### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kingwood Reunion Resort 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Participants and Plan Administrator  
Kingwood Reunion Resort 401(k) Plan  
Kissimmee, Florida

### INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to, the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

To the Participants and Plan Administrator  
Kingwood Reunion Resort 401(k) Plan  
Kissimmee, Florida

### INDEPENDENT AUDITOR'S REPORT

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**KINGWOOD REUNION RESORT 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**Note 1 - Description of the Plan**

The following description of the Kingwood Reunion Resort 401(k) Plan (the Plan) provides only general information. Refer to the Plan documents for a more complete description of the Plan provisions.

**General**

The Plan, originally effective June 14, 2019 and most recently restated January 1, 2022, is a defined contribution plan covering all eligible employees of Kingwood Orlando Reunion Resort, LLC (the Company). The Plan is intended to satisfy all the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility**

All employees of the Company, except for: (1) employees represented by a bargaining unit, (2) non-resident aliens with no U.S. income, and (3) leased employees are eligible to make elective salary deferrals and receive Company contributions on the first day of the month coinciding with or next following the completion of six months of service.

**Contributions**

Participants may contribute either pre-tax or after-tax Roth deferrals up to 100% of their eligible annual compensation, as defined in the Plan agreement, up to a certain statutory maximum, which is set by law each year. The Plan provides for the automatic enrollment of newly eligible participants at a deferral rate of 3% of eligible compensation, unless the participant elects a contrary salary deferral election. Thereafter, the automatic deferral will increase on June 1 of each year by 1%, up to a maximum of 6%. The Plan allows for additional catch-up contributions for employees over the age limits defined in the IRC. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Company may contribute a discretionary matching contribution in an amount determined by the Company each year to be determined as a percentage of the participants' salary deferral or as a uniform dollar amount. The Company made a discretionary matching contribution during the year ended December 31, 2024, equal to 50% of participant elective deferrals up to 6% percent of eligible compensation. The Company may also provide an additional discretionary contribution to be allocated as a uniform percentage of eligible compensation amongst participants who are employed on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year. Participants may also share in the additional discretionary contribution regardless of service during the Plan year in which death or termination of employment due to disability occurs. The Company did not elect to make additional discretionary contributions for the year ended December 31, 2024.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and the Plan earnings and is charged with benefit payments, transaction fees, and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participant transaction fees are charged directly to the accounts of the participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**KINGWOOD REUNION RESORT 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**Investment Options**

Participants direct the investments of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan Sponsor.

**Vesting**

Participants are immediately vested in their elective deferral and rollover contributions, plus actual earnings thereon. Vesting in Company contributions accrue at a rate of 20% per year beginning with the first year of service and are fully vested after five years of service. A participant will also be fully vested in Company contributions upon death, disability, or attainment of normal retirement age, as defined in the Plan agreement.

**Forfeitures**

Any non-vested amounts remaining after the distribution of a terminated participant's vested account balance are forfeited. Forfeitures may be used to reduce Company contributions or pay Plan expenses. At December 31, 2024 and 2023, unallocated forfeitures totaled \$55,194 and \$95,814, respectively. During the year ended December 31, 2024, forfeitures of \$5,832 were used to reduce Company contributions and \$61,392 were used to pay Plan expenses.

**Notes Receivable from Participants**

Participants may borrow from their vested account balance a minimum of \$1,000. The maximum loan amount is generally the lesser of \$50,000 or 50% of the participant's vested account balance. Participants may not have more than one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. As of December 31, 2023, and for the period from January 1, 2024 to April 5, 2024, loans were repaid over the term in bi-weekly, monthly, or quarterly installments of principal and interest directly by the participant via an Automated Clearing House (ACH) account or check payment. Effective April 6, 2024, the loan policy was modified to require all principal and interest repayments be remitted to the Plan via payroll deductions. The term for loan repayment cannot exceed five years from the date of the loan unless it was used to purchase a principal residence, in which case it may not exceed 15 years.

**Payment of Benefits**

On termination of service due to death, disability, retirement, or termination of employment, a participant with a vested balance greater than \$5,000 may elect to receive either a full or partial lump-sum amount equal to the value of the participant's vested interest in his or her account, or a series of installments over time. If the vested account balance is \$5,000 or less, the Plan will automatically roll the vested account to an Individual Retirement Account (IRA) in a direct rollover if: (1) the vested account is more than \$1,000, (2) the participant has not reached age 65, and (3) the participant did not elect a lump-sum payment or rollover into another qualified plan or IRA. If the vested balance is less than \$1,000 and the participant does not make an election, it will be automatically distributed to the participant in a single lump-sum payment. Participants attaining the age of 59 ½ may request an in-service distribution. In addition, hardship withdrawals may be requested and are paid in one lump-sum upon approval.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**KINGWOOD REUNION RESORT 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**Use of Estimates**

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are stated at fair value, with the exception of the fully benefit-responsive investment contract held as of December 31, 2024, which was stated at contract value as of such date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as notes are collateralized by the participants' account balances and, effective April 6, 2024, repayments of principal and interest are received through payroll deductions. Delinquent notes receivable from participants are recorded as distributions based on terms of the Plan agreement.

**Excess Contribution Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan agreement. Expenses that are paid by the Company are excluded from the financial statements. Administrative expenses paid by the Plan and included in the accompanying statement of changes in net assets available for benefits are primarily recordkeeping, investment advisory, and participant transaction fees. Certain investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect participant account balances and the amounts reported in the Plan's statements of net assets available for benefits.

**KINGWOOD REUNION RESORT 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**Subsequent Events**

Management has evaluated events and transactions occurring subsequent to December 31, 2024, as of December 12, 2025, the date the financial statements were available to be issued. No material events have occurred since December 31, 2024, that require recognition or disclosure in the financial statements.

**Note 3 - Information Certified by Lincoln Financial Group Trust Company, Inc. and Matrix Trust Company**

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental Schedule of Assets (Held at End of Year), which was certified by Lincoln Financial Group Trust Company, Inc. as of December 31, 2023, and for the period from January 1, 2024 to April 5, 2024 and Matrix Trust Company as of December 31, 2024, and for the period from April 6, 2024 to December 31, 2024, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental Schedule of Assets (Held at End of Year).

**Note 4 - Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

**Level 1**—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the entity has the ability to access.

**Level 2**—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**KINGWOOD REUNION RESORT 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3**—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Money Market Fund and Mutual Funds:** Valued at quoted market prices in an active market, which represents the net asset value of shares held by the Plan at year-end. The funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 5,637,691	\$ -	\$ -	\$ 5,637,691
Money Market Fund	56,157	-	-	56,157
Total Investments, at Fair Value	<u>\$ 5,693,848</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,693,848</u>

  

<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$ 4,312,773</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,312,773</u>

**Note 5 - Investment Contract with Insurance Company**

As of December 31, 2023 and for the period from January 1, 2024 to April 5, 2024, the Plan was entered into a fully benefit-responsive traditional group fixed annuity contract with Lincoln National Life Insurance Company (Lincoln National). Lincoln National maintained the contributions in a general account guaranteed by the insurance company’s claims paying ability. The primary objective of the account was to maximize investment income with long-term preservation of capital. Under the terms of the agreement, a crediting rate was established for amounts invested in the stable value account based on a formula established by the contract issuer. The crediting rate was reviewed and reset on a quarterly basis.

At December 31, 2023, the contract meets the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln

**KINGWOOD REUNION RESORT 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS**

National, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) termination of the contract as a result of any of the following events; (a) unpaid charges within 30 days, (b) the Plan ceases to meet the requirements of the IRC, (c) the account balance is less than \$15,000, (d) there is no deposit activity for a 24-consecutive-month period and the balance is less than \$50,000, (e) failure of the Plan to furnish requested information or other documentation, (f) misrepresentation by the Plan of material information, (g) Lincoln National discontinues offering this contract form to the public, and (h) the Plan terminates its recordkeeping agreement with Lincoln National, and (2) more than 20% of the assets are transferred out of the fund during any 12-month period.

In April 2024, the Plan terminated the contract with Lincoln National in connection with the Plan's change in recordkeepers, and as a result, the contract was liquidated at fair value upon transfer to the new trustee and is not included in net assets available for benefits as of December 31, 2024.

**Note 6 - Tax Status**

The Plan has adopted a non-standardized defined contribution pre-approved plan, which received a favorable opinion letter from the IRS dated June 30, 2020. The opinion letter stated that the Plan was designed in accordance with applicable sections of the IRC. The Plan has been restated since receiving the ruling. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

U.S. GAAP require Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 7 - Related-Party and Party-in-Interest Transactions**

The stable value fund held by the Plan at December 31, 2023 and for the period from January 1, 2024 to April 5, 2024, was managed by Lincoln National, an affiliate of the Plan's trustee. During the year ended December 31, 2024, the Plan also paid administrative expenses of \$125,626 to the Plan's trustees, auditors, and investment advisor. These transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

**Note 8 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

**Note 10 - Non-Exempt Transactions**

During the year ended December 31, 2024, the Company did not remit certain participant deferrals and loan repayments within the appropriate time period prescribed by the Department of Labor. These transactions constitute prohibited transactions as defined by ERISA. The Company remitted these late deferrals during 2024 and expects to remit the related lost earnings as soon as administratively possible.

Re: 2024 Audit of 401(k) Plan

Dear Department of Labor,

This memorandum/attachment is being submitted with our draft 5500 for explanation about our audit of our employee benefit plan 401K. Due to the plan changing multiple 401(k) service providers and circumstances beyond our control, we were unable to have the audit completed by October 15, 2025. Our audit is in process and will be submitted immediately upon completion. We respectfully request abatement for any penalties that may be associated. You may contact our auditor, Purvis Gray.

We sincerely appreciate your understanding during these difficult times. Should you need further information, please contact us.

Sincerely,
