### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the **403(b) Thrift Plan for Employees of Community Action Agency of Oklahoma City, and Oklahoma/Canadian Counties, Inc.** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as March 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended March 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2025 and 2024, and for the year ended March 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Board of Directors, Plan administrator, and Participants  
**403(b) Thrift Plan for Employees of Community Action Agency  
of Oklahoma City, and Oklahoma/Canadian Counties, Inc.**

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Board of Directors, Plan administrator, and Participants  
**403(b) Thrift Plan for Employees of Community Action Agency  
of Oklahoma City, and Oklahoma/Canadian Counties, Inc.**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held at End of Year as of March 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Directors, Plan administrator, and Participants  
**403(b) Thrift Plan for Employees of Community Action Agency  
of Oklahoma City, and Oklahoma/Canadian Counties, Inc.**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements March 31, 2025 and 2024**

### **NOTE 1: DESCRIPTION OF PLAN**

The following description of the 403(b) Thrift Plan for Employees of Community Action Agency of Oklahoma City, and Oklahoma/Canadian Counties, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code (IRC) for the benefit of eligible employees of Community Action Agency of Oklahoma City, and Oklahoma/Canadian Counties, Inc. (the Employer). The Plan is subject to the Department of Labor's reporting requirements under the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **Eligibility**

Employees of the Employer, except those who are non-resident aliens, are eligible to participate in the salary deferral portion of the Plan immediately upon their first day of employment. Entry dates for the salary deferral portion of the Plan are daily, each day of the month.

Employees of the Employer, except those who are non-resident aliens and those who are classified or treated as independent contractors or other non-employees by the Employer, are eligible to participate in the Employer contribution portion of the Plan upon completing 6 months of service. Entry dates for the Employer contribution portion of the Plan are semi-annual, each April 1 and October 1.

#### **Contributions**

Each year, participants may contribute a portion of their compensation to the Plan, as defined in the Plan document. New participants are automatically enrolled in the Plan at 1% salary deferral rate, unless they elect otherwise. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Employer matching contributions are calculated at 100% of a participant's salary deferral contributions up to 3% of the participant's compensation.

#### **Investment Options**

Participants direct the investment of their contributions among the various investment options offered by the Plan.

# **403(b) Thrift Plan for Employees of Community Action Agency of Oklahoma City, and Oklahoma/Canadian Counties, Inc.**

## **Notes to Financial Statements March 31, 2025 and 2024**

### **Participant Accounts**

Each participant's account is credited with the participant's salary deferral contributions, his or her allocation of the Employer's contributions, and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant contributions, earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are immediately vested in their salary deferral contributions and rollover contributions, plus earnings thereon. Vesting in the Employer contribution portion of their accounts is based on years of service. Participants are 20% vested in the Employer's contributions after one year of service and are fully vested after five years of service. Participants are fully vested upon reaching retirement age, becoming totally and permanently disabled, and upon death.

### **Loans to Participants**

Loans to participants are made by Mutual of America Life Insurance Company (Mutual of America) from the general assets of Mutual of America, not Plan assets. A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance during the previous twelve months. Loans are subject to a commercially reasonable rate of interest.

All loans are required to be repaid within five years, unless the loan is used to acquire the principal residence for the participant. Loans used to acquire the principal residence for the participant are required to be repaid within ten years.

The amount borrowed plus a loan reserve (20% of the loan amount) is reserved in the participant's Mutual of America interest accumulation account. As loan repayments are made, amounts securing the loan are reduced. The participant can then request a transfer of these amounts from the interest accumulation account to any of the other investment options offered by the Plan. As of March 31, 2025 and 2024, approximately \$135,000 and \$108,000, respectively, of participant account balances were pledged as collateral against outstanding loans totaling \$112,474 and \$89,693, respectively.

### **Payment of Benefits**

Upon severance from employment or termination of service due to retirement, disability, or death, a participant may elect to receive either a lump-sum amount or partial withdrawals equal to the vested value of his or her account.

# 403(b) Thrift Plan for Employees of Community Action Agency of Oklahoma City, and Oklahoma/Canadian Counties, Inc.

## Notes to Financial Statements March 31, 2025 and 2024

A participant may withdraw any part of the vested interest in his or her account resulting from rollover contributions at any time. A participant who has attained age 59 ½ may withdraw any amounts allocated to his or her salary deferral contributions and Employer contributions at any time. A participant who has completed at least five years of participation in the Plan may withdraw any amounts allocated to his or her Employer contributions at any time. The Plan also allows a participant to withdraw any amounts allocated to his or her salary deferral contributions and Employer contributions in the event of hardship due to an immediate and heavy financial need.

See Note 9 for specific disclosures related to the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

### **Forfeitures**

Forfeitures shall be used to reduce future Employer contributions. During the year ended March 31, 2025, forfeitures of \$8,277 were used to reduce Employer contributions. As of March 31, 2025 and 2024, there were no unallocated forfeited nonvested accounts.

## ***NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

# 403(b) Thrift Plan for Employees of Community Action Agency of Oklahoma City, and Oklahoma/Canadian Counties, Inc.

## Notes to Financial Statements March 31, 2025 and 2024

### Payments of Benefits

Benefits are recorded when paid. There were no amounts allocated to withdrawing participants' accounts for distributions payable prior to March 31, 2025 and 2024, but not yet paid as of these dates.

### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain activity-based fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### Expense Offset Arrangements

Fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

### ***NOTE 3: INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY***

### NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic *Fair Value Measurements and Disclosures* (Topic 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under Topic 820 are described as:

---

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

---

Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul>
---------	---

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

---

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2025 and 2024.

*Variable annuities in pooled separate accounts:* Valued at the net asset value (NAV) of the units of the pooled separate accounts. The NAV, as provided by Mutual of America is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the account, less liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily.

### Notes to Financial Statements March 31, 2025 and 2024

*Interest accumulation account:* Valued at contract value (contributions and interest less expenses and withdrawals), which is deemed to be fair value, as provided by Mutual of America.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2025 and 2024. In accordance with the FASB Codification Topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

### Notes to Financial Statements March 31, 2025 and 2024

The following tables summarize investments measured at fair value based on NAV per share as of March 31, 2025 and 2024:

<b>March 31, 2025</b>	<b><u>Fair Value</u></b>	<b><u>Unfunded Commitments</u></b>	<b><u>Redemption Frequency (if currently eligible)</u></b>	<b><u>Redemption Notice Period</u></b>
Variable annuities in pooled separate accounts	\$ <u>6,383,574</u>	\$ <u>-</u>	Daily	None
<b>March 31, 2024</b>	<b><u>Fair Value</u></b>	<b><u>Unfunded Commitments</u></b>	<b><u>Redemption Frequency (if currently eligible)</u></b>	<b><u>Redemption Notice Period</u></b>
Variable annuities in pooled separate accounts	\$ <u>6,275,892</u>	\$ <u>-</u>	Daily	None

Each portfolio included in the variable annuities in pooled separate accounts has different investment objectives and risks. The portfolio prospectuses contain more detailed information on each portfolio's investment strategy. Generally, there are portfolios that seek a high level of income with preservation of capital, long term growth of capital and/or income, growth of capital, capital appreciation, and various combinations of each.

#### **NOTE 5: RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS**

The Plan is invested in variable annuities in pooled separate accounts and an interest accumulation account under a group annuity contract with Mutual of America. Mutual of America is the insurance company of the Plan. As a result, these investments and the related investment transactions qualify as party-in-interest transactions. Certain Mutual of America fees incurred by the Plan are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

The Plan incurs expenses related to general administration and record keeping. The Employer pays a portion of these and other Plan expenses. The Employer also performs certain administrative functions at no cost to the Plan. The Employer does not expect reimbursement for these expenses.

The Plan is charged fees and expenses through expense ratios charged by Mutual of America to the Plan's various investment options. The investment expense ratios vary by fund and are reflected in the value of the investments held by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

## Notes to Financial Statements March 31, 2025 and 2024

### **NOTE 6: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their Employer contributions.

### **NOTE 7: TAX STATUS AND UNCERTAIN TAX POSITIONS**

The Plan has adopted a Mutual of America Prototype 403(b) Thrift Plan Basic Plan Document. Mutual of America obtained an opinion letter from the Internal Revenue Service dated March 31, 2017, which indicated that the form of the Plan is acceptable under Section 403(b) of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan accounts for uncertain tax positions in accordance with the provisions of the FASB Codification Topic *Income Taxes*. FASB Codification Topic *Income Taxes* clarifies the accounting for uncertainty in income taxes and requires the Plan to recognize in their financial statements the impact of a tax position taken or expected to be taken in a tax return, if that position is more likely than not to be sustained under audit, based on the technical merits of the position. The Plan administrator has assessed the tax positions taken by the Plan and determined that no positions exist that require adjustment or disclosure under the provisions of FASB Codification Topic *Income Taxes*.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **NOTE 8: RISKS AND UNCERTAINTIES**

The Plan provides for investments in various investment securities, which in general are exposed to certain risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## Notes to Financial Statements March 31, 2025 and 2024

### **NOTE 9: CARES ACT DISTRIBUTIONS AND LOANS TO PARTICIPANTS**

In response to the financial hardship faced by many individuals as a result of the COVID-19 pandemic, Congress enacted the CARES Act that allowed for certain temporary changes to 403(b) Plan distributions and loans to participants. Qualified individuals could take up to \$100,000 from their retirement accounts. These distributions were not subject to the usual 20% withholdings for federal taxes, age requirements, or notice rules. The tax burden for these distributions could be spread over three years, and the distributions could be repaid over three years. Qualified individuals could take larger loans from their retirement accounts. The maximum loan limit was increased to \$100,000. Loan repayments could be delayed for up to one year. Also, participants did not have to take required minimum distributions for 2020. Plan amendments for adoption of the provisions of the CARES Act are required to be made by December 31, 2025. The Plan has not yet been amended; however, it is Plan management's intent to amend the Plan prior to the due date.
