Kai Ming, Inc. 403(b) Defined Contribution Retirement Plan
San Francisco, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kai Ming, Inc. 403(b) Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards (GAAS), we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KAI MING, INC. 403(B) DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Kai Ming, Inc. 403(b) Defined Contribution Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan available to eligible employees of Kai Ming, Inc. (the Employer). The Plan is intended to qualify under Section 403(b) of the Internal Revenue Code (IRC). Generally, all employer employees are eligible to enroll in the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA) provisions.

B. Plan Administration

The Employer is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Employer has delegated certain responsibilities for the operation and administration of the Plan. Trustee and recordkeeping services are provided by the Teachers Insurance and Annuity Association-College Retirement and Equities Fund ("TIAA-CREF").

Certain administrative expenses of the Plan, including recordkeeping, were paid directly by the Employer for the year ended June 30, 2025. Investment fees, which may vary according to the individual funds selected, are paid out of the assets of the Plan. Participants should refer to the prospectus of the individual investment funds for further details on individual investment fees.

C. Eligibility

All employees of Kai Ming, Inc. are eligible for participation in the Plan. They are eligible to participate in elective deferrals from their hire date. They are eligible to participate in nonelective contributions after completing three consecutive months from their date of employment, during which they must meet 83 1/3 hours of service each month.

D. Contributions

Under the provisions of the Plan, an employee can elect to contribute any percentage of their salary, provided they do not contribute more than the maximum permitted by law. Additionally, if the employee has attained age 50, then the employee is eligible to make an additional catch-up contribution as specified in the Plan. This contribution cannot exceed \$7,500 in 2025.

Employer contributions may also be contributed to the Plan. The Employer will contribute an amount equal to 3.70% of the eligible participant's compensation.

Contributions are subject to certain Internal Revenue Service (IRS) limitations. The limits include:

	<u>2025</u>	<u>2024</u>
Dollar Limit on Elective Deferrals Contributions	\$ 23,500	\$ 23,000
Dollar Limit on Catch-up Contributions	\$ 7,500	\$ 7,500
Dollar Limit on Defined Contribution Limits	\$ 70,000	\$ 69,000
Maximum Covered Compensation	\$ 350,000	\$ 345,000

NOTE 1 - DESCRIPTION OF THE PLAN - CONT'D

E. Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants select the allocation of investment funds to be applied to contributions credited to their accounts.

F. Investment Options

Upon enrollment in the Plan, participants may direct their allocation of basic and matching contributions with TIAA-CREF. Within these investment vehicles, participants may select between several investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

G. Vesting

Participants are fully and immediately vested in their voluntary contributions, employer contributions, and actual earnings thereon. The value of the participant's account attributable to the employer contribution is fully vested as of the first day on which such contribution may be made to the Plan.

H. Plan Loans

Participants are not allowed to borrow money from the Plan. Plan loans are not permitted.

I. Payment of Benefits

Participants can receive a distribution upon attainment of age 59½, termination of employment, retirement (normal retirement age 65), hardship, death, or disability. The participants may receive a lump sum amount or in distribution method equal to the value of the participant's vested interest in their account.

J. Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified or 403(b) plans.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. The financial statements have been prepared under the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recognized when they are incurred.

B. Use of Accounting Estimates

The preparation of the Plan statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

C. Investment Valuation and Income Recognition

On June 30, 2025, the Plan's investments were held in various insurance contracts and annuities and are reported at fair value, except for fully benefit-responsive investments, which are reported at contract value. The net appreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan.

Purchases and sales of securities are recorded on a settlement-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value determinations are made based on a hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Management fees and operating expenses charged to the Plan for investment in mutual funds are deducted from income earned on a daily basis, and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in the fair value of investments.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net investment income/loss reported in the accompanying statements of net assets available for benefits.

D. Receivables

Receivables from participants and employers are determined based on the contributions withheld but not remitted to the Plan. As of June 30, 2025, and 2024, the Plan had participants and employers contributions receivable amounting to \$119,766 and \$113,840, respectively.

E. Contributions

Participant contributions and related employer contributions are recognized in the period during which the Employer makes the respective payroll deduction from the participant's earnings.

F. Refundable Contributions

The Plan completes a non-discrimination test pursuant to IRS regulations on an annual basis. Excess contributions determined as a result of this test, if any, are netted against the participant contributions in the Statement of Changes in Net Assets Available for Benefits. For the years ended June 30, 2025, and 2024, the Plan passed the non-discrimination test.

G. Rollovers

Participants may elect to rollover amounts from other qualified plans or individual retirement accounts into the Plan, provided that certain conditions are met. As of June 30, 2025, and 2024, the Plan has participants rollovers amounting to \$10,538 and \$0, respectively.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

H. Distributions

Distributions requested by participants are recorded when paid.

I. Expenses

Certain expenses for maintaining the Plan are paid by the Plan unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) for the fair value of investments.

NOTE 3 - TAX STATUS

The Plan is subject to Section 403(b) of the Internal Revenue Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Organization has taken an uncertain position that is more likely than not to be sustained upon examination by the federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TIAA-CREF

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reposting and Disclosure under ERISA. Accordingly, Teachers Insurance and Annuity Association-College Retirement and Equities Fund, a qualified institution, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule are complete and accurate:

- Investments as reported on the accompanying Statements of Net Assets Available for Benefits as of June 30, 2025, and 2024;
- Dividend/interest income and net appreciation in fair value of investments is reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2025;
- Investment amounts included in the Notes to Financial Statements.
- All investment information included in the supplemental Schedule H-Line 4(i)-Schedule of Assets (Held at End of Year) as of June 30, 2025, as shown on the ERISA required supplemental schedule.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TIAA-CREF - CONT'D

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Internal Revenue Service has determined that the form of the Plan and related trust are designed in accordance with applicable section 401 of the Internal Revenue Code (IRC). The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on June 30, 2025, and 2024:

- TIAA Traditional Annuity: The TIAA Traditional Annuity is reported at contract value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers in, if any, less any withdrawals and transfers out, if any. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable. (Level 3).

NOTE 5 - FAIR VALUE MEASUREMENTS - CONT'D

- TIAA Real Estate Account (REA): The REA is a separate account of TIAA, an insurance company, and is registered with the SEC under the Securities Act of 1933 and the Securities Exchange Act of 1934. It is also a variable annuity. To the extent that the assets of a plan subject to ERISA are invested in the REA, TIAA will act as an “investment manager,” as that term is defined under section 3(38) of ERISA. Contributions to the REA buy accumulation units whose value is calculated every business day. Beginning in October 2014, daily unit values for the TIAA Real Estate Account are listed on NASDAQ’s website. The unit values are updated overnight for each day that NASDAQ is open. The value of a participant’s investment rises and falls with the return on the underlying assets in the REA, along with the income generated by those assets. (Level 1).
- TIAA-CREF Funds: The TIAA-CREF Funds (the “Trust”) is a Delaware statutory trust registered with the SEC under the Investment Company Act of 1940 as an open-end management investment company. Each Fund or series of the Trust (each a “Fund”) is a separate portfolio with its own investment objective and strategies. Investments in a Fund enable a shareholder to acquire shares whose net asset value is calculated each business day. The value of a shareholder’s investment rises and falls with the returns on the underlying assets in the Fund’s portfolio. (Level 1).

The following tables set forth, by level within the fair value hierarchy, the Plan’s investment assets at fair value as of June 30, 2025, and 2024:

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by TIAA-CREF. TIAA-CREF is the trustee as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the account balance of each Participant would become fully vested as prescribed by ERISA and its related regulations, and would be distributed to each Participant according to the provisions of the Plan.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

NOTE 9 - ERISA FIDELITY BOND

In accordance with ERISA Section 412, the Plan covers a fidelity bond intended to protect the Plan from the risk of loss due to fraud or dishonesty on the part of persons who handle funds or other property on behalf of the Plan.

NOTE 10 - EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through November 25, 2025, the date on which the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.
