INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Milstein Brothers Real Estate, LLC & Affiliated Entities 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Milstein Brothers Real Estate, LLC & Affiliated Entities 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [“ERISA Section 103(a)(3)(C) audit”]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. These financial statements are prepared under the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this included determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN**NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS****NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Milstein Brothers Real Estate, LLC & Affiliated Entities 401(k) Savings Plan (the “Plan”) is provided for general information. Participants should refer to the Plan document for more complete information.

General and Eligibility. The Plan is a multiple-employer defined contribution plan sponsored and administered by Milstein Brothers Real Estate, LLC (the “Plan Sponsor”). The Plan Sponsor adopted the Plan effective April 11, 1994.

Affiliated entities include Bristol Consultants LLC (“Bristol”); CAAS LLC; Eureka V LLC; Milford Consultants, LTD (“MC-LTD”); Milford Management Corp.; Milro Management, Inc.; Constantine Cannon LLP; THEM LLC; Oasis Health Club LLC; RMM Consulting LLC; Summitas, LLC; CH Milstein LLC; Build Coworking LLC; Friends, Romans, Company LLC; Friedberg Milstein, LLC; Grand Central Tech Advisors LLC; and Milstein Medical Asian-American. These entities are collectively referred to as the “Employer.”

The Plan covers all the Employer’s full-time employees who are eligible to participate. Employees become eligible to participate in the Plan on the first day of the pay period upon attaining the age of 21 and after completion of six months of service. The Plan is subject to the provisions of the Employee Income Act of 1974 (“ERISA”), as amended.

The Plan’s assets are currently managed and administered under the terms of an agreement between the Plan and Fidelity Workplace Services LLC (“Fidelity”). Fidelity is responsible for the recordkeeping of the Plan and is a qualified institution pursuant to ERISA. The Plan’s assets are held in a trust. Fidelity Management Trust Company (“Custodian”) serves as custodian of the Plan’s assets.

Contributions. Participants may contribute any amount from 1% to 100% of their pre-tax compensation and/or their post-tax compensation as either a percentage of compensation or in fixed dollar amounts, subject to certain limits imposed by the Internal Revenue Code (the “Code”). Participants may also contribute amounts representing rollover distributions from other qualified retirement plans. The Employer may make a discretionary contribution as determined annually. The Employer elected to make a discretionary contribution equal to 10.00% of eligible participant contributions for the year ended December 31, 2024. The Employer discretionary contribution of \$250,466 for the year ended December 31, 2024 is not reflected in the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis, as it was not contributed until March 2025.

Effective August 12, 2024, the Plan was amended and no longer allows participants to contribute a percentage of their pre-tax compensation and/or their post-tax compensation in fixed dollar amounts.

Effective September 1, 2024, the Plan was amended to include an auto-enrollment provision whereby employees are auto-enrolled in the Plan upon meeting the eligibility requirements at a pre-tax deferral rate of 5% unless the participant affirmatively elects otherwise.

Participant Accounts. Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, the Employer discretionary contribution, an allocation of investment earnings, and is charged with an allocation of Plan expenses. The benefit to which a participant is entitled is the vested benefit in the participant’s account.

Vesting. Participants are immediately vested in their voluntary and rollover contributions plus actual earnings thereon. Vesting in the Employer discretionary contributions is based on years of continuous service. A participant vests 20% per year for each year of service and is 100% vested after 5 years. A year of service is defined by the Plan to be a minimum of 1,000 hours of service during the Plan year.

(Continued)

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN**NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS****NOTE 1 – DESCRIPTION OF PLAN (Concluded)**

Investment Options. Employees may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Forfeitures. There were forfeited nonvested account balances of \$7,482 and \$9,860 as of December 31, 2024 and 2023, respectively. Forfeited nonvested discretionary contribution account balances may be utilized to reduce the Company's contributions to the Plan or to pay for Plan expenses. Forfeited nonvested account balances were used to reduce Employer contributions by \$9,609 during the year ended December 31, 2024.

Notes Receivable from Participants. Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates determined by the Plan's administrator ("Plan Administrator") and fixed at the time of loan issuance. Principal and interest are paid ratably over the term of the loan (generally five years) through payroll deductions.

Payment of Benefits. The Plan provides for normal retirement at age 65 and does not provide for early retirement. On termination of service due to death, disability and/or retirement, a participant may receive a lump-sum payment. Upon separation from service, participants or their beneficiaries may elect to have their normal retirement benefits paid as a single lump sum payment. Accrued vested benefits less than \$7,000 may be distributed at any time after such termination. Participants may receive in-service distributions upon reaching age 59 ½.

Under certain circumstances such as for purchase of a principal residence, post-secondary education expenses, and with the consent of the Plan Administrator, a distribution of vested benefits may be made in the event of hardship.

Party-In-Interest Transactions. Custodian and recordkeeping fees were paid by the Plan. Additionally, various administrative, legal, and accounting services are performed by the Companies' personnel on behalf of the Plan for which no charges are made to the Plan. Investment expenses, however, are charged against the Plan's investment income. These transactions qualify as party-in-interest transactions.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared using the modified cash basis of accounting and guidelines for filing with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Employer discretionary contributions are recorded when received, and benefit payments and expenses are recorded when paid. Had the Plan prepared its financial statements using accounting principles generally accepted in the United States of America, Employer contributions would be recorded when earned and expenses would be recorded as incurred.

See Independent Auditor's Report.

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Use of Estimates. The preparation of financial statements in conformity with the modified cash basis of accounting requires Plan management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Concentrations of Credit Risk. Substantially all of the Plan’s assets were held by the Custodian. The Custodian is qualified institutions pursuant to ERISA.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Accrued interest is not recorded based on the modified cash basis of accounting.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN ASSETS

The following information was derived from data certified by the Custodian as being complete and accurate:

- a. Investments and notes receivable from participants at December 31, 2024 and 2023, included in the statements of net assets available for benefits.
- b. Investment income and interest income from notes receivable from participants included in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- c. Note 4: All investment balances.
- d. The schedule of assets held at end of year as of December 31, 2024, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(Continued)

See Independent Auditor’s Report.

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual Funds. Valued at the closing price reported on the active market on which the mutual funds are traded.

Common Collective Trust ("CCT"). Accounts that invest exclusively in CCT that invest in underlying insurance contracts are valued at net asset value ("NAV") of the underlying insurance contracts. The NAV is used as a practical expedient to estimate fair value. Those accounts directly investing in fixed maturity securities are measured based on the pricing date provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2024				Total
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	
Mutual funds	\$ 43,965,415	\$ -	\$ -	\$ -	\$ 43,965,415
Common collective trust	-	-	-	2,602,332	2,602,332

Investments Measured Using the NAV per Share Practical Expedient. The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 2,602,332	N/A	Daily	10 days
December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 3,198,777	N/A	Daily	10 days

NOTE 5 – EMPLOYER QUALIFIED NONELECTIVE CONTRIBUTIONS

The Employer owed certain contributions that were necessary to pass compliance testing. Employer qualified nonelective contributions receivable were \$59,610 and \$199,873 as of December 31, 2024 and 2023, respectively.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested.

NOTE 7 – INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity. Fidelity received a favorable determination letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, which states that the prototype plan document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN**NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS****NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2024 through October 8, 2025, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Milstein Brothers Real Estate, LLC & Affiliated Entities 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Milstein Brothers Real Estate, LLC & Affiliated Entities 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. These financial statements are prepared under the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this included determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN**NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS****NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Milstein Brothers Real Estate, LLC & Affiliated Entities 401(k) Savings Plan (the “Plan”) is provided for general information. Participants should refer to the Plan document for more complete information.

General and Eligibility. The Plan is a multiple-employer defined contribution plan sponsored and administered by Milstein Brothers Real Estate, LLC (the “Plan Sponsor”). The Plan Sponsor adopted the Plan effective April 11, 1994.

Affiliated entities include Bristol Consultants LLC (“Bristol”); CAAS LLC; Eureka V LLC; Milford Consultants, LTD (“MC-LTD”); Milford Management Corp.; Milro Management, Inc.; Constantine Cannon LLP; THEM LLC; Oasis Health Club LLC; RMM Consulting LLC; Summitas, LLC; CH Milstein LLC; Build Coworking LLC; Friends, Romans, Company LLC; Friedberg Milstein, LLC; Grand Central Tech Advisors LLC; and Milstein Medical Asian-American. These entities are collectively referred to as the “Employer.”

The Plan covers all the Employer’s full-time employees who are eligible to participate. Employees become eligible to participate in the Plan on the first day of the pay period upon attaining the age of 21 and after completion of six months of service. The Plan is subject to the provisions of the Employee Income Act of 1974 (“ERISA”), as amended.

The Plan’s assets are currently managed and administered under the terms of an agreement between the Plan and Fidelity Workplace Services LLC (“Fidelity”). Fidelity is responsible for the recordkeeping of the Plan and is a qualified institution pursuant to ERISA. The Plan’s assets are held in a trust. Fidelity Management Trust Company (“Custodian”) serves as custodian of the Plan’s assets.

Contributions. Participants may contribute any amount from 1% to 100% of their pre-tax compensation and/or their post-tax compensation as either a percentage of compensation or in fixed dollar amounts, subject to certain limits imposed by the Internal Revenue Code (the “Code”). Participants may also contribute amounts representing rollover distributions from other qualified retirement plans. The Employer may make a discretionary contribution as determined annually. The Employer elected to make a discretionary contribution equal to 10.00% of eligible participant contributions for the year ended December 31, 2024. The Employer discretionary contribution of \$250,466 for the year ended December 31, 2024 is not reflected in the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis, as it was not contributed until March 2025.

Effective August 12, 2024, the Plan was amended and no longer allows participants to contribute a percentage of their pre-tax compensation and/or their post-tax compensation in fixed dollar amounts.

Effective September 1, 2024, the Plan was amended to include an auto-enrollment provision whereby employees are auto-enrolled in the Plan upon meeting the eligibility requirements at a pre-tax deferral rate of 5% unless the participant affirmatively elects otherwise.

Participant Accounts. Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, the Employer discretionary contribution, an allocation of investment earnings, and is charged with an allocation of Plan expenses. The benefit to which a participant is entitled is the vested benefit in the participant’s account.

Vesting. Participants are immediately vested in their voluntary and rollover contributions plus actual earnings thereon. Vesting in the Employer discretionary contributions is based on years of continuous service. A participant vests 20% per year for each year of service and is 100% vested after 5 years. A year of service is defined by the Plan to be a minimum of 1,000 hours of service during the Plan year.

(Continued)

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN**NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS****NOTE 1 – DESCRIPTION OF PLAN (Concluded)**

Investment Options. Employees may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Forfeitures. There were forfeited nonvested account balances of \$7,482 and \$9,860 as of December 31, 2024 and 2023, respectively. Forfeited nonvested discretionary contribution account balances may be utilized to reduce the Company's contributions to the Plan or to pay for Plan expenses. Forfeited nonvested account balances were used to reduce Employer contributions by \$9,609 during the year ended December 31, 2024.

Notes Receivable from Participants. Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates determined by the Plan's administrator ("Plan Administrator") and fixed at the time of loan issuance. Principal and interest are paid ratably over the term of the loan (generally five years) through payroll deductions.

Payment of Benefits. The Plan provides for normal retirement at age 65 and does not provide for early retirement. On termination of service due to death, disability and/or retirement, a participant may receive a lump-sum payment. Upon separation from service, participants or their beneficiaries may elect to have their normal retirement benefits paid as a single lump sum payment. Accrued vested benefits less than \$7,000 may be distributed at any time after such termination. Participants may receive in-service distributions upon reaching age 59 ½.

Under certain circumstances such as for purchase of a principal residence, post-secondary education expenses, and with the consent of the Plan Administrator, a distribution of vested benefits may be made in the event of hardship.

Party-In-Interest Transactions. Custodian and recordkeeping fees were paid by the Plan. Additionally, various administrative, legal, and accounting services are performed by the Companies' personnel on behalf of the Plan for which no charges are made to the Plan. Investment expenses, however, are charged against the Plan's investment income. These transactions qualify as party-in-interest transactions.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared using the modified cash basis of accounting and guidelines for filing with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Employer discretionary contributions are recorded when received, and benefit payments and expenses are recorded when paid. Had the Plan prepared its financial statements using accounting principles generally accepted in the United States of America, Employer contributions would be recorded when earned and expenses would be recorded as incurred.

(Continued)

See Independent Auditor's Report.

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Use of Estimates. The preparation of financial statements in conformity with the modified cash basis of accounting requires Plan management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Concentrations of Credit Risk. Substantially all of the Plan's assets were held by the Custodian. The Custodian is qualified institutions pursuant to ERISA.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Accrued interest is not recorded based on the modified cash basis of accounting.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN ASSETS

The following information was derived from data certified by the Custodian as being complete and accurate:

- a. Investments and notes receivable from participants at December 31, 2024 and 2023, included in the statements of net assets available for benefits.
- b. Investment income and interest income from notes receivable from participants included in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- c. Note 4: All investment balances.
- d. The schedule of assets held at end of year as of December 31, 2024, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(Continued)

See Independent Auditor's Report.

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual Funds. Valued at the closing price reported on the active market on which the mutual funds are traded.

Common Collective Trust ("CCT"). Accounts that invest exclusively in CCT that invest in underlying insurance contracts are valued at net asset value ("NAV") of the underlying insurance contracts. The NAV is used as a practical expedient to estimate fair value. Those accounts directly investing in fixed maturity securities are measured based on the pricing date provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2024				Total
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	
Mutual funds	\$ 43,965,415	\$ -	\$ -	\$ -	\$ 43,965,415
Common collective trust	-	-	-	2,602,332	2,602,332

Investments Measured Using the NAV per Share Practical Expedient. The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 2,602,332	N/A	Daily	10 days
December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 3,198,777	N/A	Daily	10 days

NOTE 5 – EMPLOYER QUALIFIED NONELECTIVE CONTRIBUTIONS

The Employer owed certain contributions that were necessary to pass compliance testing. Employer qualified nonelective contributions receivable were \$59,610 and \$199,873 as of December 31, 2024 and 2023, respectively.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested.

NOTE 7 – INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity. Fidelity received a favorable determination letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, which states that the prototype plan document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

MILSTEIN BROTHERS REAL ESTATE, LLC & AFFILIATED ENTITIES 401(k) SAVINGS PLAN**NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS****NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2024 through October 8, 2025, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
