Plan Administrator
Huebsch Laundry Co. 401(k) Profit Sharing Plan
Eau Claire, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Huebsch Laundry Co. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 07, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Huebsch Laundry Co. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended August 07, 2025 and December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Huebsch Laundry Co. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

We draw attention to Note 4 of the financial statements, which describes the Company's decision to terminate the Huebsch Laundry Co. 401(k) Profit Sharing Plan. Our opinion is not modified in respect of this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Huebsch Laundry Co. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Huebsch Laundry Co. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Huebsch Laundry Co. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HUEBSCH LAUNDRY CO. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
August 07, 2025 and December 31, 2024

Note 1 DESCRIPTION OF PLAN

General

The Huebsch Laundry Co. 401(k) Profit Sharing Plan (the Plan) is a defined contribution plan covering all full-time employees of the Company who have completed 2 months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Administrative Expenses

Administrative expenses are generally paid by the Plan or may be paid from forfeitures at the direction of the Plan administrator. The Plan sponsor may elect to pay plan expenses.

Contributions

Each payroll period, participants may elect to contribute either pre-tax or post-tax deferrals, as defined in the Plan document. Participants are automatically enrolled with automatic increases each year with the ability to opt out. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions and account balances into the available investment options offered by the Plan. Participants may change their investments on a daily basis. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Company may authorize discretionary employer regular matching contributions in accordance with provisions specified in the Plan document.

The Board of Directors of the Company may also authorize a discretionary profit-sharing contribution to the Plan. The participants do not need to make salary reduction contributions to share in the profit-sharing contribution. Such contributions are allocated to participants using a compensation-based formula. At August 07, 2025 and December 31, 2024, the Plan had not accrued a discretionary profit sharing contribution.

The Plan provides for qualified non-elective matching and profit-sharing contributions if needed. All contributions to the Plan are subject to certain limitations. In addition, The Plan provides both auto-enrollment and auto-escalation features. An initial auto-enrollment of 1% goes into effect in the second plan year after the participant becomes eligible. An auto-escalation occurs each year, escalating by 1% yearly to a maximum of 3% each year.

Note 1 DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and forfeitures. Also, the participant may be credited with an allocation of the additional profit sharing contribution and the employer matching contribution, if any. Allocations of profit sharing contributions are based on a compensation based formula. Plan earnings are allocated based on participant account balances. Each account may be charged with an allocation of fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested in employer contributions and profit sharing after six years of credited service. A participant is 50% vested in company match contributions after one year, and fully vested after two years.

Forfeited accounts

Participants may also share in forfeited non-vested accounts. Forfeitures related to employer matching contributions can be applied to administrative expenses of the Plan or allocated to participants based on Plan compensation. Forfeitures related to profit sharing contributions can be applied to administrative expenses of the Plan or allocated to participants as additional profit sharing contributions. During 2025, \$0 was used to offset employer match and was allocated to participant accounts. Unallocated forfeitures were \$0 at year end.

Notes Receivable from Participants

Participants may borrow from their fund accounts (for hardship reasons only) from a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Loan terms may not exceed five years or 15 years for principal residence. The loans are secured by the balance in the participant's account and bear interest at the rate of prime plus 2%. Payments are made through payroll deductions. Participants are limited to two loans outstanding at any given time.

Note 1 DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination of employment, participants become eligible for benefits from the Plan equal to the vested balance of their accounts. If a participant's vested benefit is \$5,000 or less, it will be paid in a lump sum. If the participant's vested account balance exceeds \$5,000, they may choose to have their benefits paid within the limits set by tax laws and the Plan. Participant benefits must be paid, or distributions must commence no later than the date minimum distributions are required to start under tax laws.

Participants, after reaching retirement age as defined, may withdraw money from their vested accounts for any reason. Plan participants may withdraw rollover contributions plus earnings thereon for any reason. Prior to the retirement age as defined, participants may make hardship withdrawals for purposes defined in the Plan.

Note 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

The Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

HUEBSCH LAUNDRY CO. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
August 07, 2025 and December 31, 2024

Note 2 SUMMARY OF ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the FASB ASC are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
August 07, 2025 and December 31, 2024

Note 2 SUMMARY OF ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value as of August 07, 2025.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investment Valuation

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Subsequent events

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through December 04, 2025, the date the financial statements were available for issue.

August 07, 2025 and December 31, 2024

Note 3 INVESTMENTS

During 2025 and 2024, all of the Plan's investment balances and related investment income were certified by Empower.

Gains and losses (realized and unrealized) included in Statements of Changes in Net Assets Available for Benefits for the years ended August 07, 2025 and December 31, 2024 are reported in appreciation (depreciation) in fair value of investments.

The custodian has certified that the following investment values, as well as the gains and losses and interest earned, are complete and accurate. The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 07, 2025 and December 31, 2024:

August 7th, 2025	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	-	-	-

Note 4 PLAN TERMINATION

On December 25, 2024 the Company has adopted a resolution to terminate the Huebsch Laundry Co. 401(k) Profit Sharing Plan. All employer and employee contributions ceased as of the termination date of December 31, 2024.

As of December 31, 2024, all participants became fully vested in their accounts with ERISA guidelines. The Company is responsible for filing the final Form 5500 for the short plan year ending August 7, 2025 which was when all assets of the plan were distributed.

NOTES TO FINANCIAL STATEMENTS
August 07, 2025 and December 31, 2024

Note 5 INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter on June 30, 2020 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan paid recordkeeping and loan fees of \$56,956 and \$65,148 to Empower in 2025 and 2024, respectively.

Notes receivable from participants qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
