INDEPENDENT AUDITOR'S REPORT

Plan Committee
The CEI Group, 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The CEI Group, 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 28, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period January 1, 2025 through March 28, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 28, 2025 and December 31, 2024, and for the period January 1, 2025 through March 28, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

Camp Hill

Lancaster

Bloomsburg

Philadelphia

macpas.com

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, effective March 28, 2025, the Plan merged into the Element Vehicle Management Services Group, LLC 401(k) Plan and ceased operations as of that date. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free

from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

We have performed audits of the financial statements of The CEI Group, 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 28, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period January 1, 2025 through March 28, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 28, 2025 and December 31, 2024, and for the period January 1, 2025 through March 28, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

Camp Hill

Lancaster

Bloomsburg

Philadelphia

macpas.com

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, effective March 28, 2025, the Plan merged into the Element Vehicle Management Services Group, LLC 401(k) Plan and ceased operations as of that date. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free

from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of The CEI Group 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document, as amended, for a more complete description of the Plan's provisions which is available from the Plan sponsor, The CEI Group, Inc. (the Company or Sponsor).

Plan Merger

Effective December 23, 2024, eligible employees of the Company became participants in the Element Vehicle Management Services Group, LLC 401(k) Plan (Element Plan). Effective March 28, 2025, the Plan was merged into the Element Vehicle Management Services Group, LLC 401(k) Plan. The assets transferred out of the Plan related to the merger totaled \$17,410,724 and are included in Transfers to Element Vehicle Management Services Group, LLC 401(k) Plan on the statement of changes in net assets available for benefits for the period January 1, 2025 through March 28, 2025.

General

The Plan is a safe harbor plan that was established as a defined contribution plan covering all employees of the Company, who meet the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by the Company and fiduciary responsibility has been delegated by the Company's Board of Directors to the Employee Benefits Committee (the Committee). The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors. Vanguard Fiduciary Trust Company (the Trustee) is the Plan's Trustee and serves as the recordkeeper.

Eligibility

Employees of the Company, excluding non-resident aliens and those covered by a collective bargaining agreement, are eligible to participate in the Plan following the later of commencement of employment or the attainment of age 18.

Participant Contributions

Participants may elect to contribute up to 100% of their annual compensation through elective salary deferral contributions, subject to the limitations described in the Plan and the Internal Revenue Code (IRC). The statutory annual maximum limit, which may be adjusted each year, was \$23,500 for 2025. Participants who are at least the age 50 by December 31st were permitted to contribute an additional \$7,500 in 2025 as a catch-up contribution.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a Target Date Fund until changed by the participant.

Due to the plan merger described above, there were no contributions to the Plan for the period January 1, 2025 to March 28, 2025.

Employer Contributions

The Company provides matching contributions to the Plan equal to 100% of each eligible participant's salary deferred up to 4% of such participant's eligible compensation per pay period. Participants are eligible for the employer contribution following one year of service. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors. Employer contributions are recorded in the year in which the employee contributions are withheld from compensation.

Due to the plan merger described above, there were no employer contributions to the Plan for the period January 1, 2025 to March 28, 2025.

Participant Accounts

Each participant's account is credited with (i) the participant's contributions, (ii) the Company's matching and profit-sharing contributions, if applicable and (iii) an allocation of Plan earnings or losses (including interest, dividends, and net realized and unrealized appreciation or depreciation in investments, less certain administrative expenses). Allocations are based on participant earnings, deferrals and account balances and specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rollovers

All participants, upon commencement of employment, are provided the option to make a rollover contribution into the Plan in accordance with Internal Revenue Service (IRS) regulations and Plan provisions.

Investments

Participants direct the investment of participant and the Company's matching and profit-sharing contributions to various investment options offered by the Plan. Participants may reallocate investments (in 1% increments) or change future contributions on a daily basis. Contributions are invested in the investment options selected by the participant. The qualified default investment

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

alternative designated by the Plan is a Target Date Fund based on the participant's approximate year of retirement (age 65).

Vesting

All employee contributions are fully (100%) vested and not forfeitable. Participants become fully (100%) vested in the employer contribution upon the occurrence of death and total or permanent disability. Other than as stated above, employer matching contributions are 100% vested after completion of one year of service. There were no employer profit-sharing contributions after January 1, 2020. Employer profit-sharing contributions contributed prior to January 1, 2020, vest according to the modified vesting schedule:

Years of Service	Percentage
Less than 2 years	0%
After 2 years but less than 3	20%
After 3 years but less than 4	40%
After 4 years but less than 5	60%
After 5 years but less than 6	80%
After 6 years	100%

A participant's vested benefit is determined as of the date of termination of employment or retirement. All non-vested employer contributions are forfeited. Eligible participants must be employed on the last day of the Plan year and be credited with at least 501 hours of service during the year to receive an allocation of the employer profit-sharing contribution.

Forfeited Accounts

At March 28, 2025, there were zero forfeited nonvested accounts. At December 31, 2024, forfeited nonvested accounts totaled \$8. Forfeitures are used to pay administrative expenses or reduce Company contributions.

Due to the plan merger described above, there were no forfeitures used for the period January 1, 2025 to March 28, 2025.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms are up to five years but may extend beyond five years for the purchase of a primary residence. The loans are secured by the vested balance in the participants' accounts and are charged a reasonable rate of interest in effect at the time of application. Principal and interest are paid ratably through bi-weekly payroll deductions.

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Payment of Benefits to Participants

In the event of termination of employment, the participant (or beneficiary in the event of death) is entitled to receive the entire account balance. In the event a terminated participant's account balance does not exceed \$7,000, the vested account balance will be distributed in a lump sum payment without the participant's consent. A participant whose vested account balance exceeds \$7,000 may elect the form in which to receive the distribution of those offered by the Plan.

In addition to the benefits described in the Plan, certain other benefits are protected from a prior plan document. Employer profit-sharing contributions and employer match contributions contributed for plan years prior to January 1, 2020, are available for in-service withdrawals at age 55 provided the participant has five years of service.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of March 28, 2025 or December 31, 2024. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the Trustee. See Note 4.

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation or depreciation in the value of investments consists of realized and unrealized gains and losses on the investments held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and common collective trusts are deducted from income earned on a daily basis and are not separately stated. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 8, 2026, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

Certain information disclosed in the accompanying financial statements, including investments held, at fair value, and notes receivable from participants at March 28, 2025 and December 31, 2024, and net appreciation or depreciation in investments, interest income on notes receivable from participants, and interest and dividends for the period January 1, 2025 to March 28, 2025, were obtained or derived from information provided to the Committee and certified as complete and accurate by the Trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described below.

Level One. Level One inputs are unadjusted, quoted prices in active markets for identical assets or liabilities which the Committee has the ability to access at the measurement date.

Level Two. Level Two inputs are observable for that asset or liability, either directly or indirectly, and include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, observable inputs for the asset or liability other than quoted prices and inputs derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified contractual term, the inputs must be observable for substantially the full term of the asset or liability.

Level Three. Level Three inputs are unobservable inputs for the asset or liability that reflect the Committee's assessment of the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk, and are developed based on the best information available.

Fair value is based on quoted market prices, where available. If quoted prices are not available, fair value is estimated based upon other observable inputs. Unobservable inputs are used when observable inputs are not available. Adjustments may be made to reflect the assumptions that market participants would use in pricing the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds - The Plan's investments in mutual funds are classified in Level One of the valuation hierarchy with the fair value determined by quoted market prices reported in the active markets on which the individuals' securities are traded, which represent the net asset value (NAV) of shares held by the Plan at year-end.

Common/collective trusts - Valued at the NAV of units of common collective trusts. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following tables set forth by level within the fair value hierarchy summary of the Plan's investments measured at fair value on a recurring basis:

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Assets at fair value as of December 31, 2024:

	December 31, 2024			Total
	Level One	Level Two	Level Three	
Mutual funds	\$ 1,634,519	\$ -	\$ -	\$ 1,634,519
Investments in the fair value hierarchy	1,634,519	-	-	1,634,519
Common/collective trusts measured at NAV (a)	-	-	-	15,972,799
Total investments	<u>\$ 1,634,519</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,607,318</u>

(a) In accordance with Accounting Standard Update 2015-07, certain investments that are measured at fair value using the NAV per unit practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share (or its Equivalent) Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share (or its equivalent) practical expedient as of December 31, 2024. There are no participant redemption restrictions for these investments.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently eligible)	Redemption Notice Period
Common/collective trusts	\$ 15,972,799	None	Immediate	None

5. FEDERAL INCOME TAX STATUS

The underlying non-standardized prototype plan has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the plan is qualified under Section 401 of the IRC and therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2016-6 and 2015-36, the Committee has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

qualified status. The Committee believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on its technical merits, to be sustained upon examination by the IRS. The Committee has analyzed the tax positions taken by the Plan, and has concluded that as of March 28, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties in interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

The Vanguard Group, Inc. (Vanguard) provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Vanguard. Vanguard receives revenue from mutual fund and common/collective trust (CCT) service providers for services Vanguard provides to the funds. This revenue is used to offset certain amounts owed to Vanguard for its administrative services to the Plan.

If the revenue received by Vanguard from such mutual fund and CCT service providers exceeds the amount owed under the MSA, Vanguard remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the account of the participants. During the period January 1, 2025 to March 28, 2025, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Vanguard for administrative expenses not covered by revenue sharing.

Administrative expenses also include fees paid to the Plan's auditor. This transaction qualifies as a party-in-interest transaction.

The Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer receives compensation from the Plan.

THE CEI GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

7. RISKS AND UNCERTAINTIES

The Plan invests in various securities, including mutual funds and common/collective trusts. Investment securities are exposed to various risks such as interest rate and credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

As discussed in Note 1, the Plan was merged into the Element Vehicle Management Services Group, LLC 401(k) Plan effective March 28, 2025.
