Independent Auditors' Report

The Trustees and Plan Administrator
Cox Interior, Inc. Employee Stock Ownership Plan

Opinion

We have audited the accompanying financial statements of the Cox Interior, Inc. Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits - liquidation basis as of October 16, 2025 and October 31, 2024, the related statement of changes in net assets available for benefits - liquidation basis for the period from November 1, 2024 to October 16, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits - liquidation basis of the Plan as of October 16, 2025 and October 31, 2024, and the changes in net assets available for benefits - liquidation basis for the period from November 1, 2024 to October 16, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1(a) to the financial statements, the Plan Sponsor approved a plan of liquidation on June 30, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis to the liquidation basis used in presenting the 2025 and 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

COX INTERIOR, INC. EMPLOYEE STOCK OWNERSHIP PLAN

Notes to the Financial Statements - Liquidation Basis

October 16, 2025 and October 31, 2024

(1) Description of plan

The following description of the Cox Interior, Inc. Employee Stock Ownership Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was established by Cox Interior, Inc. (the "Plan Sponsor" and/or the "Company"), effective as of November 1, 2000. The Plan operates as a leveraged employee stock ownership plan ("ESOP"). It is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended ("Code"), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On October 30, 2001, the Plan purchased 100% of the outstanding common stock of the Plan Sponsor in a leveraged buyout. The stock purchase was financed by a loan from the Plan Sponsor to the Plan, which has been reflected in the accompanying financial statements. Effective May 31, 2012, the number of authorized shares of Plan Sponsor common stock was increased from 800,000 to 3,200,000, which reduced the Plan's ownership of the Plan Sponsor from 100% to 25%. Concurrent with this change, the loan agreement with the Plan Sponsor was amended. The stock is held in a trust established under the Plan. The Plan is administered by an Administration Committee appointed by the Plan Sponsor's board of directors. The Plan's Trustees are the three individuals who own 75% of the Plan Sponsor's common stock.

During 2023, the Company entered into an asset purchase agreement to sell all shares of Company stock. Concurrently, the Plan began the process of termination. When liquidation of the Plan was determined to be imminent, all participants became fully vested, and the Plan Sponsor distributed allocated shares of Plan assets to participants. The final distribution of plan assets were distributed to participants on October 16, 2025, and the Plan was terminated.

(b) Eligibility

Effective June 23, 2023, the Plan was amended to freeze eligibility. Prior to June 23, 2023, the Plan covered all employees of the Plan Sponsor who have reached the age of 21 years, have completed twelve consecutive months of service with 1,000 hours worked during that period, and who are not leased employees, nonresident aliens, or employees covered under a collective bargaining arrangement ("participant"). Participants who have at least one hour of service during a Plan year are eligible for an allocation of Plan Sponsor contributions for such year. If a participant terminates employment, but is reemployed before a one-year break in service, the employee will continue to participate as if such termination had not occurred. However, if a one-year break in service does occur, the employee must complete another year of service in order to re-enter the Plan and receive credit for prior service performed.

Notes to the Financial Statements - Liquidation Basis

October 16, 2025 and October 31, 2024

(c) Payment of benefits

No distributions from the Plan were made until a participant retired, died (in which case payment was made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminated employment with the Plan Sponsor. Distributions could be made either in cash or stock, as the Administration Committee elects. However, if stock was distributed it must be sold back to the Plan Sponsor immediately upon such distribution. The Plan sold its shares of Plan Sponsor common stock during 2023, and distributions were made to participants in cash.

(d) Participant accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each Plan year with an allocation of shares of the Plan Sponsor's common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' nonvested accounts. Eligible employees of the Plan Sponsor receive an allocation based on the ratio of each participant's eligible compensation for the year to the total eligible compensation of all participants. Investment earnings, dividends, and expenses are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to the total beginning of the year account balances of all participants.

(2) Summary of significant accounting policies

(a) Basis of accounting

As described in Note 1(a) of the financial statements, the Plan Sponsor elected to terminate the Plan. In accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), the Plan has changed its basis of accounting to the liquidation basis of accounting.

(b) Payment of benefits

Benefits are recognized in the year paid.

(c) Operating expenses

The Plan pays fees to certain third-party service providers related to the termination and wind-down of the Plan.

COX INTERIOR, INC. EMPLOYEE STOCK OWNERSHIP PLAN

Notes to the Financial Statements - Liquidation Basis

October 16, 2025 and October 31, 2024

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between October 16, 2025 and December 19, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Administration of Plan assets

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

(4) Income tax status

The Plan obtained a favorable determination letter on October 18, 2013, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Code. The Plan will receive a new determination letter in connection with the termination of the Plan. The Plan Sponsor has applied for the new determination letter although it has not been received as of the date of this report.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has concluded that as of October 16, 2025 and October 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress.

(5) Related party and party-in-interest transactions

Parties-in-interest are defined under the United States Department of Labor Regulations as any party providing fiduciary or other services to the Plan, the Plan Sponsor, and certain others.

The Plan and Plan Sponsor had certain service providers that qualify as parties-in-interest. FORVIS, LLP, third party administrator and LBMC, PC, Plan auditor, all qualify as parties-in-interest.
