the provisions of ERISA.

### ***Administration of the Plan***

The Plan is funded in part by VIS, LLC and by contributions made through payroll deductions by participating employees and those participants who have been separated from service pursuant to the Consolidated Omnibus Budget Reconciliation Act (“COBRA”). The employees’ contributions are determined annually, in advance, by the Plan Sponsor. Employer contributions, representing the balance of funds necessary for the Plan’s operations, are contributed as needed from the general assets of the Sponsor.

The Sponsor’s human resources department oversees the enrollment of eligible employees and maintains records of plan participants. Routine administrative functions and benefit claims administration are provided by third party administrators. Funds used for benefit payment expenses in respect of the Plan were transmitted by the VIS, LLC Health Benefit Trust.

The Plan’s record-keeping and adjudication and disbursement of medical expense claims is delegated to the administrators which provide the Sponsor a monthly accounting of the Plan’s financial activity, including copies of check registers, a summary of expenses paid, a listing of persons for whom benefits are paid, and the amounts of such payments.

### ***Benefits***

The Plan provides health benefits (medical and prescription drugs). The Plan also provides continuation of certain benefits upon termination of employment through COBRA.

Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan’s third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants. Despite the Plan’s utilization of third-party claim processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

### ***Stop loss coverage***

The Plan maintains excess risk insurance in an effort to limit its exposure for self-insured benefits including individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims. For the years ended December 31, 2024 and 2023, benefits paid for health claims exceeding \$85,000 and \$80,000, respectively, for any individual participant, up to a maximum of \$1,000,000 per coverage period, are covered by the excess risk insurance and are reimbursable to the Plan. The Plan recorded reimbursements for excess risk insurance of approximately \$400,000 and \$33,000 which is reported as a reduction to health benefits payments in the accompanying statements of changes in benefit obligations and net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

## **Note 2. Summary of Significant Accounting Policies**

### ***Basis of accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### ***Interest-Bearing Cash***

At times, interest-bearing cash may exceed amounts insured by the Federal Deposit Insurance Corporation ("FDIC"). The Plan has not experienced losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash. Interest income is recorded on the accrual basis under GAAP when earned.

### ***Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions. Areas requiring significant estimates include the health claims incurred but not reported.

### ***Payment of benefits***

Claim payments are recorded when paid by the third-party processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as accounts payable.

### ***Administrative expenses***

The Plan's administrative expenses consist primarily of fees paid to third-party claims administrators and other service providers. Administrative expenses are paid by the Plan, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

### ***Subsequent events***

The Plan has evaluated subsequent events through January 7, 2026, the date the financial statements were available to be issued.

## **Note 3. Health Claims Payable and Incurred but not Reported**

Benefit obligations consist of claims for health benefits which have been reported, but remain unpaid, and an estimate of claims for benefits which may have been incurred but remain unreported as of December 31, 2024 and 2023. Plan obligations as of December 31, 2024 and 2023, for claims incurred but not reported are estimated by the Plan's administrators based on claims data. These amounts are paid by the Plan only if claims are submitted and approved for payment. The estimate is based upon the monetary value of claims reported during the year, the Plan's historical experience of lag time between date of eligible service and the related claim payment, as well as an estimate of healthcare cost increases based on industry experience.

Due to uncertainties inherent in the estimation and assumptions process, it is at least reasonably possible that changes in these judgements and assumptions in the near term would be material to the financial statements.

**Note 4. Exempt Party-In-Interest Transactions**

The Plan does not consider employer contributions to the Plan to be party-in-interest transactions. The Sponsor provides certain accounting and administrative functions to the Plan for which no fees are charged. Additionally, the Sponsor pays certain administrative expenses of the Plan.

As described in Note 1, the Plan has arrangements with various service providers. These transactions are considered exempt party-in-interest transactions under ERISA.

**Note 5. Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 6. Tax Status**

The provisions of Internal Revenue Code (“IRC”) 419A(g)(1), relative to unrelated business income of the Plan, and IRC 419A(c)(1), relative to qualified asset funding limitations are applicable for the Plan years ended December 31, 2024 and 2023. The Plan’s resident assets at December 31, 2024 and 2023 did not exceed the qualified asset funding limitations prescribed and, therefore, no unrelated business income as defined in IRC 512(a)(3) or tax obligation were incurred. In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status. Neither the Plan nor the Trust has applied for an Internal Revenue Service (“IRS”) determination letter. However, the Plan has been designed and operated in accordance with IRS regulations. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 7. Reconciliation of Financial Statements to Form 5500**
