MARCH 31, 2025 AND 2024

## **INDEPENDENT AUDITOR'S REPORT**

Board of Trustees  
IBEW Local 684 Money Purchase  
Pension and Profit Sharing Plan  
7180 Koll Center Parkway, Suite 200  
Pleasanton, California 94566

Members of the Board:

### **Opinion**

We have audited the accompanying financial statements IBEW Local 684 Money Purchase Pension and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of March 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of March 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions,

including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**IBEW LOCAL 684 MONEY PURCHASE PENSION  
AND PROFIT SHARING PLAN**  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2025 AND 2024

**NOTE 1 - DESCRIPTION OF THE PLAN**

The IBEW Local 684 Money Purchase Pension and Profit Sharing Plan (the "Plan") was organized on July 31, 1990 and is administered by the joint Board of Trustees of the International Brotherhood of Electrical Workers Local 684 ("IBEW Local 684") and the Northern California Chapter of the National Electrical Contractors Association.

The Plan is a defined contribution multiemployer pension plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN DOCUMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The accounts of the Plan are maintained on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**C. Employer and Participant Contributions**

Contributions as reported are contributions made for hours worked during the year. Participants may elect to defer from their wages \$1, \$3, \$5 or \$10 an hour to be contributed to the Plan on their behalf. Contributions are tax-deferred for purposes of income tax but are subject to employment taxes and other state taxes at the time of the deferral. Participants who reach age 50 prior to the end of a taxable year are permitted to make additional catch-up contributions in accordance with Code provisions. Elective deferrals are credited to each participant's account and are subject to applicable Code limits. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

**D. Payroll Compliance Program**

Employer remittance reports were accepted as submitted without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

**E. Payment of Benefits**

Generally, on termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of his or her account in a lump-sum, or equal installments. For termination of service due to other reasons, the timing and method of payments may vary depending on the circumstances.

**IBEW LOCAL 684 MONEY PURCHASE PENSION  
AND PROFIT SHARING PLAN**  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2025 AND 2024

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**F. Vesting**

Participants are immediately 100% vested in their entire account balance.

**G. Tax-Exempt Status**

No provision for federal or state income tax is made. The Plan received its latest determination of tax-exempt status on June 8, 2016. The plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**H. Risks and Uncertainties**

Plan investments are exposed to various risks such as interest rates, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of the investment securities could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**IBEW LOCAL 684 MONEY PURCHASE PENSION  
AND PROFIT SHARING PLAN**  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2025 AND 2024

**NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2025 and 2024. Mutual funds are valued at the closing price reported on the active market on which the securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the Plan's investments at March 31, based on the inputs used to value them:

	2025			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 41,994,909	\$ -	\$ -	\$ 41,994,909
Investments Measured at Net Asset Value <sup>A</sup>				1,191,711
				\$ 43,186,620
	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 38,546,262	\$ -	\$ -	\$ 38,546,262
Investments Measured at Net Asset Value <sup>A</sup>				819,157
				\$ 39,365,419

<sup>A</sup> In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to reconcile the fair value hierarchy to the statements of net assets available for benefits.

The following table presents the fair value, unfunded commitments and information about redemptions for those investments where the fair value is determined by the NAV per share or its equivalent as of March 31, 2025 and 2024:

IBEW-NECA Stable Value Trust	1,004,493	769,745	None	Daily	None

**IBEW-NECA Equity Index Fund** provides investment returns similar to those of the S&P 500 Composite Index.

**IBEW-NECA Stable Value Trust** seeks the preservation of principal and provides interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are computed using investments' carry values for financial statement purposes.

The Plan did not have any transfers into or out of Levels 1, 2 or 3 for the year ended March 31, 2025.

**NOTE 4 - FUNDING POLICY**

The Board of Trustees has established a funding policy and method in order to promote the purpose of the Plan and to ensure compliance with ERISA. Each employer contributes to the Plan such amounts and at such times as are required by the applicable provisions of the collective bargaining agreement, or such other agreements as approved by the Board of Trustees. Employer and participant contributions are based on hourly contribution rates and are remitted within time limits established by the collective bargaining agreement on a monthly basis. The annual contributions for the years satisfied the minimum funding requirements of ERISA.

**NOTE 5 - PLAN TERMINATION**

Upon termination of the Plan, per the Agreement and Declaration of the Trust, any and all monies remaining in the Trust after payment of all expenses and obligations of the Plan shall be distributed among the participants.

**NOTE 6 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the year, various contributing employers remitted some participant contributions after the time limit established by the collective bargaining agreement. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. During the year ended March 31, 2025, late contributions totaled \$7,718.

**NOTE 7 - PENSION ENHANCEMENT OPTION**

A Plan participant, who is also a participant in the Pension Plan, may elect to have their Pension Plan benefits increased by the actuarial equivalent of a rollover contribution or elective transfer of funds from the participant's account balance in this Plan. The amount of rollover or transfer cannot be less than \$10,000 and the election to transfer funds must be made by the participant at the time of retirement under the Pension Plan. There were no pension enhancements during the years ended March 31, 2025 and 2024.

**NOTE 8 - TRANSACTIONS WITH RELATED PARTIES**

The Pension Plan collects employer contributions on behalf of the Plan and related trust funds on a monthly basis. The Pension Plan also pays for shared employer compliance fees, legal fees, and bank fees on behalf of the related trust funds. On an annual basis these fees are billed by the Pension Plan to the related trust funds based on a cost sharing allocation agreement effective May 19, 2020. As of March 31, 2025 and 2024, the amounts due to the Pension Plan were \$4,028 and \$3,179, respectively.

**NOTE 9 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through January 14, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
