403(b) Thrift Plan of Visiting Nurse Association
of Porter County, Indiana, Inc.
Valparaiso, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of 403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc.'s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Certified Investment note to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis of Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc. does not have sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc.'s ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of 403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc.'s financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of 403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary schedule, as noted in the table of contents, referred to as "supplementary information", is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplementary schedule referred to above.

Auditor's Report on the 2020 Financial Statements

The December 31, 2020 financial statements of the 403(b) Thrift Plan of Visiting Nurse Association of Porter County, Indiana, Inc. were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated July 28, 2021, indicated that a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplementary schedule and b) the form and content of the information included in the financial statements and supplementary schedule other than that derived from the information certified by the trustee were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document (rollovers). Participants direct the investment of their contributions into any combination of several investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4.0% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Employer Contributions

The Company makes matching contributions, as well as a base matching contribution to the Plan for all employees other than PRN employees. For the year ended December 31, 2021 and 2020, the Company made matching contributions equal to 50% of the participant's deferrals not to exceed 4% of the participant's compensation and 50% of the participants deferrals not to exceed 2% of participant's compensation, respectively. In addition, the Company made a base contribution to eligible participants equal to 3% of a participant's compensation regardless of participation for both years ended December 31, 2021 and 2020. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan and (b) employer contributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% their vested account balance. The notes are secured by the balance of the participant's account. The interest rate on these notes is set at 4.0% and is reviewed by the Plan administrator on a regular basis. Principal and interest is paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their 401(k) elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts, plus actual earnings thereon, is based on years of service as defined in the Plan. A participant is 100% vested after three years of credited service.

Forfeitures

If a participant is not fully vested on their termination date, the non-vested amount of their account is forfeited. Forfeitures on non-vested account balances will be used to reduce future employer contributions.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Company, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested balance of less than \$1,000 will receive a lump sum amount equal to the vested portion of their account upon termination. Participants with a vested balance in excess of \$1,000 may remain in the Plan, but they may not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by defined contribution plans are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the trustee (see Fair Value Measurements note).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of either December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Payments of benefits are recorded when paid.

Net Assets Available for Benefits

Net assets available for benefits at both December 31, 2021 and 2020 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in earnings and operations of the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71 (or the draft Listing of Required Modifications issued April 4, 2009). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of both December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit nor has it been contacted by any taxing authority.

Subsequent Events

The Plan has evaluated subsequent events through June 20, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at either December 31, 2021 or 2020.

Mutual Funds (including Money Market Funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments Held in Pooled Separate Accounts – Valued at the net asset value (NAV) per share or its equivalent of the funds, which is based on the fair value of the funds' underlying investments.

The preceding methods described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

<u>December 31, 2021</u>	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 7,220	\$ -	\$ -	\$ 7,220
Total Assets in the Fair Value Hierarchy	<u>\$ 7,220</u>	<u>\$ -</u>	<u>\$ -</u>	7,220
Investments Measured at Net Asset Value (a)				<u>5,582,152</u>
Total Investments				<u>\$ 5,589,372</u>

Investments Measured at Net Asset Value (a)				<u>4,813,516</u>
Total Investments				<u>\$ 4,819,642</u>

- (a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has an investment contract with Mutual of America Life Insurance Company (MOA) Contract No. 005-693-E as of December 31, 2021 and 2020. Mutual of America maintains the contributions in the general account. The Fund's objective is to provide safety of principal, adequate liquidity, and a competitive yield with low return volatility. The Contract simulates the performance of a guaranteed investment contract through the guarantee of a specific interest rate and a portfolio of financial instruments that are owned by Mutual of America. The participating plans' assets are the unit ownership interests in the Contract. The Contract provides a fixed interest rate for a fixed period that applies to the entire guaranteed value. The interest rate is reset every quarter as determined by Mutual of America with consideration of the market value of the underlying investments, the anticipated market yields-to-maturity of benchmark indices of underlying investments, expected payments into and out of the Contract, amortization of the difference, if any, between the market value of underlying investments and the guaranteed value of the Contract, and the fees allowed under the Contract. Mutual of America guarantees that the rate will never be less than zero. The average yield earned by the Contract for the year ended December 31, 2021 was 1.00%.

The Contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the fund at both December 31, 2021 and 2020 was \$1,768,567 and \$1,687,414.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplementary schedule, including investments and notes receivable from participants held at both December 31, 2021 and 2020, and the net appreciation in fair value of investments, interest, and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information supplied to the Plan administrator and certified as complete and accurate by Mutual of America, the trustee of the Plan.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 7 – FORFEITURES

For the years ended December 31, 2021 and 2020, forfeitures of \$8,357 and \$33,505, respectively, were used to offset employer contributions. As of both December 31, 2021 and 2020, there were \$-0- in unallocated forfeitures.

NOTE 8 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mutual of America. Mutual of America is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. Fees paid by the Plan to the trustee are included in either administrative expenses or net appreciation in fair value of investments. The Company pays directly any other fees related to the Plan's operations.

Several employees of the Company provide administrative services to the Plan, such as day to day administration and oversight. The Company does not charge the Plan for these services.

NOTE 9 – RECONCILIATION OF NET ASSETS WITH PARTICIPANTS’ ACCOUNTS

	December 31,	
	2021	2020
Balance of Participants' Accounts	\$ 7,402,033	\$ 6,566,743
Net Assets Available for Benefits	\$ 7,402,033	\$ 6,566,743

NOTE 10 – RISKS AND UNCERTAINTIES

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19 Outbreak

In 2020, the World Health Organization announced a global health emergency later classified as a global pandemic as a result of the COVID-19 outbreak. The outbreak and response has impacted financial and economic markets across the World and within the United States of America. The full impact continues to evolve and as such, it is uncertain as to the full magnitude that the pandemic will have on the Plan's financial condition, and future results of Plan activity. Management is actively monitoring the possible effects on every aspect of the Plan. As the impact to the Plan is uncertain as of the date of these financial statements, no adjustments have been made to these financial statements.
