Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RSM US LLP

(2) EIN: 42-0714325

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X

Independent Auditor's Report

Board of Trustees of the Michigan Conference of Teamsters Welfare Fund
MCTWF Actives Plan

Opinion

We have audited the financial statements of MCTWF Actives Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of March 31, 2025 and 2024, the related statements of changes in net assets available for benefits and in benefit obligations for the years ended March 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of March 31, 2025 and 2024, and the changes in its net assets available for benefits and in benefit obligations for the years ended March 31, 2025 and 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of administrative expenses and investment expenses for the years ended March 31, 2025 and 2024, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole.

MCTWF Actives Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the MCTWF Actives Plan (hereafter, the Plan, formerly a part of the Michigan Conference of Teamsters Welfare Fund) provides only general information. Participants should refer to the Plan's legal documents for a complete description of the Plan's provisions.

The Michigan Conference of Teamsters Welfare Fund was established during 1949 as a result of a trust agreement between Motor Carriers Employers Association of Michigan, Michigan Cartagemen's Association, and Michigan Teamsters Joint Council No. 43. Until March 31, 2014, the Michigan Conference of Teamsters Welfare Fund provided health and welfare benefits for eligible participants, both actives and retirees and their eligible dependents.

Effective April 1, 2014, the MCTWF Retirees Plan was established to provide healthcare benefits to eligible retirees and their eligible dependents. Accordingly, all net assets and obligations related to retiree participants were transferred into this new Plan. Simultaneously, the Michigan Conference of Teamsters Welfare Fund was renamed the MCTWF Actives Plan. The purpose of this restructuring was to maximize the Plan's position under the Affordable Care Act. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective April 1, 2014, the Plan's assets are held in Trust in the MCTWF Actives Sub-Fund as a sub-account of the Michigan Conference of Teamsters Welfare Fund Master Trust (Master Trust) through which the Plan's assets are invested.

Eligibility under the MCTWF Actives Plan is established upon receipt of at least one week of employer contributions on the participant's behalf. Coverage commences the first day (Sunday) of that week.

Coverage under the Plan is available for eligible beneficiaries. Eligible beneficiaries become covered by the Plan when the participant's coverage begins or on the date they become eligible beneficiaries (e.g., on the date of marriage, a child's birth or adoption, etc., as recognized by the Plan).

The MCTWF Actives Plan provides health and welfare benefits to participants and beneficiaries during periods of unemployment, except in certain circumstances, provided they have additional service credits, referred to as a benefit bank, which for most participants is replenished triennially. The last such replenishment was April 1, 2024, with six weeks of benefit coverage (service credits may be in the form of a dollars bank accrued from contributions received in excess of those needed to establish eligibility).

The Plan is entitled to certain rebates under the terms of agreements with service providers for prescriptions paid for under the applicable programs if certain requirements are met. Amounts due to the Plan as of March 31, 2025 and 2024, are recorded separately on the statements of net assets available for benefits.

The MCTWF Actives Plan is primarily self-administered. Expenses incurred in connection with the administration of the Plan, along with other non-plan specific expenses, are recorded as operating expenses and are allocated between the MCTWF Actives Plan and MCTWF Retirees Plan pursuant to formulae established at the commencement of each plan year by both plans' sponsor, the Board of Trustees of the Michigan Conference of Teamsters Welfare Fund. In addition, the Plan is responsible for its own expenses.

Continuation of healthcare benefits to persons who would otherwise lose those benefits due to certain events, as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA), is provided by the MCTWF Actives Plan.

MCTWF Actives Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Participating employers contribute fixed sums for eligible plan participants based on the particular collective bargaining agreement and plan participation agreement that have been negotiated between the employer and the Teamsters local union.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements were prepared using the accrual basis of accounting.

Contributions and contributions receivable: Contributions are recorded when earned by the Plan. Employer contributions due but not paid at year-end are recorded as contributions receivable net of allowances for delinquent contributions. Management periodically reviews contributions receivable on an employer basis concentrating on receivables greater than 90 days old. Management considers the Plan's past history with the employer, current contract information, size of the account, as well as current and reasonable and supportable forward-looking information in evaluating the reserve requirements. Management estimates an allowance for delinquent contributions and credit losses of approximately \$663,000 and \$927,000 at March 31, 2025 and 2024, respectively.

Benefits: Benefit payments are recognized when paid by the Plan.

Investments: As of April 1, 2014, the Plan invests through the Master Trust and all invested assets are held in the name of the Master Trust. The fair value of the Plan's interest in the Master Trust represents the Plan's allocated portion, which is equal to the beginning of the year value of the Plan's interest in the Master Trust plus invested Plan contributions and allocated investment income (allocated proportionately on a monthly basis based on the Plan's respective interest in the Master Trust), less actual Plan distributions.

The investments in the Master Trust are valued as follows. Money market funds are valued at fair value based on outstanding balances. Investments in common/collective funds, partnerships, and commingled fund investments are valued at the fund net asset value (NAV), which is based on audited financial statements of the funds when available, with adjustments to account for partnership activity and other applicable valuation adjustments. Government securities and corporate bonds are valued using quoted market prices and/or other market data for the same or comparable instruments and transactions in establishing the prices, discounted cash flow models and other pricing models. These models are primarily industry-standard models that consider various assumptions, including time value and yield curve as well as other relevant economic measures. All other investments are valued at the quoted market price as of the last business day of the Plan year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Property and equipment: Property and equipment is carried at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently.

MCTWF Actives Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Depreciation and amortization are computed by the straight-line method over the following estimated useful lives of the related assets:

Buildings and improvements	10-40 years
Office furniture, equipment and software	3-10 years
Vehicles	5-10 years

Depreciation and amortization expense was approximately \$403,000 and \$409,000 for the years ended March 31, 2025 and 2024, respectively.

Benefit obligations: Claims payable, claims incurred but not reported, waiver of premium, total and permanent disability claims, and accumulated eligibility credits were estimated by the Plan's actuary based on claims experience and in accordance with accepted actuarial principles.

Postretirement benefits: The postretirement benefit obligation represents the total actuarial present value of those estimated future benefits that are attributed to participant service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current participants of the MCTWF Retirees Plan. Postretirement benefits include future benefits expected to be paid to or for: (1) currently retired participants and their spouses, and (2) active participants and their spouses after retirement from service with the participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the MCTWF Retiree Plan's participating employers, investment income and from existing plan assets. Prior to an active participant's actual eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributable to that participant's years of participation in the MCTWF Actives Plan. The estimated postretirement benefit obligation for active participants fully eligible for benefits was \$10,735,000 and \$10,485,000 as of March 31, 2025 and 2024, respectively, and \$19,624,000 and \$16,765,000 for active participants not yet fully eligible for benefits as of March 31, 2025 and 2024, respectively. Management has reflected these obligations on the statements of benefit obligations and statements of changes in benefit obligations in the 2025 and 2024 MCTWF Retirees Plan audited financial statements as this is where the obligation will be settled over time.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, healthcare inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reported eligibility credits, claims payable and disclosure of contingent assets, and liabilities. Actual results could differ from those estimates.

Subsequent events: The Plan Administrator has evaluated subsequent events through December 11, 2025, the date the financial statements were available to be issued.

MCTWF Actives Plan

Notes to Financial Statements

Note 3. Priorities of Termination

It is the intent of the Board of Trustees of the Master Trust, as sponsor of the Plan, to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to alter, amend, or terminate the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of each Plan. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the Plan's participants and beneficiaries.

Note 4. Tax Status

The Master Trust established to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code; accordingly, the Master Trust's net investment income is exempt from income taxes. The Master Trust has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan Sponsor believes that the Master Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to tax examinations for fiscal years prior to March 31, 2022.

Note 5. Funding Policy

The Plan is financed by employer contributions, participants and beneficiaries electing COBRA coverage, investment income and existing plan assets.

Note 6. Pension Plan

Multiemployer Defined Benefit Pension Plan: Full-time employees of the Plan are covered by a noncontributory multiemployer defined benefit pension plan, Central States, Southeast & Southwest Areas Pension Plan (Pension Plan). The Plan number and the employer identification number of the Pension Plan are 001 and 36-6044243, respectively, and the collective bargaining agreement which requires participation of certain of the Plan's employees in the Pension Plan expires May 31, 2026. Contribution rates are determined annually by the Pension Plan and assessed based on the active employment of the covered employees. Benefits under the Pension Plan are generally based on contribution levels and years of service.

The financial risks of participating in multiemployer defined benefit pension plans are different from single-employer defined benefit pension plans in the following respects:

- Assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- If a participating employer discontinues contributions to the multiemployer plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- If the bargaining parties agree that a participating employer will stop participating in the multiemployer plan, a withdrawal liability may be incurred by the employer, based on the unfunded vested benefits for all participants in the Plan.

MCTWF Actives Plan

Notes to Financial Statements

Note 6. Pension Plan (Continued)

Contributions to the Pension Plan are made monthly under the terms of participation agreements and were approximately \$1,488,000 and \$1,473,000 for the years ended March 31, 2025 and 2024, respectively. Based on information as of December 31, 2024, the year-end of the Pension Plan, contributions to the Pension Plan by the Plan do not represent more than 5% of total contributions received by the Pension Plan.

The American Rescue Plan Act (ARPA) was signed into law in 2021. Under the ARPA, eligible multiemployer pension plans may seek special financial assistance (SFA) from the federal government to enable multiemployer plans to pay retirement benefits without reduction for many years to come. The Pension Benefit Guaranty Corporation (PBGC) is authorized to administer the SFA program.

On December 8, 2022, the PBGC approved the Pension Plan's application for SFA. The PBGC approved approximately \$35.8 billion in SFA, which the Pension Plan received in January 2023. The SFA funding allowed the Pension Plan to avoid projected bankruptcy and to make a full recovery and reaching full funding over time.

In accordance with the SFA, all pension plans receiving SFA funds are deemed to be in the critical status until 2051 no matter how well funded the plan is currently funded. For the Pension Plan year ending December 31, 2025, the certified zone status of the Pension Plan, as defined by the Department of Labor Pension Protection Act, is critical, even though the Pension Plan is 96.9% funded after the SFA funding is reflected. The certified zone status for the Pension Plan year ending December 31, 2024, was also critical, even though the Pension Plan was 98.5% funded after the SFA funding.

401(k) Savings Plan: All bargaining unit employees of the Plan are eligible to participate in the Teamsters National 401(k) Savings Plan and generally may elect to contribute up to 15% of pretax earnings up to the maximum allowable amount. Non-bargaining unit employees of the Plan are eligible to participate in the MCTWF 401(k) Savings Plan and generally may elect to contribute up to 89% of pretax earnings up to the maximum allowable amount. Participants in each Savings Plan receive employer contributions equal to 3% of their eligible pretax earnings. Employer contributions to the Savings Plans of approximately \$217,000 and \$210,000 were made by the Plan for the years ended March 31, 2025 and 2024, respectively.

Note 7. Michigan Conference of Teamsters Welfare Fund Master Trust

The Plan's investments are held in the Master Trust, with administrative services provided by Comerica Bank, a wholly owned subsidiary of Comerica Incorporated, pursuant to a custodial agreement with Comerica. Under the terms of the agreement, Comerica follows the directions made by the investment managers as well as recording and reporting their transactions.

The Plan had approximately 91.9% and 91.4% interest in the net assets available for benefits of the Master Trust as of March 31, 2025 and 2024, respectively.

Ending	<u>\$ 663,994,232</u>	<u>\$ 633,955,660</u>

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

Level 1: Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Master Trust has the ability to access.

Level 2: Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3: Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using audited financial statements of investments, with adjustments to account for partnership activity and other applicable valuation adjustments.

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Master Trust's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Money market funds				7,524,023
Investments, at fair value				<u>\$ 633,955,660</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the fair value of the investments held by the Master Trust.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.
