INDEPENDENT AUDITOR'S REPORT

January 14, 2026

To the Plan Administrator and Participants of the
OUP USA Defined Contribution Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the OUP USA Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended March 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Plan records are not adequate to assure the completeness of participants' data on which eligibility, and benefit payments are determined. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of March 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

OUP USA DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of OUP USA Defined Contribution Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established on October 1, 1987 to provide retirement benefits for employees of the United States operations of the Chancellor, Masters and Scholars of The University of Oxford, operating as OUP USA (the "Plan Sponsor" or "Employer") and their beneficiaries. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Administrative Committee oversees the Plan. The Administrative Committee consists of the individuals required under the Plan document and as appointed by the President of OUP USA. Teachers Insurance and Annuity Association (TIAA), College Retirement Equities Fund (CREF), and The Lincoln National Life Insurance Company (Lincoln) are the insurance companies with respect to certain investments of the Plan. Fidelity Management Trust Company (Fidelity) is the trustee and custodian of the Plan and Fidelity Workplace Services, LLC (FWS) is the recordkeeper of plan assets.

Eligibility

Eligible employees, as defined in the Plan document, were eligible to participate in the Plan as of their employment date. Effective September 1, 2020, the Plan was restated through the adoption of a Volume Submitter Money Purchase Pension Plan. With this restatement, anyone who was not an active eligible employee eligible for contributions under the Plan as of August 31, 2020, was excluded from the Plan.

Contributions

Effective April 1, 2023, employer contributions under the Plan are temporarily suspended. Prior to April 1, 2023, the Employer made contributions to the Plan for each eligible participant hired before September 1, 2020 based upon 7 percent of their compensation as defined by the Plan document. Contributions were invested based upon participant direction in the funds offered by the Plan. Maximum contributions made to the Plan prior to April 1, 2023 did not exceed the amount permitted under Section 415 of the Internal Revenue Code.

Participant Accounts

Each participant's account is credited with an allocation of (a) Plan earnings (losses) and (b) Plan expenses. Allocations are based on participant account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in employer contributions after the completion of three years of service. The Plan has no partial vesting provisions.

Payment of Benefits

Upon termination of employment, attaining age 62, retirement, or death, a participant or beneficiary may elect to receive either a lump-sum payment of their account balance, installment payments over a period that does not exceed life expectancy of the participant, or payment in the form of an annuity.

Administrative Expenses

Administrative expenses paid by the Plan include investment advisory, auditing, legal, recordkeeping and transaction fees. Expenses not paid by the Plan are paid by the Plan Sponsor.

Forfeitures

Forfeitures of non-vested account balances are used to reduce Employer contributions. No forfeitures were used to reduce the Employer's contributions in 2025 and 2024. There were no unallocated forfeitures at March 31, 2025 and 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Payment of Benefits

Benefits are recorded when paid.

Investments

Investments are reported at fair value (except for fully benefit responsive investment contracts, which are reported at contract value). Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

Fair Value Measurement - Definition and Hierarchy

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input (with level 3 being the lowest) that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Registered investment companies are valued at the net asset value of shares held at year end based on quoted market prices in active markets.

Pooled separate accounts: The fair values of interest pooled in separate accounts are valued at the net asset value of shares held at year end based on quoted market prices in active markets.

Non-benefit responsive fixed annuity contracts: Value is calculated as accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in fair value methodology during 2025 and 2024.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts of net assets available for benefits and the amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

3. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at March 31:

<u>2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 62,900,919	\$ -	\$ -	\$ 62,900,919
Pooled separate accounts	722,399	-	-	722,399
Non-benefit responsive fixed annuity contracts	<u>-</u>	<u>-</u>	<u>8,698,972</u>	<u>8,698,972</u>
	<u>\$ 63,623,318</u>	<u>\$ -</u>	<u>\$ 8,698,972</u>	<u>\$ 72,322,290</u>
<u>2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 66,035,525	\$ -	\$ -	\$ 66,035,525
Pooled separate accounts	781,249	-	-	781,249
Non-benefit responsive fixed annuity contracts	<u>-</u>	<u>-</u>	<u>8,805,942</u>	<u>8,805,942</u>
	<u>\$ 66,816,774</u>	<u>\$ -</u>	<u>\$ 8,805,942</u>	<u>\$ 75,622,716</u>

During the year ended March 31, 2025, no investments classified as Level 3 within the fair value hierarchy were purchased. During the year ended March 31, 2024, investments classified as Level 3 within the fair value hierarchy totaling \$23,182 were purchased. During the years ended March 31, 2025 and 2024, investments classified as Level 3 within the fair value hierarchy totaling \$499,774 and \$1,039,847, respectively, were sold.

The following table describes the valuation techniques used for recurring fair value measurements for assets in Level 3 of the fair value hierarchy at December 31:

4. CERTIFIED INVESTMENT INFORMATION

Schedule of Assets (Held at End of Year)	Schedule I	

5. INVESTMENTS AT CONTRACT VALUE

The Plan has a Stable Value Fund, issued under a group fixed annuity contract by The Lincoln National Life Insurance Company. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Stable Value Fund invests in a diversified portfolio of fixed income instruments. Contract value, as reported by Lincoln Investment Management Company ("LIMCO"), represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The issuing insurance company is contractually obligated to repay principal and interest at a specified rate to the Plan. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio, but are guaranteed to be no less than 1%. Such interest rates are reset quarterly based on the underlying portfolio and current new money investment yields and are guaranteed for each 3-month period, and have a guaranteed minimum crediting rate of 1%. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Participants will receive the principal and earnings credited to their accounts on withdrawal for allowed events.

5. INVESTMENTS AT CONTRACT VALUE (Continued)

These events include transfer to other Plan investment options, and payments because of retirement, termination of employment, disability, death and in-service withdrawals as permitted by the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

7. INCOME TAX STATUS

The Plan is based on a pre-approved plan document. The Plan has relied on an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the pre-approved plan's qualified status. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS

TIAA, CREF and Lincoln are the insurance companies with respect to certain investments of the Plan. Fidelity is the trustee and custodian of the Plan and FWS is the recordkeeper of the Plan's assets.

As such, transactions between TIAA, CREF, Lincoln, Fidelity, FWS and the Plan qualify as party-in-interest transactions.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended March 31, 2025 and 2024.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through January 14, 2026, which is the date the financial statements were available to be issued.
