Independent Auditors' Report

The Plan Administrator of Set Management, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Set Management, LLC 401(k) Profit Sharing Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of February 20, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period from January 1, 2025 to February 20, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of February 20, 2025 and December 31, 2024, and for the period from January 1, 2025 to February 20, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As further discussed in Note 1 to the financial statements, on February 20, 2025, the Plan transferred all of its assets to The Savings & Investment Plan of WPP Group USA, Inc. As a result, the Plan ceased to exist as of that date.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements
February 20, 2025

1. Description of the Plan

The following summary description of Set Management, LLC 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Set Management, LLC. (the "Company" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2025, no contributions were made to the Plan since all active employees became employees of WPP Group USA, Inc. (parent company) as a result of a directive from the parent company.

On February 20, 2025, the Plan transferred all of its assets to The Savings & Investment Plan of WPP Group USA, Inc. and the Plan ceased to exist as of that date.

Eligibility

Prior to January 1, 2025, employees who were at least 21 years of age and had completed 6 consecutive months of service could make contributions to the Plan.

Contributions

Prior to January 1, 2025, participants were permitted to contribute up to 100% of their eligible compensation on a pre-tax basis, subject to certain limitations under the terms of the Plan and the Internal Revenue Code ("IRC"). Participants who had attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified plans. Roth deferrals were not permitted under the Plan.

Prior to January 1, 2025, the Company could make a safe harbor basic contribution to participants in order to maintain safe harbor status equal to 100% of their salary deferrals that do not exceed 3% of eligible compensation plus 50% of salary deferrals between 3% and 5% of eligible compensation. The Company could also choose to make a safe harbor nonelective contribution equal to 3% of eligible compensation. The Company did not make a safe harbor basic match contribution or safe harbor nonelective contribution to the Plan for the period January 1, 2025 to February 20, 2025.

Prior to January 1, 2025, the Company could also make a safe harbor enhanced matching contribution in order to maintain safe harbor status equal to 100% of their salary deferrals that do not exceed 4% of eligible compensation. There were no Employer safe harbor enhanced matching contributions made to the Plan for the period January 1, 2025 to February 20, 2025.

The Company could also make a discretionary profit sharing contribution to participants. The Company did not make a discretionary profit sharing contribution to the Plan for the period January 1, 2025 to February 20, 2025.

1. Description of the Plan (*continued*)

Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) Employer contributions and (b) Plan earnings (losses) thereon. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

A participant was 100% vested in their elective deferrals and Employer safe harbor contributions plus allocated earnings thereon at all times.

Vesting in the Employer's profit sharing contributions was as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

A year of service was a period of 12 consecutive months in which the participant had at least 1,000 hours of service.

Payment of Benefits and Withdrawals

Upon termination of service due to death, disability, retirement or other reason, a participant was entitled to the total value of the participant's vested interest in his or her account. Distributions could be paid in a lump sum or in installments over a number of years, based on election of the participant or as defined in the Plan or the Code. If a participant terminated employment for any reason and his or her vested account balance did not exceed \$5,000, the plan administrator could distribute such amount in a lump-sum payment to the participant without their consent.

Under the terms of the Plan, a participant could make a withdrawal for reasons of economic hardship. Such hardship withdrawals were available for immediate and heavy financial need and only when other financial resources were exhausted.

Participant Loans

Participant loans were not permitted under the provisions of the Plan.

1. Description of the Plan (*continued*)

Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Investment related expenses were included in net appreciation in fair value of investments.

Forfeitures

Forfeited accounts were amounts forfeited by participants who have terminated their employment and who have withdrawn from the Plan. At February 20, 2025 and December 31, 2024, forfeited non-vested amounts totaled \$0 and \$4,989. These amounts could be used to reduce future Employer contributions and/or administrative expenses. During the period from January 1, 2025 to February 20, 2025, no forfeitures were used to reduce administrative expenses or reduce Employer contributions. The forfeiture balance as of February 20, 2025 was transferred to The Savings & Investment Plan of WPP Group USA, Inc.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which required management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan followed U.S. GAAP guidance on *Fair Value Measurements* which defined fair value and established a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of December 31, 2024, the Plan's investments were valued using level 1 inputs. There were no investments held by the Plan as of February 20, 2025.

Investment Valuation and Income Recognition

The Plan's investments were stated at fair value. The mutual funds and money market fund were valued at the daily closing price as reported by the fund. These funds held by the Plan were open-end funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value and to transact at that price. These funds were deemed to be actively traded.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments included the Plan's gains and losses on investments bought and sold, as well as held during the period.

Benefit Payments

Benefits were recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is January 7, 2026.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements including investments held at February 20, 2025 and December 31, 2024 and interest and dividends, and net appreciation in fair value of investments for the period from January 1, 2025 to February 20, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, a qualified institution.

4. Party-in-Interest Transactions

All of the Plan's investments were managed by an affiliate of Capital Bank and Trust Company. Capital Bank and Trust Company was the trustee of the Plan and, therefore, these transactions qualify as party-in-interest.

Certain administrative functions were performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

5. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer, FIS Business Systems LLC, dated June 30, 2020, which stated that the form of the prototype plan qualified under the applicable provisions of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

5. Tax Status (*continued*)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.
