## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
Contractors Plan Trust Health Reimbursement Arrangement

### **Opinion**

We have audited the accompanying financial statements of Contractors Plan Trust Health Reimbursement Arrangement (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Contractors Plan Trust Health Reimbursement Arrangement as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Contractors Plan Trust Health Reimbursement Arrangement and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Contractors Plan Trust Health Reimbursement Arrangement's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Contractors Plan Trust Health Reimbursement Arrangement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Contractors Plan Trust Health Reimbursement Arrangement's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matter - Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) ("supplemental schedule") as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of Contractors Plan Trust Health Reimbursement Arrangement (the Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

The Plan has been established as a health reimbursement arrangement, as defined in the Internal Revenue Code (the "Code") and the Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is part of The Contractors Plan Trust II ("Trust"). The Plan's custodian is American Bank of Commerce (the "Custodian"). Fringe Benefit Group, Inc. ("FBG") serves as the third party administrator and recordkeeper to the Plan. FBG is responsible for determining whether claimed benefits are provided for by the Plan, processing claim payments, ensuring the claim payments are correct and within the payment limits stipulated by the Plan, and maintaining all documentation in support of claim payments. Black Hills Works, Inc. (the "Sponsor" or "Employer") serves as Plan sponsor.

Eligibility

All employees who provide services on a project or contract that is subject to prevailing wage laws, and if the project and the job performed are covered under the Plan, then for purposes of receiving any prevailing wage contribution made to the Plan employees are eligible. The date of eligibility begins on the date they first perform services on the project or their date of hire on the covered prevailing wage project. They will become a participant in the Plan on that date. Former employees are eligible to use up their remaining Plan funds until their account has been depleted.

Benefits

The Plan provides for reimbursement of qualifying medical expenses and covers eligible employees of the Sponsor from the participant's Health Reimbursement Account ("HRA"). Each participant's benefits are limited to the amount contributed by the Sponsor annually. Remaining funds stay in the participants HRA until used.

Employer contributions

Employer contributions are based on government determined prevailing wages. The Sponsor provides an hourly rate contribution which covers the cost of participant benefits. Any funds remaining after paying the employee's benefits are allocated to a premium reserve account. The premium reserve account accumulates up to one month of employee only premiums for all benefits. Any excess funds are deposited into the HRA and made available for use in reimbursing the participant's eligible medical, prescription drug, dental, or vision claims, or any Medicare premiums.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of estimates

The preparation of the financial statements in conformity with US GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Actual results could differ from these estimates.

Employer contributions

The Plan is funded exclusively through Employer contributions. Employer contributions are recognized when received and allocated to participant accounts based on eligibility and plan provisions. Unused balances may be carried forward.

Payment of benefits

Claim payments are recorded when paid by FBG.

Expenses

Administrative expenses are recorded to the Plan up to \$10 per month per participant or the remaining funds within the participant's account.

Subsequent events

The Plan has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued.

3. INTEREST TRUST

The Plan utilizes The Contractors Trust Plan II (the "Trust"), which is a trust arrangement maintained by FBG for the benefit of multiple employee benefit plans. The Trust holds all Employer contributions made to the Plan. As of the date of this financial statement, the Trust assets solely consisted of non-interest bearing cash, which represents readily available funds to reimburse participants for qualified medical expenses incurred under the Plan.

The value of the Plan's interest in the Trust is based on the beginning of year value of the Plan's interest in the Trust plus actual contributions less payments and administrative expenses. As of December 31, 2024 and 2023, the Plan's interest in the net assets of the Trust was approximately 4.7% and 4.0%, respectively.

	Contractors Trust Plan II Balances	Plan's Interest in Contractors Trust Plan II Balances
Cash	\$ 13,354,146	\$ 532,945

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid expenses that consist primarily of administrative fees paid to FBG. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

5. TAX STATUS

The trust established under the Plan to hold the Plan's net assets is a welfare benefit fund as defined in Section 419 of the Internal Revenue Code. As such, contributions to this welfare benefit fund by the Sponsor is subjected to certain limitations. The Trust is subject to federal income tax on unrelated income. For the years ended December 31, 2024 and 2023, the Trust paid no income taxes because there was no unrelated income earned by the Trust.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

The Trust includes cash held within a financial institution. At times, such deposits may be in excess of the Federal Deposit Insurance Corporation ("FDIC") insurance limit. Plan management does not believe the Plan is exposed to any significant credit risk.

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in parts of Texas affected by severe storms, straight-line winds, and flooding that began on July 2, 2025. These taxpayers now have until Feb. 2, 2026, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA) [↗](#), individuals and households residing or having a business in Burnet, Coke, Concho, Edwards, Hamilton, Kendall, Kerr, Kimble, Lampasas, Llano, Mason, McCulloch, Menard, Real, Reeves, San Saba, Schleicher, Sutton, Tom Green, Travis, Uvalde, and Williamson Counties qualify for tax relief.

As a result, affected individuals and businesses will have until Feb. 2, 2026, to file returns and pay any taxes that were originally due during this period.

The Feb. 2, 2026, filing deadline applies to:

- Any individual, business or tax-exempt organization that has a valid extension to file their 2024 return due to run out on Oct. 15, 2025.
- Quarterly estimated income tax payments normally due on Sept. 15, 2025, and Jan. 15, 2026.
- Quarterly payroll and excise tax returns normally due on July 31, Oct. 31, 2025, and Jan. 31, 2026.
- Calendar-year partnerships and S corporations whose 2024 extensions run out on Sept. 15, 2025.

- Calendar-year corporations whose 2024 extensions run out on Oct. 15, 2025.
- Calendar-year tax exempt organizations whose extensions run out on Nov. 17, 2025.

The IRS notes, however, payments for returns on a filing extension are not eligible for additional time to pay as filing extensions only apply to the filing of the return and not to payments.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. Affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS Special Services toll-free number at 866-562-5227 to request this tax relief. Tax practitioners in the covered disaster area, who maintain records necessary to meet a filing or payment deadline for taxpayers located outside the disaster area, may contact the IRS Special Services; if the practitioner maintains the necessary records of ten or more clients, please refer to Bulk requests from practitioners for disaster relief for additional guidance.

## Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

## Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until Feb. 2, 2026, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after July 2, 2025, and before Feb. 2, 2026.

Estimated income tax payments originally due on or after July 2, 2025, are postponed through Feb. 2, 2026, and affected taxpayers will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before Feb. 2, 2026.

The IRS also gives affected taxpayers until Feb. 2, 2026, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (Dec. 10, 2018), that are due to be performed on or after July 2, 2025, and before Feb. 2, 2026.

Under the relief, Form 5500 series returns that were required to be filed on or after July 2, 2025, and before Feb. 2, 2026, are postponed through Feb. 2, 2026, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after July 2, 2025, and before July 17, 2025, will be abated as long as the tax deposits were made by July 17, 2025.

## Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2025 return normally filed next year), or the return for the prior year (the 2024 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. For individual taxpayers, this means Oct. 15, 2026. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts [PDF](#) and its instructions [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, 4879-DR on any return. See Publication 547 for details.

## Payment agreements

For taxpayers in an installment agreement or payment plan, reminder notices will continue to be issued, and direct debits will continue. Missed payments will not cause an agreement to default during the postponement period.

This means that an agreement will remain in effect, even if no installment agreement payments are made until Feb. 2, 2026. However, the usual interest and late-payment penalty charges will continue to accrue during this period.

Taxpayers who wish to suspend direct debit payments should contact the IRS Special Services toll-free number at 866-562-5227 or their bank for assistance.

## Other relief

The IRS will waive the usual fees for requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number **(4879-DR)**, in bold letters at the top of Form 4506, Request for Copy of Tax Return [PDF](#), or Form 4506-T, Request for Transcript of Tax Return, as appropriate [PDF](#), and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. You can exclude this amount only to the extent any expense it pays for isn't paid for by insurance or otherwise. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and that the taxpayer may take into income over three years. See Form 8915-F, Qualified Disaster Retirement Plan Distributions and Repayments and Disaster relief frequently asked questions: Retirement plans and IRAs under the SECURE 2.0 Act of 2022. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

For anyone affected by a natural disaster, the government may further extend the due date for filing the Report of Foreign Bank and Financial Accounts (FBAR). Be sure to review relevant FBAR relief notices [↗](#) for complete information.

The IRS may provide additional disaster relief in the future.

Taxpayers who do not qualify for disaster tax relief may qualify for reasonable cause penalty abatement. See [Penalty relief for reasonable cause](#) for additional information.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, [IRS.gov](https://www.irs.gov).

## Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) sites. To find the closest free tax help site, use the VITA Locator Tool or call 800-906-9887. Note that normally, VITA sites cannot help claim disaster losses.
- To find an AARP Tax-Aide site, use the AARP Site Locator Tool [↗](#) or call 888-227-7669.
- Any individual or family whose adjusted gross income (AGI) was \$84,000 or less in 2024 can use IRS Free File's Guided Tax Software at no cost. There are products in English and Spanish.

- Another Free File option is Free File Fillable Forms. These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
- MilTax, a Department of Defense program, offers free return preparation software and electronic filing for federal tax returns and up to three state income tax returns. It's available for all military members and some veterans, with no income limit.
