INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Red River Human Services Foundation Profit Sharing Plan
Fargo, North Dakota

Opinion

We have audited the financial statements of **Red River Human Services Foundation Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – (modified cash basis) as of June 30, 2025 and 2024, the related statement of changes in net assets available for benefits – (modified cash basis) for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the accompany financial statements present fairly, in all material respects, the net assets available for benefits – (modified cash basis) of **Red River Human Services Foundation Profit Sharing Plan** as of June 30, 2025 and 2024, and the changes in net assets available for benefits – (modified cash basis) for the year ended June 30, 2025, in accordance with modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Red River Human Services Foundation Profit Sharing Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with modified cash basis of accounting described in Note 2, and for determining that modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Red River Human Services Foundation Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Red River Human Services Foundation Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i - Schedule of Assets (held at the end of the year) as of June 30, 2025, referred to as "supplemental information" is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to

prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RED RIVER HUMAN SERVICES FOUNDATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Red River Human Services Foundation Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Basic Plan Document and Plan Adoption Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of Red River Human Services Foundation (“the Foundation”) who have completed at least 1,000 hours of service and are age 21 or older for profit sharing contributions, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

The Foundation may elect to make a discretionary nonelective contribution that is determined on an annual basis for all eligible participants.

Forfeited accounts can be reallocated to reduce employer discretionary contributions to participants within the Plan. Contributions are subject to limitations outlined in the Internal Revenue Codes.

Participant Accounts

Each participant’s account is credited with the allocations of (a) Foundation’s contribution, (b) Plan earnings, and charged with assessed investment fees based on percentages of account balances and an additional \$25 for each participant account. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Employer nonelective contributions are subject to a three-year vesting schedule as follows:

<u>Year</u>	<u>Vesting Percentage</u>
Less than three years of service	0%
Three or more years of service	100%

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the offered investment options. Participants may change their investment options daily.

Notes Receivable from Participants

Participant loans are not allowed under the Plan.

RED RIVER HUMAN SERVICES FOUNDATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

Payment of Benefits

Upon separation of service due to death a complete distribution shall be made by December 31 of the calendar year containing the fifth anniversary of the participant's death or distributions may be made over the life or a period not greater than the life expectancy of the beneficiary commencing on or before December 31 of the calendar year immediately following the calendar year of the participants death.

Upon separation of employment not due to death, the participant may elect to rollover the distribution to an Individual Retirement Account ("IRA") or to another qualified account or take a cash lump sum distribution as soon as administratively feasible with the final lump sum payment consisting of any allocations after separation of employment. If the vested amount of a participant's account does not exceed \$5,000, the vested account balance will be distributed from the Plan. If no election is made and the account balance is between \$1,000 and \$5,000 the Plan Administrator must transfer the vested account to an IRA designed to preserve principal and provide a reasonable rate of return on liquidity. If no election is made and the participant's account balance is less than \$1,000, the vested balance will be distributed to the participant. Minimum distributions are required at age 73.

Forfeited Accounts

Forfeiture occurs when a participant terminates employment and all of the participant's employer contributions are not vested. The nonvested portion is forfeited immediately if the participant either has no vested interest upon termination of employment or receives a distribution of the entire vested interest when the participant terminates employment. If none of these circumstances exist, nonvested balances are forfeited upon the completion of five consecutive years in which the Participant works fewer than twelve months.

Forfeitures may be used to restore participant accounts, reduce employer contributions, pay any administrative expenses, or may be allocated to participants. During the year ended June 30, 2025, forfeitures of \$-0- were used to restore participant accounts. Forfeitures of \$14,736 were used in the year ended June 30, 2025, to be allocated to participants. No forfeitures were used in the year ended June 30, 2025, to pay plan fees or reduce plan contributions. At June 30, 2025 and 2024, forfeited non-vested accounts of terminated employees totaled \$12 and \$3.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements of the Plan have been prepared, on the modified cash basis method of accounting. Investment income is recognized when received, and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements are not presented in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

RED RIVER HUMAN SERVICES FOUNDATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with general administration of the Plan that are paid by the Plan are recorded as deduction in the accompanying statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded in the ex-dividend date. Interest income is recorded on the modified cash basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings in Form 5500 due to different reporting requirements on Form 5500.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

The Plan's management has evaluated subsequent events through the date of the auditor's report, which is the date which the financial statements were available to be issued. Management believes that there have been no significant subsequent events where disclosures are required.

NOTE 3 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy in accordance with ASC 820 *Fair Value Measurements* are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets and inputs other than quoted prices that are observable for the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") of shares held by the plan at year-end. Mutual funds held by the Plan are deemed to be actively traded.

RED RIVER HUMAN SERVICES FOUNDATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value reported on a recurring basis as of June 30:

	2025			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ <u>14,118,591</u>	\$ <u>14,118,591</u>	\$ <u>-</u>	\$ <u>-</u>

	2024			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ <u>12,969,689</u>	\$ <u>12,969,689</u>	\$ <u>-</u>	\$ <u>-</u>

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Foundation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 – TAX STATUS

On June 30, 2020, the Internal Revenue Service determined and informed the trustees by opinion letter that the Non-standardized Pre-approved Profit-Sharing Plan with CODA, as amended in 2018, is acceptable under section 401 of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since adopting the Pre-approved Profit-Sharing Plan. The Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(k) and is tax-exempt as of June 30, 2025. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2025, there are no uncertain positions taken.

NOTE 6 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Foundation provides certain accounting and administrative services to the Plan, for which no fees are charged. Certain trustee fees based on Plan assets are paid by the Foundation on behalf of the Plan. These fees would otherwise be paid by the Plan. The amount of trustee fees paid by the Plan totaled \$4,975 in the year ended June 30, 2025.

Certain plan investments are in shares of mutual funds managed by American Century Investments, the custodian, as defined by the Plan and therefore, these transactions qualify as party-in-interest.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

As of June 30, 2025 and 2024, the Plan had investments concentrated in three and two funds of \$5,422,272 and \$3,698,769, respectively.
