INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Plumbers Local Union No. 17 Annuity Fund
Goodlettsville, Tennessee

Opinion

We have audited the financial statements of the **Plumbers Local Union No. 17 Annuity Fund**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the **Plumbers Local Union No. 17 Annuity Fund** as of March 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are required to be independent of **Plumbers Local Union No. 17 Annuity Fund** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plumbers Local Union No. 17 Annuity Fund's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Plumbers Local Union No. 17 Annuity Fund's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plumbers Local Union No. 17 Annuity Fund's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules for the years ended March 31, 2025 and 2024, together referred to as "supplemental information", are presented for the purpose of additional analyses and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

PLUMBERS LOCAL UNION NO. 17 ANNUITY FUND

MARCH 31, 2025

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the **Plumbers Local Union No. 17 Annuity Fund** provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

1. **General** - The Plan was established November 1, 2018 as a result of a collective bargaining agreement between the Union and various employers to provide retirement benefits to eligible participants. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is financed by employer contributions as specified in the collective bargaining agreement and earnings from investments. The Board of Trustees is responsible for all aspects of the administration and operation of the Plan.
2. **Contributions/Funding policy** - Each month, the employers of the participants make contributions to the Plan based on the collective bargaining agreement. The collective bargaining agreement currently provides for contribution rates from \$1.00 to \$2.20 per hour worked by participants. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).
3. **Investments** - The investments are directed by the Board of Trustees and, therefore, are not participant-directed.
4. **Participant accounts** - On the valuation date, each participant's account is credited with the contributions made for that participant plus an allocation of investment income earned during the period minus an allocation of the Plan's operating expenses for the period. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
5. **Vesting** - Participants are immediately vested in their respective accumulated account balances.
6. **Retirement benefits** - Retirement benefits under the Plan are payable in the form of a single lump sum payment.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

7. **Pre-Retirement death benefits** - In the event that a participant dies before their account has been paid to them, the balance accumulated in the participant's account will be payable to the spouse of the participant. The spouse will receive the balance of the account in the form of a single lump sum payment. If the participant is unmarried at the time of their death, their beneficiary shall be entitled to receive the balance of the participant's individual account in the form of a single lump sum payment.
8. **Disability benefits** - In the event a participant becomes totally and permanently disabled prior to their normal retirement date they shall be entitled to a distribution of their full accumulated account balance in the form of a single lump sum payment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.
- B. **Cash and cash equivalents** - Cash and cash equivalents include all short-term highly liquid investments that have original maturities of three months or less, including the Fund's general checking and sweep accounts with Regions Bank.
- C. **Investment valuation and income recognition** - The Plan's investments are reported at fair value except for the guaranteed investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the value stipulated in the contract. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians. See Note 7 for a discussion of contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses include the Plan's gains and losses on investments sold during the year. Unrealized gains and losses include the Plan's gains and losses on investments held during and as of the year end.

ANNUITY FUND**

MARCH 31, 2025

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- D. **Use of estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- E. **Payment of benefits** - Benefits are recorded when paid.
- F. **Administrative expenses** - The Plan's expenses are paid by the Plan.
- G. **Subsequent events** - The Plan has evaluated subsequent events through November 10, 2025, the date the financial statements were available to be issued.

NOTE 3 - PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. However, in the event of termination and in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than for the exclusive benefit of the employees or their eligible dependents. In the event the Fund terminates, the net assets of the Fund will be allocated as prescribed by ERISA and its related regulations. Participants should refer to the Agreement and Declaration of Trust for a complete description of the Plan's termination provisions.

NOTE 4 - INCOME TAX STATUS

The Internal Revenue Service has advised that the Plan and Trust qualify under the applicable sections of the Internal Revenue Code. The Plan obtained its latest determination letter on May 22, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related Trust is tax-exempt. Consequently, no provision for income taxes has been included in the Plan's financial statements.

MARCH 31, 2025

NOTE 4 - INCOME TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - EMPLOYER CONTRIBUTIONS RECEIVABLE

Employer contributions receivable represents the total of employers' contribution reports that were applicable to the periods prior to April 1st which were received during a period of time following the close of the year. These amounts do not reflect any amounts due from employers who are contractually liable to the Plan that have failed to file the required reports of covered workers in their employ during the period under review.

NOTE 6 - INVESTMENTS

The Fund's investment portfolio as of March 31, 2025, consisted of:

	<u>Contract Value at 03/31/24</u>	<u>Net Investments Purchased (Sold)</u>	<u>Net Appreciation (Depreciation) in Fair Value</u>	<u>Contract Value at 03/31/25</u>
Guaranteed investment contracts	<u>\$1,901,935</u>	<u>\$ 691,107</u>	<u>\$ 0</u>	<u>\$2,593,042</u>

Please note that a change in interest rates could affect the value of plan assets.

NOTE 7 - GUARANTEED INVESTMENT CONTRACTS AT CONTRACT VALUE

The Plan invests in guaranteed investment contracts with MetLife and Principal Life. The insurance companies maintain these funds in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The investment contracts are fully benefit-responsive.

The contracts meet the fully benefit-responsive criteria; therefore, the investments are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plumbers Local Union No. 17 is a local union doing business in the Memphis Tennessee Area. Consequently, concentration of the employers contributing to the Annuity Fund in the Memphis Tennessee Area subjects the Fund to the risks associated with the economy in this area.

MARCH 31, 2025

NOTE 9 - CONCENTRATION RISK

During the year, Tri-State Plumbing (35.1%), White Plumbing & Mechanical (9.8%), Damon-Marcus Company (7.9%), and Gipson Mechanical (7.9%) contributed 60.7% of all contributions made to the Plan. A withdrawal by these employers would have a significant impact upon the Plan.

NOTE 10 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan paid all expenses related to operations to various service providers. These transactions are party-in-interest transactions under ERISA. Of note, Southern Benefit Administrators, Inc., is the Plan's third-party administrator and benefits payer; Regions Bank is the custodian of the Plan's checking and money market sweep accounts; and MetLife and Principal Life are the custodians of the Plan's guaranteed investment contracts.
