INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Virtual Incorporated 401(k) Plan
Wakefield, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Virtual Incorporated 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of March 5, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period January 1, 2025 to March 5, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 5, 2025 and December 31, 2024 and for the period January 1, 2025 to March 5, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Virtual Incorporated 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Virtual Incorporated 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Virtual Incorporated 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Virtual Incorporated 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

VIRTUAL INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD JANUARY 1, 2025 THROUGH MARCH 5, 2025 **MARCH 5, 2025 AND DECEMBER 31, 2024**

Note 1 - Description of the Plan

The following brief description of Virtual Incorporated 401(k) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Virtual Incorporated 401(k) Plan, established on January 1, 2017, established on January 1, 2017, is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees, except employees covered by a collective bargaining agreement, non-residence alien, leased employees, interns, and temporary employees, are eligible to participate after they have attained the age of 18. Virtual Incorporated (the “Company”) is the plan administrator. Fidelity Management Trust Company is the trustee and custodian of plan assets, and Fidelity Workplace Services LLC serves as recordkeeper. The Plan was amended effective February 1, 2022 to comply with legislation.

The Plan includes an employees’ thrift savings plan established under the provisions of Internal Revenue Code Section 401(k). Under the savings plan, a certain percentage of employees’ wages, as defined in the Plan, can be deferred as an employee contribution to the Plan.

Merger - On October 28, 2024, the Company approved to amend the Plan to merger into the Choice Pooled Employer Plan III, sponsored by Transamerica Fiduciary Services (the “PEP”), effective December 31, 2024. As a result, all participants of the Plan became participants in the PEP and total plan assets of \$12,783,819 were transferred from the Plan to the PEP on March 5, 2025.

Enrollment - All eligible employees may participate in the Plan immediately upon meeting the age requirement. Effective October 1, 2021, all newly eligible employees who fail to make any deferral election, are automatically enrolled in the Plan within the time prescribed by the plan administrator. Automatically enrolled participants shall be deemed to have elected to defer 3% of eligible compensation as a pre-tax contribution. Contributions received under this automatic enrollment feature are invested in the Fidelity target date funds based on the participant’s expected retirement date until changed by the participant. Participants may change their deferral percentage at anytime.

Contributions - Participants may contribute up to 90% of pretax eligible compensation up to the maximum amount allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make after-tax contributions (Roth) into the Plan. Participants may also make rollover contributions representing distributions from other qualified plans.

Each year, a discretionary matching contribution may be made at the option of the Company's Board of Directors. The Company did not make a discretionary matching contribution to the Plan for the period January 1, 2025 to March 5, 2025.

Each year, a discretionary profit-sharing contribution may be made at the option of the Company's Board of Directors. To be eligible for the discretionary profit-sharing contribution, the participant must meet the age requirement and have been employed on the last day of the Plan year. The Company did not make a profit-sharing contribution to the Plan for the period January 1, 2025 to March 5, 2025.

Contributions are subject to certain limitations and eligibility requirements apply to such contributions.

VIRTUAL INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD JANUARY 1, 2025 THROUGH MARCH 5, 2025 **MARCH 5, 2025 AND DECEMBER 31, 2024**

Note 1 - Description of the Plan (Continued)

Participant Accounts - Each participant account is credited with (a) the participant's contributions, (b) employer discretionary matching contributions, if any, (c) employer discretionary profit-sharing contributions, if any, (d) plan earnings, and (e) plan expenses. Allocations of plan earnings are based on account balances, as defined. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the employer discretionary matching and profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested after four years of credited service.

Investment Options - Upon enrollment in the Plan, a participant may direct their contributions in one percent increments to various investment options comprised of certain selected mutual funds and a common collective trust. Participants may reallocate their funds or redirect new contributions on a daily basis among any of the offered funds.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. Generally, notes must be repaid within five years unless being used to purchase a principal residence, in which case the loan repayment period may not extend beyond 10 years from the date of the note. Participants may have only two notes outstanding at a time.

Forfeitures - Forfeitures can be used to pay plan expenses related to the administration of the Plan or to reduce future employer contributions. For the period January 1, 2025 to March 5, 2025, forfeitures used to pay plan expenses amounted to \$14,991. As of March 5, 2025, unallocated forfeitures amounted to \$10,289 and were transferred to the PEP. As of December 31, 2024, unallocated forfeitures amounted to \$5,759.

Payment of Benefits - Upon termination of service, retirement, disability or death, participants or beneficiaries are entitled to a distribution equal to the total value of the participant's vested account. A participant or beneficiary may elect to receive the value of the vested account in a lump-sum cash payment, a rollover distribution to an eligible retirement account, installment payments, or a combination of the three payout options.

For vested balances less than \$1,000, benefit payments are automatically made to the participant in the form of a lump sum payment. If the vested balance is greater than \$1,000, the participant may defer payment until required by law to receive minimum required distributions.

Participants may withdraw from their vested accounts upon certain hardship situations defined in the Plan or upon attainment of age 59 1/2.

Plan Amendment and Termination - The Plan may be amended at any time by the Board of Directors, provided that no such amendment may deprive participants of their vested benefits. Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

VIRTUAL INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD JANUARY 1, 2025 THROUGH MARCH 5, 2025 **MARCH 5, 2025 AND DECEMBER 31, 2024**

Note 1 - Description of the Plan (Continued)

Administrative Expenses - Generally, the Company pays the administrative expenses relating to the Plan except those relating to investment management fees, advisor fees, plan administration fees, and transaction-based fees which are paid by the Plan's participants. Investment management fees charged to the Plan for all investments are deducted from income earned daily and are not separately reflected. Consequently, investment management fees and plan administration fees are reflected as a reduction of realized and unrealized appreciation in the fair value of investments. Advisory fees and plan administration fees are paid by the Plan's participants. Transaction-based fees for origination of notes receivable and distributions are paid directly by the individual participant. During the period January 1, 2025 to March 5, 2025, fees paid by the Plan's participants amounted to \$27,301.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect amounts of net assets available for benefit at the date of the financial statements and the changes in net assets available for benefit during the reporting period, and disclosure of contingent assets and liabilities, if applicable, at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - All investments are recorded at fair value in these financial statements. Fair value is measured in accordance with U.S. generally accepted accounting principles as more fully described in Note 4. Purchases and sales of securities are recorded on a trade-date basis or, if not materially different, the settlement date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the common collective trust are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the trust, but do have an interest therein represented by units which are valued daily. The trust earns interest which is automatically reinvested in additional units. Generally contributions to and withdrawals from the trust are converted to units by dividing the amount of such transactions by the unit values as last determined and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent notes receivable are reclassified as distributions in accordance with terms of the Plan document. No allowance for credit losses has been recorded as of March 5, 2025 and December 31, 2024.

Payment of Benefits - Benefits are recorded when paid.

VIRTUAL INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD JANUARY 1, 2025 THROUGH MARCH 5, 2025 **MARCH 5, 2025 AND DECEMBER 31, 2024**

Note 2 - Summary of Significant Accounting Policies (Continued)

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 5, 2025. No excess contributions were identified for the period January 1, 2025 to March 5, 2025.

Income Tax Status - The Plan operates under a Fidelity non standardized pre-approved plan. The non standardized pre-approved Plan document being utilized obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Since that date, the Plan has been amended. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In determining the recognition of uncertain tax positions, the Plan applies a more-likely-than-not recognition threshold and determines the measurement of uncertain tax positions considering the amounts and probabilities of the outcomes that could be realized upon ultimate settlement with taxing authorities. As of March 5, 2025, the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is generally subject to potential examination by taxing jurisdictions for the prior three years. There are no tax audits in progress for any tax periods.

Subsequent Events - The date to which events occurring after March 5, 2025 have been evaluated for possible adjustment to the financial statements or disclosure is the date of the Independent Auditors' Report which is the date the financial statements were available to be issued.

Note 3 - Information Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments, at fair value, and notes receivable from participants held at March 5, 2025 and December 31, 2024, and realized and unrealized gains and losses, net, and interest and dividend income for the period January 1, 2025 to March 5, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

Note 4 - Fair Value Measurements

Fair value is defined under U.S. generally accepted accounting principles as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan is required to maximize the use of observable inputs, minimize the use of unobservable inputs, and disclose in the form of an outlined hierarchy the details of such fair value measurements. The hierarchy of valuation techniques is based on whether the inputs to fair value measurement are considered to be observable or unobservable in a marketplace. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. The hierarchy requires the use of observable market data. When available, these inputs have created the following fair value hierarchy:

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD JANUARY 1, 2025 THROUGH MARCH 5, 2025 **MARCH 5, 2025 AND DECEMBER 31, 2024**

Note 4 - Fair Value Measurements (Continued)

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than those included in Level 1. For example, quoted prices for similar assets in active markets or quoted prices for identical assets in inactive markets.

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in estimating the value of the assets.

Following is a description of the Plan's valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at March 5, 2025 and December 31, 2024.

Mutual Funds

These investments are public investment vehicles valued using the Net Asset Value ("NAV") provided by the administrator of the fund and calculated at the close of business on the NYSE. The NAV is based on the value of the underlying asset owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Investments in mutual funds are classified within Level 1 of the valuation hierarchy.

Common Collective Trust Fund

The Plan's investments in the common collective trust are public investment securities valued using the net asset value (NAV) provided by Morley Capital Management. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner. These investments measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented below are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table presents the financial instruments carried at fair value, by caption on the Statements of Net Assets Available for Benefits and by the valuation hierarchy (as described above) as of March 5, 2025 and December 31, 2024:

Note 4 - Fair Value Measurements (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024. There are no participant or plan redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Morley Stable Value	\$ 85,742	N/A	Daily	12 months

Note 5 - Related Party Transactions

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company, the trustee of the Plan. Accordingly, certain transactions qualify as party-in-interest transactions. Fidelity Workplace Services LLC is the recordkeeper of the Plan and Gallagher Fiduciary Advisors LLC is the advisor of the Plan. During the period January 1, 2025 to March 5, 2025, maintenance fees, advisory fees, and other administrative expenses totaling \$27,301 were charged to participant accounts and paid to the Plan's trustee, advisor, and recordkeeper. Notes receivable from participants also qualify as party-in-interest transactions. The Company, as plan sponsor, pays certain other administrative expenses of the Plan.

Note 6 - Notes Receivable from Participants

As of December 31, 2024, notes receivable from participants bore interest at rates ranging from 4.25% to 9.50%, with maturity dates ranging through July 2033. These notes receivable from participants totaled to \$136,796 and were included in the transfer of plan assets due to the merger.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
