## INDEPENDENT AUDITOR'S REPORT

To the Trustees  
MAC Trailer Enterprises, Inc. VEBA  
Alliance, Ohio

### *Opinion*

We have audited the financial statements of MAC Trailer Enterprises, Inc. VEBA (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of benefit obligations as of March 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in benefit obligations for the year ended March 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of March 31, 2025 and 2024, and the changes in net assets available for benefits and changes in benefit obligations for the year ended March 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### NOTE A - DESCRIPTION OF PLAN

The following brief description of MAC Trailer Enterprises, Inc. VEBA (the Plan) provides only general information. Participants should refer to the Trust agreement for a more complete description of the Plan's provisions.

##### General:

The Plan was adopted and became effective September 1, 2007.

The Plan provides health benefits covering all employees of MAC Trailer Enterprises, Inc.

To qualify under the Plan's contributory program, an employee must work at least ninety days of continuous full-time employment. The Plan also provides benefits to former employees on a contributory basis for up to 36 months.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) and the Tax Reform Act of 1986.

##### Benefits:

The Plan provides hospital, major medical, prescription drugs, and surgical benefits to its participants.

##### Contributions:

The employee monthly contribution rate is determined annually by the trustees. The employer's contribution is an amount sufficient to cover the claims and expenses up to the maximum permitted by the Internal Revenue Service.

##### Plan Termination:

In the event the Plan is terminated, the balance in the trust fund will be allocated, to the extent available, in the following order of priority:

1. To pay Plan termination expenses
2. To pay any and all obligations of the trust and distribute and apply any remaining balance in such manner as will, in the trustees' opinion, best effectuate the purposes of the trust fund and meet the termination requirements.

The sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to provisions set forth in ERISA. Funding to the trust was discontinued as of September 30, 2024. Trust investments were liquidated through January 24, 2025, and utilized to pay claims through the year ended March 31, 2025. Subsequent to year end, claims and plan-related expenses are funded directly by the plan sponsor.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on an accrual basis and in accordance with U.S. generally accepted accounting principles.

Administrative Fees, Expenses and Insurance Premiums:

All administrative fees, expenses and insurance premiums incurred for the maintenance of the Plan were paid by the Plan.

Investment Valuation and Income Recognition:

Plan investments are stated at fair value as determined by the trustee, based on quoted market prices. Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation or depreciation of these investments. Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income is recorded when paid. Capital gain distributions are included in dividend income.

Fair value of the investments was determined using methodology as required under FASB ASC 820 Fair Value Measurements. There have been no changes in the methodologies used at March 31, 2025 and 2024.

Risks and Uncertainties:

Plan investments include government securities, equity securities, and corporate bonds with varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles require the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events:

Management evaluated all activity of the Plan through January 14, 2026, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

#### NOTE C - BENEFIT OBLIGATIONS

The Plan maintains specific and aggregate stop loss insurance.

Health costs incurred by participants and their beneficiaries and dependents are paid by the Plan up to a maximum of \$150,000 per covered person for each plan year. Benefits in excess of \$150,000 per year are covered by insurance contracts maintained by the Plan. The contract maintained by the Plan runs from the period of April 1 to March 31.

Health claims payable includes an allowance for incurred but not reported claims (IBNR). This allowance is based on estimates developed by management. Current year estimates are based on 8 months of subsequent year payments plus an estimate for periods beyond 8 months. Prior year estimates are based on 7 months of subsequent payments plus an estimate for periods beyond 7 months. An obligation of \$80,947 and \$77,870 has been reported in the accompanying statements of benefit obligations at March 31, 2025 and 2024, respectively. Because of inherent uncertainties in estimating claims, it is at least reasonably possible that the estimate will change in the near term. However, the Plan's maximum liability for the contract periods ended March 31, 2025 and 2024 was \$13,358,504 and \$11,445,203, respectively.

#### NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

The Company's securities consisted of interest bearing and cash deposits, U.S. government and equity securities which are valued at fair value based on quoted prices for identical assets in active markets and fall within Level 1 of the fair value hierarchy. The Company's securities consisting of corporate bonds are valued at fair value based on quoted prices for similar assets or liabilities in non-active markets and fall within Level 2 in the fair value hierarchy.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table is in accordance with Subtopic 820-10 and included in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

	Assets at Fair Value		
	Level 1	Level 2	Total
<u>March 31, 2024</u>			
Interest bearing cash deposits	\$ 2,664,126	\$ 0	\$ 2,664,126
U.S. government securities	696,683	0	696,683
Corporate bonds	0	2,061,867	2,061,867
Equity securities	899,144	0	899,144
	<u>\$ 4,259,953</u>	<u>\$ 2,061,867</u>	<u>\$ 6,321,820</u>

There were no investments held at fair value as of March 31, 2025.

NOTE E - INCOME TAX STATUS

The Trust, established under the Plan to hold the Plan's assets, is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan obtained its latest determination letter in March 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and is tax-exempt.

NOTE F - CREDIT RISK

The Plan maintained cash deposits in financial institutions in excess of federally insured limits during the years ended March 31, 2025 and 2024. The Plan placed cash deposits with high quality financial institutions and has not experienced any losses on deposits.

The Plan was invested in various investment securities, which were exposed to various risks such as interest rate, market and credit risks.
