Independent Auditor's Report

To the Board of Trustees of
Local 306 Theatrical Employees Health Fund

Opinion

We have audited the accompanying financial statements of Local 306 Theatrical Employees Health Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for plan benefits as of March 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of Local 306 Theatrical Employees Health Fund as of March 31, 2025 and 2024, and the changes in its nets assets available for plan benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Local 306 Theatrical Employees Health Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 306 Theatrical Employees Health Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining

sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local 306 Theatrical Employees Health Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 306 Theatrical Employees Health Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control related matters that we identified during the audit.

Supplemental Schedules required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, schedule of assets acquired and disposed of within year and schedule of transactions or series of transactions in excess of 5% of the current value of plan assets as of March 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated in all material respects in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LOCAL 306 THEATRICAL EMPLOYEES HEALTH FUND
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Local 306 Theatrical Employees Health Fund (“Fund”) is designed to provide all covered employees with hospitalization and surgical insurance, life insurance and various other related benefits. The Fund was established pursuant to collective bargaining agreements between the Motion Picture Projectionists, Operators, Video Technicians, Allied Crafts and Theatrical Employees, Local Union 306, of Greater New York, IATSE. The significant accounting policies of the Fund are as follows:

Income Contributions - The Fund receives contributions from employers including theaters and income is determined by reports submitted by an independent certified public accounting firm.

Other employer contributions are calculated at a fixed rate based on provisions contained in the collective bargaining agreements between the employers and the Fund.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments consist of stocks, bonds and other funds. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation includes the Fund’s gains and losses on investments bought and sold as well as held during the year.

Insured Benefits - The Fund provides coverage to its participants through experience rated policies with insurance companies.

Benefit Payments - The Fund self-insures the medical, surgical, home health care, diagnostic X-ray and laboratory, radiotherapy, emergency accident, acute illness, optical and dental benefits for its eligible members. The Fund also self-insures life insurance for long-term employees not eligible for regular life insurance. Fund benefits for hospitalization are insured by EmblemHealth. Fund benefits for life insurance and accidental death and dismemberment are insured by Amalgamated Life Insurance Company. The Fund provides a death benefit to participants meeting specific eligibility requirements, based on a listing of eligible participants furnished by the Fund administrator. Plan benefits and eligibility are detailed in the Fund’s Summary Plan Description. In order to qualify for benefits a participant must be employed by an employer who is a party to the collective bargaining agreements that require employers to make contributions into the Fund. In addition, participants must meet certain annual earnings requirements in order to qualify for benefits which are only available on a year-by-year basis.

Subsequent Events – Management accepts responsibility for the financial statements and subsequent events through January 12, 2026. Subsequent events have been evaluated through January 12, 2026 which is the date the financial statements were available to be issued and there are no subsequent events requiring disclosure.

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

LOCAL 306 THEATRICAL EMPLOYEES HEALTH FUND
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2025 AND 2024

NOTE 2 – TAX STATUS

The trust established under the Fund to hold the Fund’s assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code and, accordingly, the Trust’s net investment income is exempt from income taxes. The trust has obtained a favorable determination letter from the Internal Revenue Service, and the Fund sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Fund administrator to evaluate tax positions taken by the Fund and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Fund is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 3 - CONCENTRATION OF CREDIT RISK

The Fund places its cash in what it believes to be credit-worthy financial institutions. However, cash balances exceeded FDIC insured levels at various times during the year.

NOTE 4 – OTHER INCOME

Other income consists of an annual participation enrollment fee for participants who are eligible for and choose to enroll in Tier II Benefits Coverage.

NOTE 5 – FAIR VALUE MEASUREMENTS

The Fund’s investments are reported at fair value in the accompanying statement of net assets available for plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consists of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Fund uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Fund measures fair value using unadjusted quoted prices in active markets (Level 1 inputs) because they generally provide the most reliable evidence of fair values. There have been no changes in the methodologies used at March 31, 2025 and 2024.

The fair values of common stock and certain fixed income obligations are based on quoted market prices from active markets.
