## Independent Auditors' Report

To the Plan Trustee and Administrator of  
HEPA 401(k) Profit Sharing Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed the audit of the financial statements of the HEPA 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### ***In our opinion***

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## HEPA 401(k) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS

---

### Note 1 – Description of the Plan

The following description of the HEPA 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

*General* - The Plan is a defined contribution plan established by Hawaii Emergency Physicians Associated, Inc. (the "Company") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC for the benefit of eligible employees of the Company.

The Plan covers substantially all employees of the Company who have completed one year of service, as defined, are eligible to participate, provided they are at least twenty-one years of age. There is a waiver of service requirement allowing certain part-time employees who were employed on May 1, 2016 entrance into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

*Plan Administration* - The Plan is administered by the Company (the "Plan Administrator"). The duties of the Plan Administrator are to oversee the operations and administration of the Plan in accordance with the specific terms of the Plan, provide for prudent investment of Plan assets and keeping accurate records and reports. For the period January 1, 2024 through November 13, 2024 Newport Trust Company, LLC served as trustee and was responsible for the custody and management of the Plan's assets. For the period November 14, 2024 through December 31, 2024 Ascensus Trust Company served as the trustee and assumed responsibility for the custody and management of the Plans' assets.

*Contributions* - Participating employees and the Company make contributions to the Plan. A participant may make elective contributions (including ROTH), via salary deferrals, of their pretax compensation for the contribution period not to exceed \$23,000 for 2024. Participants that are age 50 or older may elect to contribute an additional \$7,500 for 2024.

Effective January 1, 2024, the Plan was amended allowing for safe harbor nonelective contributions. The Company may also make discretionary profit-sharing contributions. For the year ended December 31, 2024 the Company made safe harbor nonelective contributions in an amount equal to 3% of each participant's compensation. The Company also made a discretionary profit-sharing contribution to the Plan on behalf of each eligible participant for the year ended December 31, 2024.

*Participant Accounts* - Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching and other contributions, as well as the participant's share of investment income, appreciation (depreciation) and any related administrative expenses. The participant determines both the amount to be invested and the allocation of the investment to one or more of the investment alternatives. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting* - Participants are vested immediately in their contributions plus actual earnings thereon. Additionally, participants are 100% vested in employer nonelective contributions upon entering the Plan.

**HEPA 401(k) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

---

**Note 1 – Description of the Plan (continued)**

Investment Options - Upon enrollment in the Plan, a participant may direct the contributions made to the Plan to any one or more of the investment alternatives maintained by the Trustee, determined at the discretion of the participant and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. Participants may only have two loans outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 10.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may leave their account in the Plan, may elect to receive a single lump-sum payment in cash or may elect to receive installments. If the vested account balance is \$5,000 or less, the amount exceeding \$1,000 will be distributed to an Individual Retirement Account for the participant's benefit. Notwithstanding the above, the Trustee may distribute balances less than \$1,000 in a lump sum without the participant's consent. Participants are allowed to withdraw employee account balances prior to termination of their employment under certain conditions as specified in the Plan.

Administrative Expenses - Certain administrative expenses of the Plan are paid by the Plan. The remaining administrative expenses are paid by the Company. The Plan has no obligation to reimburse the Company for the expenses paid by the Company.

Forfeited Accounts - There are no forfeitures for this Plan as employee and employer contributions are 100% vested immediately.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting - The Plan's financial statements are prepared using the accrual method of accounting.

Benefit Payments - Benefit payments to participants are recorded when paid.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**HEPA 401(k) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

---

**Note 2 – Summary of Significant Accounting Policies (continued)**

*Investment Valuation and Income Recognition* - The Plan's investments in mutual funds, common/collective trusts, self-directed brokerage accounts including the Schwab Personal Choice Retirement Account ("PCRA") are stated at fair value. The self-directed brokerage accounts including the PCRA offers participants additional investment choices beyond the traditional Plan's investment options.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation (depreciation) of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year-end, is presented in the statement of changes in net assets available for benefits.

*Recent Accounting Pronouncements* - During the year ended December 31, 2024 and through December 16, 2025, there are no new accounting pronouncements issued by the Financial Accounting Standards Board (FASB) that will need to be adopted by the Plan.

*Subsequent Events* - In preparing the financial statements, the Plan's management has reviewed, as they have determined necessary, events that have occurred after December 31, 2024, up until the issuance of the financial statements, which occurred on December 16, 2025.

**Note 3 – Fair Value Measurements**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC")820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1** - Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2** - Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and
- Level 3** - Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants.

**HEPA 401(k) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

**Note 3 – Fair Value Measurements (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual funds:* Valued at the net asset value (“NAV”) of shares held by the Plan at year end.

*Common / collective trusts:* Valued at net asset value (“NAV”) per share or its equivalent of the funds, which are based on the fair value of the funds underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

*Self-directed brokerage accounts:* These funds are chosen by the participants and are valued at daily closing price, similar to mutual funds. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The self-directed funds are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

	Quoted Prices In Active Markets for Identical Assets	Significant Other Observable Inputs	Significant Unobservable	Total
	Level 1	Level 2	Level 3	
<b>December 31, 2024</b>				
Mutual funds	\$ 58,787,951	-	-	\$ 58,787,951
Self-directed brokerage accounts	2,944,824	-	-	2,944,824
Total investments in fair value hierarchy	\$ 61,732,775	\$ -	\$ -	\$ 61,732,775
Common / collective trusts (a)				<u>2,104,953</u>
Total investments at fair value				<u>\$63,837,728</u>
<b>December 31, 2023</b>				
Mutual funds	\$ 49,064,784	-	-	\$ 49,064,784
Self-directed brokerage accounts	2,492,664	-	-	2,492,664
Total investments in fair value hierarchy	\$ 51,557,449	\$ -	\$ -	\$ 51,557,449
Common / collective trusts (a)				<u>2,322,838</u>
Total investments at fair value				<u>\$53,880,286</u>

- (a) This investment is valued using NAV as a practical expedient and therefore has not been classified in the fair value hierarchy. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

### **Note 4 – Related-Party Transactions and Party-In-Interest Transactions**

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer, and certain others.

Newport Group, Inc. and Newport Trust Company, LLC were the Plan's third-party administrator and trustee, respectively, for the period January 1, 2024 through November 13, 2024 and Ascensus, LLC and Ascensus Trust Company were the Plan's third-party administrator and trustee, respectively, for the period November 14, 2024 through December 31, 2024. Newport Group Consulting, LLC was the Plan's investment advisor during the year ended December 31, 2024. Any transactions between these parties and the Plan qualify as party-in-interest transactions.

### **Note 5 – Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

### **Note 6 – Federal Income Tax Status**

The Plan, as originally drafted, is a non-standardized defined contribution pre-approved plan. The IRS has determined and informed the Plan Sponsor of the prototype plan by a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). However, a determination letter from the Internal Revenue Service has not yet been requested by the Plan Sponsor to determine if the Plan as amended was designed in accordance with applicable sections of the IRC. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audit for any tax periods in progress.

### **Note 7 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. The Plan further cautions that it is not possible to list such factors, and one should not consider the identified factors as a complete list of all risks and uncertainties.
