INDEPENDENT AUDITORS' REPORT

TO THE INVESTMENT COMMITTEE OF JUST MEDIA, INC. 401(k) PROFIT SHARING PLAN & TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Just Media, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H – Line 4a: Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H – Line 4i: Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JUST MEDIA, INC. 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Just Media, Inc. 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan which was established on January 1, 2002, as most recently amended effective September 9, 2022, to provide retirement benefits for eligible employees of Just Media, Inc. (the “Company”). The Plan covers all eligible employees who have completed one month of service, attained 21 years of age and are not covered by a collective bargaining agreement or are nonresident aliens. Eligible participants are permitted to enroll in the Plan on the first day of the month coinciding with the employee meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan’s provisions, ensuring that the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law. The Plan’s Investment Committee is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Participant Contributions – Participants in the Plan may elect to contribute, on a pretax or post-tax (“Roth”) basis, either a percentage or set dollar amount of annual eligible compensation, as defined by the Plan agreement. Employees who have completed one month of service and meet the eligibility requirements are automatically enrolled to participate in the Plan on the first day of the month after becoming eligible to participate. The default contribution rate is 3% of eligible pre-tax compensation; however, employees may elect to voluntarily contribute any dollar amount or percentage of their eligible compensation up to 100%, subject to the limitations imposed by the IRC. For the year ended December 31, 2023, the annual limitation was \$22,500. Participants who have attained at least 50 years of age may make additional catch-up contributions up to \$7,500 annually. Participants may also make rollover contributions representing distributions from an eligible retirement plan. Participant contributions are vested and nonforfeitable at all times.

Employer Contributions – The Company makes safe harbor matching contributions equal to 100% of the first 3% of participant’s eligible compensation, and 50% of the next 2% of participant’s eligible compensation calculated for each payroll period. Additionally, the Company may make discretionary nonelective contributions determined by the Company for each plan year. Participants must complete at least 1,000 hours of service during the plan year to be eligible to receive safe harbor matching and discretionary nonelective contributions. There were no discretionary nonelective contributions during the year ended December 31, 2023.

JUST MEDIA, INC. 401(k) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts – Each participant's account is credited with the participant's contributions, rollover contributions and allocations of the employer contribution and Plan investment earnings or losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting – Participants are immediately vested in their voluntary contributions, employer contributions and rollover contributions plus actual earnings or losses thereon.

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into various funds available through the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loans must be repaid within a 5 year period, unless the proceeds are used for the purchase of a principal residence, in which case the maximum repayment period may be up to 10 years. The loans are collateralized by the vested balance in the participant's account and bear fixed interest at a rate determined by the plan administrator. Principal and interest are paid ratably through payroll deductions and loans are due immediately upon termination of employment.

Payment of Benefits – On termination of service due to normal retirement, disability, death, or termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, installments or partial withdrawals. A participant who has reached 59 ½ years of age may elect to receive a pre-retirement distribution. In-service withdrawals of a participant's pre-tax contribution account are also allowed in cases of proven financial hardship, subject to a \$500 minimum. Upon termination, if a participant's account balance is less than \$5,000 but greater than or equal to \$1,000 upon termination of service, and the participant fails to elect a lump-sum cash out or rollover into another qualified plan, a distribution of the participant's account will be automatically rolled over into an individual retirement account that is designated by the plan administrator. The payment of benefits to retired participants is required to begin no later than April 1st following the end of the year in which the participant reaches 73 years of age.

Forfeited Accounts – Forfeited amounts arose when there were excess employer contributions and could be used to pay administrative expenses and fund future employer contributions at the discretion of the Company. As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$683 and \$1,060, respectively. During the year ended December 31, 2023, \$600 of forfeitures were used to pay administrative expenses.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan’s financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisors and the trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Contributions – Contributions from Plan participants and the matching contributions from the Company are recorded in the Plan year which coincides with the payroll pay date.

Notes Receivable from Participants – Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses paid from the Plan’s assets are proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees for recordkeeping services. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are required to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

		2023			
		Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:					
Mutual Funds		\$ 7,647,079	\$ -	\$ -	\$ 7,647,079
		2022			
		Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:					
Mutual Funds		\$ 5,559,150	\$ -	\$ -	\$ 5,559,150

Investments in three and four of the Plan's investment options made up 43% and 42% of total investments as of December 31, 2023 and 2022, respectively. Additionally, as of December 31, 2023 and 2022, the aggregate of the target date funds represents 60% of total investments.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the trustee, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the Statements of Net Assets Available for Benefits and in Note 3 as of December 31, 2023 and 2022, the supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment income (loss) and interest income on notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. The Plan has adopted the Fidelity Pre-Approved Defined Contribution Plan which received a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, in which the IRS states that the Plan, as then designed was in accordance with the applicable requirements of the IRC. Although the Plan has not received a separate determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and; therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of various funds managed by affiliates of Fidelity. Fidelity serves as the trustee as defined by the Plan and therefore, these transactions with the affiliate qualify as party-in-interest transactions.

The affiliates of Fidelity provides certain administrative services to the Plan under a service agreement between the Plan and the affiliates of Fidelity. The affiliates of Fidelity receives revenue from mutual fund service providers for services the affiliates of Fidelity provides to the funds. This revenue is used to pay certain amounts owed to Fidelity and its affiliates for its administrative services to the Plan. Because these fees are paid through this revenue sharing arrangement, rather than a direct payment, they are included in net appreciation or depreciation in fair value of investments. If the revenue received from services provided to the funds exceeds the amount owed under the service agreement, the affiliates of Fidelity will remit the excess to the Plan. The Plan or Plan sponsor may make a payment to Fidelity and its affiliates for administration expenses not covered by this revenue sharing arrangement.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the years ended December 31, 2023, 2022, 2021 and 2020, there were unintentional delays by the Company in remitting employee contributions and loan repayments to Fidelity amounting to \$525,263, \$711,664, \$568,038 and \$379,989, respectively, within the period prescribed by the Department of Labor's regulations. In December 2025, the Company completed the computation of lost earnings for all delinquent employee contributions and loan repayments totaling \$2,184,954 and remitted the lost earnings amounting to \$1,132 to Fidelity. On January 7, 2026, those lost earnings were allocated to the impacted participant accounts.

NOTE 10 – PLAN OPERATIONAL ERROR

During the year ended December 31, 2023, the Plan sponsor discovered safe harbor matching contributions were erroneously missed for one participant. Once the error was discovered, the missed safe harbor matching contributions and lost earnings were made on the participant's behalf in 2024.

NOTE 11 – SUBSEQUENT EVENTS

In accordance with SECURE 2.0 Act, effective January 1, 2024, if a terminated participant's account balance is between \$1,000 and \$7,000, and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account as designated by the plan administrator. As disclosed in Note 1, the previous upper limit was \$5,000.

The Plan administrator has evaluated subsequent events through January 12, 2026, the date the financial statements were available to be issued.
