Independent Auditors' Report

To the Plan Administrator of  
Constellis Retirement Plan:

**Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of Constellis Retirement Plan, which comprise the statement of net assets available for benefits as of December 31, 2018 and the related statement of changes in net assets available for benefits for the year then ended December 31, 2018, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

**Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2018 and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on these financial statements referred to in the first paragraph.

### **Other Matter – Supplemental Schedules**

The supplemental schedules of assets held at end of year as of December 31, 2018 and delinquent participant contributions for the year ended December 31, 2018, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

### **Other Matter – 2017 Financial Statements**

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Transamerica Financial Life Insurance Company, the custodian of the Plan. Their report, dated October 15, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

### **Report on Form and Content in Compliance with DOL Rules and Regulations 2018**

The form and content of the information included in the 2018 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## CONSTELLIS RETIREMENT PLAN

Notes to Financial Statements

December 31, 2018 and 2017

### 1. Description of Plan

The following description of the Constellis Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General:

Constellis, LLC (the "Company") established the Plan effective January 1, 2017. The Plan is a defined contribution plan covering certain employees of the Company that are covered under collective bargaining agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company has entered into an agreement whereby, Reliance Trust Company (the "Trustee") has been appointed the Trustee of the Plan's assets. Under the terms of the agreement, the Trustee holds and invests the funds of the Plan.

#### Plan merger:

Effective January 1, 2019, the Constellis Retirement Plan merged into the Constellis 401(k) Plan. Under the terms of the merger, all participant account balances, including vested and non-vested amounts, will be transferred to the Constellis 401k Plan. Each participant's benefit immediately after the merger will be equal to or greater than the benefit they would have been entitled to receive if the Plan had terminated immediately before the merger. The provisions of the Constellis Retirement Plan will apply to all transferred accounts, except as otherwise provided in the merger agreement. The 2018 financial statements do not reflect the effects of the merger.

#### Contributions:

There are no elective participant contributions made to the Plan. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company makes contributions to the Plan according to terms that are outlined in the respective collective bargaining agreements. Those collective bargaining agreements assign employees an hourly health and welfare benefit rate. Each pay period, a total health and welfare contribution is calculated based on the number of hours worked. The amount of the contribution is reduced by elected insurance and other benefits, with the net amount remitted to the Plan.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

#### Participant accounts:

Each participant's account is credited with the Company contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon.

#### Payment of benefits:

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Hardship withdrawals and in-service withdrawals at age 59.5 are also permitted, subject to provisions described in the Plan document. Withdrawals from rollover contributions are permitted at any time.

## CONSTELLIS RETIREMENT PLAN

Notes to Financial Statements

December 31, 2018 and 2017

### 1. Description of Plan (continued)

Forfeited accounts:

At December 31, 2018 and 2017, forfeited non-vested accounts totaled \$25 and \$0, respectively. These accounts will be used to pay administrative expenses or reduce future employer contributions.

### 2. Summary of Accounting Policies

Basis of accounting:

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Revision:

During the current year, the Plan corrected its accounting for employer receivables. As a result, Employer contributions receivable, Net assets available for benefits and Employer contributions as of December 31, 2017 increased by \$56,469. Prior-period comparative information presented in the current year's financial statements has been revised to reflect this correction.

Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events:

The Plan has evaluated subsequent events through January 8, 2026, the date the financial statements were available to be issued. See Note 11 for further discussion.

(continued)

## CONSTELLIS RETIREMENT PLAN

Notes to Financial Statements

December 31, 2018 and 2017

### 2. Summary of Accounting Policies (continued)

SECURE 2.0 Act:

On December 29, 2022, the Setting Every Community Up for Retirement Act ("SECURE") 2.0 Act of 2023 was signed into law as part of the Consolidated Appropriations Act, 2024. The SECURE 2.0 Act includes numerous reforms to existing retirement law intended to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and simplify and clarify retirement plan rules, with provision effective dates ranging from immediate to 2024 and beyond. All provisions of SECURE 2.0 will be evaluated and implemented in accordance with future regulations and guidance, and the Plan will be amended as needed.

### 3. Information Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule of assets held at end of year, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net appreciation in fair value of investments and dividends and interest income for the year ended December 31, 2018, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee and or Custodian.

### 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Accounting Standards Codification 820, "Fair Value Measurements", are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### 4. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds – Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts – Common collective trusts are valued based on the information reported by the investment advisor using the audited financial statements of the common collective trust at year-end. The Plan's investments in collective interest trusts are valued based upon the net asset value of units owned by the Plan at year-end. The fair value of the Plan's investments is based on the net asset values of the underlying open-end mutual funds.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017.

December 31, 2018	Fair Value Measurements			
	Total	Level 1	Level 2	Level 3
Assets:				
Mutual funds	\$ 4,240,566	\$ 4,240,566	\$ -	\$ -
Common collective trusts	574,181	-	574,181	-
Investments, at fair value	<u>\$ 4,814,747</u>	<u>\$ 4,240,566</u>	<u>\$ 574,181</u>	<u>\$ -</u>
December 31, 2017	Fair Value Measurements			
	Total	Level 1	Level 2	Level 3
Assets:				
Mutual funds	\$ 1,312,709	\$ 1,312,709	\$ -	\$ -
Common collective trusts	195,295	-	195,295	-
Investments, at fair value	<u>\$ 1,508,004</u>	<u>\$ 1,312,709</u>	<u>\$ 195,295</u>	<u>\$ -</u>

### 5. Transamerica Stable Value Fund

The Financial Life Insurance Company Stable Value Option investment is available through a contract issued by Transamerica Life Insurance Company ("TLIC") held in an Expense Benefit Account. The group annuity contract is considered fully benefit-responsive, with the Trustee as the contract holder and no participant investment. The contract is valued at contract value, which represents contributions plus earnings, less benefits and expenses. The assets in the general account are supported by the financial stability of TLIC which is contractually obligated to repay principal and a specified interest rate to the Plan. No events limiting transactions at contract value are considered probable.

### 6. Related Party Transactions

Certain Plan investments and related transactions were in investment funds managed by the Plan's Trustee and, therefore, these investments and transactions qualify as party-in-interest transactions.

December 31, 2018 and 2017

### 7. Plan Termination

As described in Note 1, the Plan was merged into the Constellis 401(k) Plan, effective January 1, 2019. Consequently, all employees eligible under the Plan became eligible to participate in and make contributions to the Constellis 401(k) Plan. All assets were transferred as of January 7, 2019 and Plan management believes it has structured the transfer in a manner that does not constitute a plan termination. Participant account activity subsequent to the effective date of the merger will be transacted under the Constellis 401(k) Plan.

### 8. Tax Status

The volume submitter profit sharing plan received a favorable tax determination letter dated March 31, 2014 from the IRS. Although the Plan itself has not received a determination letter and the volume submitter profit sharing plan has been amended since receiving that determination letter, Company management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and is tax-exempt.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of the IRS. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of net assets available for benefits.

### 10. Late Deposit Remittances

During 2018, the Company inadvertently failed to deposit employer contributions in a timely manner. In May 2025, the Company self-corrected the 2018 employer contributions to be in accordance with the Plan documents. Management has evaluated the impact of the late deposits and determined it does not affect the amounts reported in the 2018 financial statements.

### 11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 to Form 5500:

	<u>2017</u>
Net assets available for benefits per financial statements	\$ 1,988,564
Employer contributions receivable	<u>(56,469)</u>
Net assets available for benefits per Form 5500	<u>\$ 1,932,095</u>

### 12. Subsequent Event

Effective January 1, 2019, subsequent to the plan year-end but prior to the issuance of these financial statements, the Plan merged into the Constellis 401(k) Plan. The financial impact of the merger on the plan's net assets as of December 31, 2018 is not reflected in these financial statements and is not expected to have a material adverse effect on the benefits of plan participants.
