## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
Associated General Contractors Health Benefit Trust  
Wilsonville, Oregon

### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the financial statements of Associated General Contractors Health Benefit Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of March 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended March 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Associated General Contractors Health Benefit Trust as of March 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended March 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Associated General Contractors Health Benefit Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated General Contractors Health Benefit Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated General Contractors Health Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated General Contractors Health Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i—schedule of assets (held at end of year) as of March 31, 2025 and schedule H, line 4j—schedule of reportable transactions for the year ended March 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of administrative expenses for the year ended March 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025 AND 2024**

**NOTE 1 DESCRIPTION OF PLAN**

**Nature of Operations**

The following description of Associated General Contractors Health Benefit Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan and trust became effective January 1, 1971, as a result of an agreement between the Oregon-Columbia Chapter, The Associated General Contractors of America, Inc. (Plan Sponsor), and its employer members for the benefit of the members' employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Benefits**

The Plan provides medical, dental, prescription drug, vision, life, accidental death and dismemberment, short-term disability, wellness, and EAP benefits through group insurance policies for eligible members as specified in the Plan. Each participating employer elects the eligibility provisions for their employees from pre-defined options at annual contract renewal.

**Contributions**

Participating employers make monthly contributions to the Plan to provide benefits for employees based on specified rates. Terminated participants may contribute to the Plan under the provisions of COBRA to maintain coverage.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Contribution Revenue**

Contribution revenue is recognized as the Plan becomes obligated for the payment of benefits. Therefore, contributions received after March 31 for benefits provided before the beginning of the subsequent year are recognized as contributions receivable. On the other hand, contributions received before March 31 for benefits provided in the subsequent year are recognized as unearned.

Accounting principles generally accepted in the United States of America require separate disclosure of employer and employee contributions. Each employer determines the cost allocation between employee and employer to provide benefits. Based on how the Plan is administered, it is not feasible to segregate between the source of the contributions and, consequently, that information is not disclosed in the accompanying financial statements.

**ASSOCIATED GENERAL CONTRACTORS HEALTH BENEFIT TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025 AND 2024**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Valuation of Investments**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Benefit Obligations**

Participating employers may elect to contribute dollars in excess of those necessary to provide current insurance coverage. Such contributions are held in a dollar bank for the employee and are used to provide continuing coverage under the Plan when the employee's hours counted for eligibility to receive coverage fall below the level required for coverage paid with current employer contributions. These future benefits can be accumulated for each employee for up to a maximum of 18 months of health insurance coverage. The obligation calculation is the actual amount of eligible contributions held in the dollar bank and not used for benefits as of year-end.

Premiums payable is based on actual payments to insurance carriers subsequent to year-end for coverage prior to the years ended March 31, 2025 and 2024.

**Premiums**

Premiums are recorded when paid.

**Administrative Expenses**

All expenses of maintaining the Plan are paid by the Plan.

**Concentration of Credit Risk**

The Plan's cash balances are held at one financial institution. Accounts at this institution are insured by a government agency up to \$250,000. At times, the balances in the account may exceed the insured limit.

**Subsequent Events**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 13, 2026, the date the financial statements were available to be issued.

**ASSOCIATED GENERAL CONTRACTORS HEALTH BENEFIT TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025 AND 2024**

**NOTE 3 PLAN TERMINATION**

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

**NOTE 4 TAX STATUS**

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax exemption letter on February 28, 1972, in which the Internal Revenue Service (IRS) stated that the trust, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the trust, as amended, continues to qualify and to operate in accordance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**ASSOCIATED GENERAL CONTRACTORS HEALTH BENEFIT TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025 AND 2024**

**NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2025 and 2024.

*Mutual Funds, Exchange Traded Funds, and Money Market Funds* – Valued at the daily closing price as reported by the fund. Mutual funds, exchange traded funds, and money market funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of March 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,182,070	\$ -	\$ -	\$ 1,182,070
Exchange Traded Funds	558,746	-	-	558,746
Total Assets at Fair Value	<u>\$ 1,740,816</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,740,816</u>

**NOTE 6 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**ASSOCIATED GENERAL CONTRACTORS HEALTH BENEFIT TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025 AND 2024**

**NOTE 6 RISKS AND UNCERTAINTIES (CONTINUED)**

The liability for the dollar bank obligation at March 31, 2025 and 2024, was estimated based on actual contributions remitted prior to March 31 but not applied to benefits before March 31. The liability for premiums payable at March 31, 2025 and 2024, was estimated using actual payments to insurance carriers subsequent to year-end. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**NOTE 7 PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS**

Morgan Stanley was the custodian as defined by the Plan and, therefore, certain transactions qualify as party-in-interest transactions.

The Plan Sponsor provides certain administrative services to the Plan for which fees are charged based on customary and reasonable rates for such services. There were no fees incurred relative to services performed by the Plan Sponsor for the year ended March 31, 2025.

**NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at March 31:
