INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
American School for the Deaf Section 403(b) Retirement Plan,

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the American School for the Deaf Section 403(b) Retirement Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN SCHOOL FOR THE DEAF SECTION 403(b) RETIREMENT PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the American School for the Deaf (the “School/Employer”) Section 403(b) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and related amendments for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering employees of the School. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan, which was established effective July 1, 2009, allows for participant contributions which are self-directed into several available investment funds and provides for participant loans. All employees are eligible to participate in the Plan.

Contributions - Participants may elect to tax defer amounts as allowed under the Plan and Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions as allowed under the Plan and IRC.

For each Plan year, the Employer will contribute to the Plan, on behalf of each participant whose date of hire or rehire (other than a rehire within any applicable recall period) is on or after July 1, 2009, a contribution equal to 3% of the eligible participants’ includable compensation as identified in the Plan document. For the year ended June 30, 2025, the Employer made 3% contributions of \$436,671. In addition, for each participant whose date of hire or rehire (other than a rehire within any applicable recall period) is on or after July 1, 2009, the Employer will make a matching contribution equal to 50% of the eligible participant elective deferral, up to 2% of the eligible participant includable compensation. For the year ended June 30, 2025, the Employer made matching contributions of \$157,160.

Participant Accounts - Each participant’s account is credited with the participant’s contributions, rollover contributions and Employer contributions, as well as allocations of Plan earnings and expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options - Participants may direct employee and Employer contributions into any of the various investment options in 1% multiples.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 100% vested in the Employer contributions and related earnings after three years of service. Prior to satisfying these conditions the participant has no vested interest in the Employer contribution portion of their account.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account. The loan interest rate is set at 1% above the prime rate, as defined in the Plan document. Principal and interest are paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payments of Benefits - Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to 1) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account; or 2) receive periodic installments (at least annually), subject to the minimum distribution rules. Terminated employees with vested balances below \$1,000 will have their accounts automatically distributed. Terminated employees with vested balances between \$1,000 and \$5,000 will have their accounts automatically rolled into an IRA with Charles Schwab Bank ("Charles Schwab") if no election to withdraw or rollover is made. Withdrawals prior to termination are allowed if participants have reached 59 ½ as described in the Plan document, and for hardship subject to Internal Revenue Service ("IRS") regulations, or for the purpose of a participant loan.

Forfeited Accounts - At June 30, 2025 and 2024, forfeited non-vested accounts totaled \$376 and \$14,301, respectively. These accounts may be used to pay for Plan expenses or to reduce future Employer contributions. During the year ended June 30, 2025, \$48,196 was utilized to reduce Employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash - The Plan considers all highly liquid instruments with a maturity of three months or less to be cash and cash equivalents.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Expenses - The Plan is sponsored by the School. Personnel within the School perform various administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as Plan expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment expenses are included with net appreciation on the statement of changes in net assets available for benefits.

Subsequent Events - The Plan evaluated subsequent events for the year ended June 30, 2025 through January 5, 2026, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at June 30, 2025 and 2024.

Level 1 Fair Value Measurements

Money market funds: Valued at the daily closing price as reported by the fund. The money market funds held by the Plan are open-ended fund that are registered with the Securities and Exchange commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price, which approximates \$1. The money market funds held by the Plan are deemed to be actively traded.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of:

	Assets at Fair Value as of June 30, 2025			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 398	\$ -	\$ -	\$ 398
Registered investment companies (mutual funds)	11,845,804	-	-	11,845,804
Total investments, at fair value	<u>\$ 11,846,202</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,846,202</u>

	Assets at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 32,830	\$ -	\$ -	\$ 32,830
Registered investment companies (mutual funds)	9,701,654	-	-	9,701,654
Total investments, at fair value	<u>\$ 9,734,484</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,734,484</u>

NOTE 4 - CERTIFIED INFORMATION

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable from participants held at June 30, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab, the trustee of the Plan.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various money market funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of money market funds managed by Charles Schwab. Charles Schwab is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment. The Plan allows participants to take loans against their account balances, which are also considered party-in-interest transactions. Total fees paid by the Plan for administrative expenses were \$11,796 for the year ended June 30, 2025 and are also considered exempt party-in-interest transactions. The School pays directly any other fees related to the Plan operations.

NOTE 7 - INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with sample language provided by the IRS in Revenue Procedures 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.
