Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of RSR 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended June 30, 2025, and Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RSR 401(k) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The RSR 401(k) Retirement Plan (the “Plan”) provides and administers retirement benefits for eligible employees of RSR Group, Inc. (the “Company”).

The Plan includes both a 401(k) retirement plan and a profit-sharing plan. The Plan’s administrator and sponsor is RSR Group, Inc. The Plan’s trustee is Fidelity Management Trust Company (the “Trustee”).

The following description of the Plan provides only general information. Participants should refer to the Plan Document and the Summary Plan Description for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering all eligible employees of the Company who have three consecutive months of service and are age eighteen or older. Effective July 26, 2021, the Plan was amended to allow interns to participate in the Plan upon attainment of age 21 and completion of at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan provides a participant-directed investment program.

Contributions. Each year, participants may contribute pre-tax or Roth after-tax deferrals up to 60% of annual compensation, as defined. Effective May 1, 2022, the Plan was amended to allow participants to contribute additional after-tax contributions of up to 10% of annual compensation. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). The Company provides a matching contribution to the Plan and reserves the right to make discretionary profit-sharing contributions. Contributions are subject to limitations as set forth in the Internal Revenue Code. For the year ended June 30, 2025, the Company did not elect to make any profit-sharing contributions.

The Company matches 25% of participant deferral contributions up to 10% of the participant’s compensation, as defined in the Plan document. Employees who are eligible to participate in the 401(k) plan will be automatically enrolled in the Plan at a contribution amount of 4% of eligible compensation unless they opt out within 30 days or make a contrary salary deferral election. Thereafter, employee contributions will automatically increase every 12 months by 1% until a 10% contribution amount is achieved. This feature can be discontinued at any time and is only applicable to those employees who remain automatically enrolled.

**RSR 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

Participant Accounts. Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of Company profit sharing contributions (if any), and Plan earnings, and charged with distributions, administrative fees, and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions and the related earnings. Company contributions and the related earnings become vested at the rate of 20% per year after two years of service until 100% vesting is achieved after six years of service.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. Notes are secured by the funds in the borrowing participant's account. Note terms range from one to five years or up to 10 years for the purchase of a primary residence. All notes will bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances (usually the prime rate plus 1%). Principal and interest are paid ratably through payroll deductions. The Plan allows terminated participants to continue making loan repayments after separation. If a participant dies, outstanding amounts are immediately due and payable.

Payment of Benefits. On termination of service due to death, disability, retirement, or any other reason, participants, upon election, will receive the value of their vested interest in their accounts as a lump sum distribution. Hardship withdrawals may be requested and are paid in a single lump sum upon approval. In-service distributions may be made to participants who have attained age 59½.

Forfeited Accounts. At June 30, 2025 and 2024, forfeited non-vested accounts totaled \$962 and \$132, respectively. Forfeited balances of terminated participants' non-vested accounts may be used to pay administrative fees or reduce future employer contributions. For the Plan year ended June 30, 2025, \$8,159 of forfeited non-vested accounts was used to pay administrative fees, and \$22,256 was used to reduce employer contributions.

NOTES TO FINANCIAL STATEMENTS**

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting. The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits, changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are reported at fair value, with the exception of a fully benefit-responsive investment contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies using information provided by investment advisors and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of investment securities are recorded on the trade date. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants. Notes receivable from participants are reported at the outstanding loan balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayment of principal and interest are received through payroll deductions. The notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Administrative Expenses. Administrative expenses of the Plan are paid by the Plan in accordance with the Plan document unless the Plan sponsor elects to pay such expenses. The Plan sponsor elected to pay certain administrative expenses of the Plan, including \$81,708 of audit, investment advisory, and other fees for the year ended June 30, 2025. Expenses paid by the Plan sponsor are excluded from these financial statements. The Plan also has a revenue sharing agreement with Fidelity Management Trust Company. Revenue sharing credits are used to offset qualified administrative expenses of the Plan and may be allocated to participant accounts to offset participant expenses under the Plan. For the year ended June 30, 2025, \$7,916 of revenue sharing credits were allocated to participant accounts. The remaining administrative fees include amounts paid through forfeitures of \$8,159, as described in Note A, and \$45,610 of loan, withdrawal, and recordkeeping fees, which were charged against applicable individual participant accounts. See Exempt Party-in-Interest Transactions in Note H.

Payment of Benefits. Benefits are recorded when paid.

RSR 401(k) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

Risks and Uncertainties. The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with investment securities, changes in the values of investment securities could occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

Subsequent Events. The Plan has evaluated events and transactions occurring subsequent to June 30, 2025, as of January 12, 2026, which is the date the financial statements were available to be issued. Subsequent events occurring after this date have not been evaluated by management. No material events have occurred since June 30, 2025 that require recognition or disclosure in the financial statements.

C. FAIR VALUE MEASUREMENTS

The Plan applies the rules of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, which defines fair value, establishes a framework for measuring fair value, and expands required disclosure about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices such as: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Assets of the Plan are measured at fair value, except for the Plan's investment in insurance contracts. Fair value estimates discussed herein are based upon certain market assumptions and pertinent information available to the Plan sponsor as of June 30, 2025. The mutual funds held by the Plan, which are deemed actively traded, are valued at the net asset value ("NAV") of shares held by the Plan at year end.

**RSR 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

The Plan invests in the International Growth Fund II (“the Fund”), a common/collective trust managed by Great Gray Trust Company which is comprised of shares or units in commingled funds that are not publicly traded and are valued at their NAV. Participant transactions (purchases and sales) may occur daily, and there are no unfunded commitments on this investment. The Fund requires the Plan sponsor to provide advance written notice of five business days for Plan sponsor withdrawals which will exceed \$1 million of the assets invested in each fund. The Fund is valued using NAV as a practical expedient to estimate fair value. The NAV of shares held by the Plan at year end is based on the fair value of the underlying investments held by the Fund less its liabilities as reported by the issuer of the Fund. The Fund files a U.S. Department of Labor Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity. Accordingly, certain disclosure requirements under Accounting Standards Update (“ASU”) 2015-12 with respect to investment strategies for investments measured using the NAV practical expedient are not required in this report.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of June 30, 2025 and 2024:

<u>June 30, 2025</u>	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 23,084,884	\$ 23,084,884	\$ -	\$ -
Common Collective Trust	<u>514,228</u> *			
Total Investments	<u>\$ 23,599,112</u>			

<u>June 30, 2024</u>	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 20,584,529	\$ 20,584,529	\$ -	\$ -
Common Collective Trust	<u>376,601</u> *			
Total Investments	<u>\$ 20,961,130</u>			

* Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have been removed from the total investments in the fair value hierarchy. The net asset values presented in this table are intended to reconcile the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS**

D. INVESTMENT IN INSURANCE CONTRACTS

As described in ASC 962, *Plan Accounting – Defined Contribution Pension Plans*, as updated by ASU 2015-12, fully benefit-responsive investment contracts held by a defined contribution plan are required to be reported at contract value. During the plan years ended June 30, 2025 and June 30, 2024, Fidelity Investments held the Guaranteed Income Fund (“GIF”), formerly the Prudential Guaranteed Income Fund, a stable value fund invested in a group annuity contract with Empower Annuity Insurance Company (“EAIC”), formerly Prudential Retirement Insurance & Annuity Company (“PRIAC”). The Plan considers the GIF to be fully benefit-responsive. The GIF is backed by the full faith and creditworthiness of the issuer. Guarantees are based on the claims-paying ability of EAIC and not on the value of the securities within the insurer’s general account. The credit rating of the issuer at June 30, 2025 was considered investment grade, and there are no reserves against contract value for credit risk of the contract issuer or otherwise. Only an event causing liquidity constraints at EAIC could limit the ability of the Plan to transact at the contract value to be paid within 90 days or, in rare circumstances, the contract value to be paid over time. There are not any events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value to be paid either within 90 days or over time. The GIF is included at its contract value, as reported to the Plan by EAIC, in the statements of net assets available for plan benefits. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Interest crediting rates are reviewed semi-annually with a minimum rate of 1.5%. The actual rate credited to participants at June 30, 2025 was 2.10%. The contract value was \$412,638 and \$546,786 at June 30, 2025 and 2024, respectively.

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

F. EXCESS CONTRIBUTIONS

There were no significant excess contributions from participants for the Plan year ended June 30, 2025 or June 30, 2024. Any excess deferral contributions are timely returned to the participants, as required to satisfy relevant nondiscrimination provisions of the Plan.

G. TAX STATUS

The underlying non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020 stating that the Plan qualifies under Section 401 of the Internal Revenue Code (“IRC”) and, therefore, is not subject to tax under the present income tax law. The Plan has been amended since receiving the ruling. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance

**RSR 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments, an affiliated entity of Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services are reflected in the earnings of the participants' funds. The Plan paid administrative and advisory fees of \$53,769, net of revenue sharing credits, for the year ended June 30, 2025. Notes receivable from participants also qualify as exempt party-in-interest transactions.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling items between the financial statements and the amounts reflected in the Form 5500 as filed by the Company with the Employee Benefits Security Administration ("EBSA").

J. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the auditor not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee, except for comparing such information to the related information included in the financial statements and supplemental Schedule of Assets (Held at Year End). The Plan administrator has obtained certifications from the trustee that the information provided to the Plan administrator by the trustee as of June 30, 2025 and June 30, 2024, and for the year ended June 30, 2025, is complete and accurate. Such information includes all investments, notes receivable from participants, net appreciation in fair value of investments, interest and dividends, interest on notes receivable from participants, and the information in the supplemental Schedule of Assets (Held at Year End).

**RSR 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

K. NON-EXEMPT TRANSACTIONS

During the Plan year ended June 30, 2025, the Company remitted an employee loan repayment for \$38 after the appropriate time period prescribed by the Department of Labor.
