## Independent Auditor's Report

Board of Directors  
Cardiovascular Consultants of Kansas, P.A.  
401(k) Profit Sharing Plan  
Wichita, Kansas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Cardiovascular Consultants of Kansas, P.A. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting***

As discussed in Note 6 to the financial statements, the Board of Directors of Cardiovascular Consultants of Kansas, P.A., the Plan's sponsor, voted on February 11, 2025 to terminate the Plan and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters – Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1. Description of the Plan**

### ***General***

The following description of Cardiovascular Consultants of Kansas, P.A. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Cardiovascular Consultants of Kansas, P.A. (Company) for the benefit of its employees who are age 21 or older and have completed one year of service (1,000 hours). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Principal Trust Company (Principal) serve as Plan custodian.

Effective February 1, 2025, all Company employees were terminated. There were not any additional contributions to the Plan after March 5, 2025. As discussed in Note 6, the Plan was terminated effective February 24, 2025.

### ***Contributions***

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 25% of their eligible compensation. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company makes safe harbor nonelective contributions equal to 3% of the participant's compensation. In addition, the Company may make a discretionary nonelective contribution. Contributions are subject to certain limitations.

### ***Participant Investment Account Options***

Participants have the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's nonelective contribution and plan earnings and is charged with an allocation of administrative expenses and forfeitures of nonvested accounts. Allocations are based on participant earnings, compensation or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their voluntary contributions plus earnings (losses) thereon and in their employer safe harbor nonelective contribution. Vesting in the Company's discretionary nonelective contribution is based on years of continuous service. A participant is fully vested after six years of continuous service. The nonvested balance is forfeited upon termination of service.

### ***Payment of Benefits***

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the vested interest in their account or installments. Certain in-service withdrawals, including financial hardship withdrawals, are also available.

### ***Forfeited Accounts***

At both March 31, 2025 and 2024, forfeited nonvested accounts totaled \$569 and \$145, respectively. These accounts will be used to pay administrative expenses.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The Plan has changed its basis of accounting from the ongoing basis, used in presenting the 2023 financial statements, to the liquidation basis used in presenting the 2024 financial statements, in accordance with FASB ASC 205-30. The liquidation basis was adopted on February 11, 2025. Financial statements amounts for the period April 1, 2024 – February 10, 2025 were originally prepared under the going concern basis but are now presented under liquidation basis for consistency.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Pooled separate accounts are valued at estimated fair value as provided by Principal Life Insurance Company.

The Plan's investment in the Principal U.S. Property Separate Account is subject to certain restrictions including delaying the payment of most withdrawal or transfer requests, but for no more than three years from the effective date. In accordance with the terms of the plan's group annuity contract, delayed payment requests will be honored proportionately. This means transactions may be processed in a series of payments until enough cash is available to pay obligations. As of March 31, 2025, no participant distribution requests were pending due to withdrawal limitations.

The Plan's interest in the collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Contributions***

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

***Administrative Expenses***

Administrative expenses may be paid by the Company at the Company's discretion.

**Note 3. Certification of Plan Custodian**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of March 31, 2025 and 2024.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended March 31, 2025 and 2024.
- Investment information included in the accompanying schedule of assets (held at year-end) as of March 31, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

**Note 4. Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are units of pooled separate accounts managed by a related party of the custodian and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$24,303 and \$24,701 of recordkeeping fees to Principal during 2025 and 2024, respectively. The Company provides certain administrative services at no cost to the Plan.

**Note 5. Disclosures About Fair Value of Plan Assets**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

***Recurring Measurements***

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at March 31, 2025 and 2024:

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended 2025 and 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

***Investments***

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

**Notes to Financial Statements**  
**March 31, 2025 (In Liquidation) and 2024 (Ongoing)**

---

**Note 6. Plan Termination and Liquidation**

A resolution to terminate the Plan was adopted by the directors of the Plan and signed on February 11, 2025, and management determined liquidation was imminent on that date. Termination of the plan was effective February 24, 2025, at which date participants became fully vested in their employer contributions. Liquidation of the plan occurred in January, 2026.

As a result of the termination, the Plan's 2024 financial statements are presented on the liquidation basis of accounting.

**Note 7. Tax Status**

The Plan operates under an adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Bever Dye LC. This prototype plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service (IRC) stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code. The Plan has not requested or received a determination letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax exempt. See Note 6: Plan Termination and Liquidation

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8. Reconciliation of Financial Statements to Form 5500**

Nonexempt transactions for failure to remit participant contributions timely is \$704,247 on the financial statements and \$713,701 on the Form 5500 for the year ended March 31, 2024.

**Note 9. Nonexempt Transactions**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, before the 15<sup>th</sup> business day of the month following withholding, the contributions can be reasonably remitted sooner. As a result, contributions totaling \$704,247 were considered to not be remitted within the required time period for the years ended 2025 and 2024, respectively.

**Note 10. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 11. Subsequent Events**

Subsequent events have been evaluated through January 7, 2026, which is the date the financial statements were available to be issued.

## Required Communications Regarding Our Audit Strategy & Approach (AU-C 260)

### Overview & Responsibilities

Matter	Discussion
<b>Section 103(a)(3)(C) – 29 CFR 2520.103-8</b>	<p>Management has elected to have the audit of the Plan’s financial statements performed in accordance with the <i>Employee Retirement Income Security Act of 1974</i> (ERISA) Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.</p> <p>An audit performed in accordance with ERISA Section 103(a)(3)(C) does not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.</p> <p>Management has determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. Management has also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP) .</p>
<b>Purpose</b>	<p>The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.</p>
<b>Scope of Our Audit</b>	<p>This report covers audit results related to your financial statements:</p> <ul style="list-style-type: none"><li>• As of and for the year ended March 31, 2025.</li><li>• Conducted in accordance with our contract dated September 10, 2025.</li></ul>

Matter	Discussion
<b>Our Responsibilities</b>	Forvis Mazars is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management, with the oversight of those charged with governance, are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).
<b>Audit Scope &amp; Inherent Limitations to Reasonable Assurance</b>	An audit performed in accordance with auditing standards generally accepted in the United States of America GAAS is designed to obtain reasonable, rather than absolute, assurance about the financial statements. The scope of our audit tests was established in relation to the financial statements taken as a whole and did not include a detailed audit of all transactions.
<b>Extent of Our Communication</b>	In addition to areas of interest and noting prior communications made during other phases of the engagement, this report includes communications required in accordance with GAAS that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process, including audit approach, results, and internal control. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.
<b>Independence</b>	The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.
<b>Your Responsibilities</b>	Our audit does not relieve management or those charged with governance of your responsibilities. Your responsibilities and ours are further referenced in our contract.
<b>Distribution Restriction</b>	<p>This communication is intended solely for the information and use of the following and is not intended to be, and should not be, used by anyone other than these specified parties:</p> <ul style="list-style-type: none"> <li>• The Board of Director, Plan Administrator, and Management</li> <li>• Others within the Plan</li> </ul>

## Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

## Qualitative Aspects of Significant Accounting Policies & Practices

### Significant Accounting Policies

Significant accounting policies are described in Note 2 of the audited financial statements.

With respect to new accounting standards adopted during the year, we call to your attention the following topics detailed in the following pages:

### Unusual Policies or Methods

With respect to significant unusual accounting policies or accounting methods used for significant unusual transactions (significant transactions outside the normal course of business or that otherwise appear to be unusual due to their timing, size, or nature), we noted the following:

- No matters are reportable

### Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within GAAP for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

### Management Judgments & Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. Significant areas of such estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates include:

- Fair value of investments

### Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- ERISA Section 103(a)(3)(C) audit
- Related parties
- Fair value measurements
- Parties-in-interest transactions
- Risks and uncertainties
- Nonexempt transactions
- Plan termination and liquidation

### Our Judgment About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- No matters are reportable

## Adjustments Identified by Audit

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments that, in its judgment, are required to prevent the financial statements from being materially misstated.

A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework.

## Proposed & Recorded Adjustments

Auditor-proposed and management-recorded entries include the following:

- No matters are reportable

## Uncorrected Misstatements

No uncorrected misstatements.

## Reportable Findings

During the course of the audit, we have identified the following reportable findings that are considered significant and relevant to those charged with governance over the Plan:

- Ineligible distribution
- Record retention
- Plan number
- Employer Contributions
- Participating employers
- Lost earnings
- Cash-out distributions
- Deferrals on bonus compensation

See the “Required Communications Regarding Internal Control” that follows for more information on these reportable findings.

## Other Required Communications

### Significant Issues Discussed with Management

#### *During the Audit Process*

During the audit process, the following issues were discussed or were the subject of correspondence with management:

- Termination and liquidation basis of accounting

### Difficulties Encountered in Performing the Audit

Our audit requires cooperative effort between management and the audit team. During our audit, we found significant difficulties in working effectively on the following matters:

- The third-party administrator reporting is based off an August 1st year-end which is not aligned with the Plan's March 31st year-end date. This causes difficulties with obtaining adequate documentation and reports. We recommend that the plan administrator communicates with the third-party administrator about aligning the reporting dates with Plan's year-end.

### Other Material Communications

Listed below are other material communications between management and us related to the audit:

- Management representation letter (see Attachments)

# Required Communications Regarding Internal Control (AU-C 265)

## Consideration of Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of Cardiovascular Consultants of Kansas, P.A. 401(k) Profit Sharing Plan as of and for the year ended March 31, 2025, in accordance with auditing standards generally accepted in the United States of America (GAAS), we considered the Plan's internal control over financial reporting (internal control).

This consideration served as a basis for designing our audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements.

However, this consideration was **not** for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

## Categorizing Deficiencies by Severity

### Deficiency

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

### Significant Deficiency

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

### Material Weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatements of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

## Identified Deficiencies

We identified certain deficiencies in internal control that we consider to be material weaknesses and deficiencies..

### **Material Weaknesses**

- Ineligible Distribution

During our testing, we identified one participant who did not meet the eligibility requirements for a distribution per the plan document. This occurred because the participant was incorrectly reported as terminated to the third-party administrator. As a result, the participant incorrectly received a distribution of \$725,423. We recommend that management consult with ERISA counsel to evaluate this matter and determine necessary corrective actions.

### **Deficiencies**

- Record Retention

We noted several instances of records not maintained to support eligibility or participation in the Plan, including elective deferral form and support of approval of pay rates for participation in the Plan. We recommend documentation be obtained and maintained in employee files to support plan operations.

- Plan Number

The Plan document identifies the Plan with plan number 002. However, this has historically been filed as plan number 001 (other than for fiscal years ending March 31, 2022 and 2023). The IRS has subsequently inquired about the plan numbers and indicated this plan is plan number 001. We recommend management consult with ERISA counsel on this matter and potentially amend the Plan document to reflect the correct plan number.

- Employer Contributions

During our audit procedures, we noted that plan management incorrectly calculated the employer contribution for physicians, causing these participants to receive incorrect contributions for the plan year. We recommend management consult with ERISA Counsel or third-party administrator to determine whether corrective actions are necessary.

- Participating Employers

There is inconsistency in participating employers between the adoption agreement and summary plan description (SPD). The adoption agreement does not specifically include the legal entities for the physicians whereas the SPD does include all of them except one physician who participated during the year. The physicians had total contributions of \$302,780 during the plan year ended March 31, 2025. We also noted management did not provide an analysis of whether the plan was determined to be a single or multiple employer plan. We recommend management discuss with their ERISA attorney to determine if any changes to plan documents should be made.

- Loss Earnings

Remittances for certain pay periods were remitted to the Plan later than administratively feasible in prior years. The Plan had total delinquent contributions of \$704,247 as of the year ended March 31, 2025, including \$176,962 related to 2024, \$283,267 related to 2023 and \$244,018 related to 2022. Beginning in November 2022, management did begin segregating contributions for the Plan into a separate non-interest bearing bank account owned by the plan sponsor in a timely manner. However, the contributions for the Plan were not remitted to the Plan or third-party administrator in a timely manner and therefore did not include earnings. Department of Labor (DOL) Regulation 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. Failure to remit participant contributions to the Plan in a timely manner results in prohibited transactions which must be separately reported to the DOL and may result in lost earnings for the Plan and penalties to the Plan Sponsor. We recommend contacting an ERISA attorney to determine the number of years affected and any corrective actions needed. We also recommend making the corrections through the Voluntary Fiduciary Correction Program.

- Cash-out Distributions

The Plan document allows for terminated participants to automatically receive a benefit payment from the Plan if their account balance is less than \$7,000. We noted terminated participants with account balances less than \$7,000 still in the Plan. We note the balances were distributed subsequent to March 31, 2025 in conjunction with the liquidation of the plan.

- Deferrals on bonus compensation

During our audit procedures, we noted an instance where both employee and employer deferrals incorrectly calculated for one participant. This resulted in underwithholding of employee contributions and an excess employer contribution, stemming from complexities in determining the correct deferral amounts. The bonus was intended to be calculated on a net-of-tax and withholding basis rather than on a gross amount, but an error occurred in the calculation. We recommend that management consult with ERISA counsel or a qualified third-party administrator to confirm whether corrective actions are necessary and ensure they are implemented appropriately.

*Provided to:*

**Forvis Mazars, LLP**

Certified Public Accountants  
1551 N. Waterfront Parkway, Suite 300  
Wichita, KS 67206

The undersigned ("We") are providing this letter in connection with Forvis Mazars' audits of the financial statements of Cardiovascular Consultants of Kansas, P.A. 401(k) Profit Sharing Plan (the Plan) as of and for the years ended March 31, 2025 and 2024 and supplemental schedules as of March 31, 2025.

Our representations are current and effective as of the date of Forvis Mazars' report: January 7, 2026.

Our engagement with Forvis Mazars is based on our contract for services dated: September 10, 2025.

### **Our Responsibility & Consideration of Material Matters**

We confirm that we are responsible for the fair presentation of the financial statements subject to Forvis Mazars' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's (DOL) Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audit(s) of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit(s) did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

### **Confirmation of Matters Specific to the Subject Matter of Forvis Mazars' Report**

We confirm, to the best of our knowledge and belief, the following:

#### ***Broad Matters***

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America .
2. We acknowledge our responsibility for the design, implementation, and maintenance of:
  - a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
  - b. Internal control to prevent and detect fraud.
3. We have provided you with:
  - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
  - b. The most current Plan instrument for the audit period, including all Plan amendments.
  - c. A draft of the Form 5500 that is substantially complete.
  - d. Additional information that you have requested from us for the purpose of the audit.
  - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
  - f. There were no minutes recorded for the administrative committee meetings held through the date of this letter.
  - g. All significant contracts.
4. We have disclosed to you all instances in which artificial intelligence (AI) systems or tools were used related to financial reporting, internal controls, and other processes relevant to the financial statements. We acknowledge our responsibility for the design, implementation, and maintenance of internal controls related to the use of AI.
5. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
6. We have responded fully and truthfully to all your inquiries.

***Plan Design & Operations***

7. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
8. The financial statements of the Plan as of and for the years ended March 31, 2025, are presented on the liquidation basis of accounting. With respect to that:
  - a. The liquidation of the Plan became imminent as of February 11, 2025, as provided to you.
  - b. The plan for liquidation was approved on February 11, 2025, as provided to you.
  - c. We are responsible for the significant assumptions and methods used to determine the amounts expected to be collected during liquidation.
  - d. Assets of the Plan reflect their best estimate of the amount of cash or other consideration that the Plan expects to collect in settling or disposing of those assets in carrying out its liquidation.
  - e. To the best of our knowledge and belief, the Plan will not return from liquidation.
9. The adoption date of the most recent plan amendment was February 11, 2025 as provided to you.
10. The Plan operates under an adoption agreement in connection with a prototype 401(k) profitsharing plan and trust sponsored by Bever Dye LC. This prototype plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service (IRC) stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code. The Plan has not requested or received a determination letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.
11. The Plan has complied with the fidelity bonding requirements of ERISA.
12. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
13. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.
14. We have complied with the DOL's regulations concerning the timely remittance of participant contributions, with the exception of those disclosed in the financial statements.
15. As applicable, we have complied with the DOL's regulations concerning the services provider fee disclosures in accordance with Section 408(b)(2).

16. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the Plan Sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.

***Misappropriation, Misstatements, & Fraud***

17. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
- a. Misappropriation of assets.
  - b. Misrepresented or misstated assets or liabilities.
18. We have no knowledge of fraud or suspected fraud affecting the Plan involving:
- a. Management or employees who have significant roles in internal control over financial reporting, or
  - b. Others when the fraud could have a material effect on the financial statements.
19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
20. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.

***Related Parties & Parties-in-Interest***

21. We have disclosed to you the identity of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships of which we are aware.

In addition, we have disclosed to you all related-party transactions and amounts receivable from or payable to related parties of which we are aware, including any modifications during the year that were made to related-party transaction agreements which existed prior to the beginning of the year under audit, as well as new related-party transaction agreements that were executed during the year under audit.

Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

22. We understand that the term related-party refers to:
- Affiliates
  - Entities for which investments are accounted for by the equity method
  - Trusts for the benefits of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management
  - Principal owners and members of their immediate families
  - Management and members of their immediate families

- Any other party with which the Plan may deal if one party can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

Another party is also a related party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the Plan.

### ***Litigation, Laws, Rulings & Regulations***

23. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
24. We have no knowledge of communications, other than those specifically disclosed, from regulatory agencies, governmental representatives, employees, or others concerning investigations or allegations of noncompliance with laws and regulations, deficiencies in financial reporting practices, or other matters that could have a material adverse effect on the financial statements.
25. We have disclosed to you all known instances of violations or noncompliance or possible violations or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements or as a basis for recording a loss contingency.
26. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the Plan.

### ***Nonattest Services***

27. You have provided nonattest services, including the following, during the period of this engagement:
  - Preparing a draft of the financial statements and related notes and supplemental schedules
  - Preparing a trial balance based on information provided by the third-party administrator
  - Preparing entries to convert cash basis accounting records to accrual basis accounting records, if applicable
28. With respect to these services:
  - a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
  - b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
  - c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.

- d. We have evaluated the adequacy of the services performed and any findings that resulted.
- e. We have established and maintained internal controls, including monitoring ongoing activities.
- f. When we receive final deliverables from you we will store those deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

***Financial Statements & Reports***

- 29. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.
- 30. With regard to supplemental schedules:
  - a. We acknowledge our responsibility for the fair presentation of the supplemental schedules including its form and content in conformity with relevant regulatory requirements or other applicable criteria.
  - b. The methods of measurement and presentation of the supplemental schedules are unchanged from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
  - c. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplemental schedules are reasonable and appropriate.
  - d. The supplemental schedules including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

***Transactions, Records, & Adjustments***

- 31. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 32. We have everything we need to keep our books and records.
- 33. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions.
- 34. There are no uncorrected misstatements or omitted disclosures.

***Accounting & Disclosure***

- 35. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.
- 36. Except as reflected in the financial statements, there are no:
  - a. Plans or intentions that may materially affect carrying values of assets, liabilities or net assets.
  - b. Material transactions omitted or improperly recorded in the financial records.

- c. Material unasserted claims or assessments that are probable of assertion or other gain/loss contingencies requiring accrual or disclosure in accordance with Accounting Standards Codification (ASC) Topic 450, *Contingencies*, including those arising from environmental remediation obligations.
  - d. Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter, which is the date the financial statements were available to be issued, requiring adjustment or disclosure in the financial statements.
  - e. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
37. Except as disclosed in the financial statements, the Plan has:
- a. Satisfactory title to all recorded assets, and those assets are not subject to any liens, pledges, or other encumbrances.
  - b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

***Receivables***

38. No allowances have been accrued for any material losses from uncollectible receivables.

***Estimates***

39. We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by the Plan in making the accounting estimates, including those measured at fair value reported in the financial statements.
40. Significant estimates that may be subject to a material change in the near term have been properly disclosed in the financial statements. We understand that "near term" means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations, which refer to volumes of loans, investments, or deposits, existing at the date of the financial statements that would make the Plan vulnerable to the risk of severe impact in the near term that have not been properly disclosed in the financial statements.

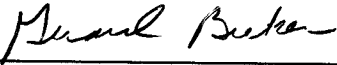

***Fair Value***

41. With respect to the fair value measurements of financial assets and liabilities, recognized in the financial statements or disclosed in the notes thereto:
- a. The underlying assumptions are reasonable and they appropriately reflect management's intent and ability to carry out its stated course of action.
  - b. The measurement methods and significant assumptions used in determining fair value are appropriate in the circumstances for financial statement measurement and disclosure purposes and have been consistently applied.
  - c. The significant assumptions appropriately reflect market participant assumptions.
  - d. The disclosures related to fair values are complete, adequate, and in conformity with accounting principles generally accepted in the United States of America.

- e. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.

***Investments***

- 42. Investments are properly measured at fair value, except for fully benefit responsive investment contracts which are reported at contract value. Investments measured at fair value include:
  - a. Investments with a readily determinable fair value that are reported at net asset value (NAV) per share/unit.
