FINANCIAL STATEMENTS

MARCH 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Paintmakers Money Accumulation
Pension Plan "B"
11724 NE 195th Street, Suite 300
Bothell, Washington 98011

Members of the Board:

Opinion

We have audited the accompanying financial statements of Paintmakers Money Accumulation Pension Plan "B" (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of March 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of March 31, 2025, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

The financial statements of the Plan as of and for the year ended March 31, 2024, were audited by other auditors whose report dated January 13, 2025, expressed an unmodified opinion on those statements.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The Paintmakers Money Accumulation Pension Plan "B" (the "Plan") was established on August 1, 1979 as a multi-employer defined contribution pension plan providing pension benefits to employees based on the terms of collective bargaining or participation agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENTS INCLUDE DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employer Contributions

Contributions as reported are contributions made for hours worked during the year at a fixed rate per hour under terms of the collective bargaining agreement. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

D. Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Benefits

Benefits are recorded when paid.

F. Participant Accounts

Each participant's account is credited with the participant's employer contribution and an allocation of Plan earnings, losses and expenses. Allocations are based on each participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

G. Vesting

Participants are immediately 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

H. Tax-Exempt Status

The Plan received its latest notice of tax-exempt status dated April 2016. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. Plan Termination

Although they have not expressed any intent to do so, the Board of Trustees has the right under the Plan to discontinue receipt of contributions at any time and to terminate the Plan subject to the provisions of ERISA.

J. Reclassification

Certain March 31, 2024 account balances have been reclassified to conform to the March 31, 2025 financial statement presentation.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at fair value, based on the inputs used to value as of March 31:

Investments Measured at Net Asset Value ^A				20,866,147
				\$ 38,541,499

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation for the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include money market funds and mutual funds valued based on quoted prices in an active market.

Purchases and sales of securities are reported on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation of investments includes gains and losses on investments bought and sold as well as held during the year.

The fair value as of December 31, unfunded commitments, significant terms of redemption, and investment objectives for the Plan's investments valued at net asset value are as follows:

The common/collective trusts and 103-12 investment entity are direct filing entities.

- [1] The objective of the Sentinel Real Estate Fund, LP is to provide its investors with a medium for pooling a portion of their funds for investments in real estate and interest in real estate entities. With written notice, payouts are paid pro rata based upon availability of funds. The Fund has a 27-month period for redemption requests to be satisfied, provided that the General Partner may further suspend the payment of redemption if the General Partner determines in good faith that the payment of the redemption is reasonably expected to be prejudicial to the non-redeeming Limited Partners or the Partnership as a whole.

NOTE 4 - FUNDING POLICY

The Board of Trustees has established a funding policy and method in order to promote the purpose of the Plan and to ensure compliance with ERISA. Each employer contributes to the Plan such amounts and at such times as is required by the applicable provisions of the collective bargaining agreement. Employer contributions are based on hourly contribution rates and are made on a monthly basis. The annual contributions for the year satisfied the minimum funding requirements of ERISA.

NOTE 5 - RISKS AND UNCERTAINTIES

Plan investments are exposed to risk factors including interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.
