Asensus Surgical US Inc. 401(k) Plan
Durham, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Asensus Surgical US Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits – liquidation basis as of May 16, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits – liquidation basis for the period ended May 16, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Asensus Surgical US Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of May 16, 2025 and December 31, 2024, and for the period ended May 16, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Asensus Surgical US Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of Asensus Surgical US Inc. 401(k) Plan approved a plan of liquidation on December 16, 2024, and the Plan was fully liquidated as of May 16, 2025. As a result, the Plan has used the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Asensus Surgical US Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ASENSUS SURGICAL US INC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
May 16, 2025 and December 31, 2024

1. Description of Plan

The following description of Asensus Surgical US Inc. 401(k) Plan (the "Plan") provides only general information for the Plan sponsored by Asensus Surgical US Inc. (the "Company"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2008. The Plan covers all employees of the Company as defined who have attained 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Assets of the Plan are held by a plan trustee selected by the plan sponsor. The Company acts as the Plan's sponsor.

On December 16, 2024, the Plan Trustees approved a plan of liquidation of the Plan and contributions ceased effective December 31, 2024. The Plan was fully liquidated and the Plan terminated effective May 16, 2025.

Contributions

Each year participants may elect to defer up to the maximum percent allowed by the Internal Revenue Service ("IRS") of pre-tax or after tax ("Roth") annual compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan permits rollover contributions from other qualifying retirement plans. The Company may decide to make an additional contribution at the discretion of the Company's Board of Trustees, but is not required to do so. The Company makes matching contributions of 100% of employee elective deferrals up to 3% plus 50% of employee elective deferrals up to 5%. Employees who have worked 1,000 hours during the plan year and are employed on the last day of the plan year are eligible to receive the employer match.

Participants' Accounts

Employee contributions, employer contributions, and rollover contributions activity are maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Each participant's account is credited with an allocation of the Company's contribution and Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, based on the Plan's vesting schedule.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan. Participant vesting in the portion of their accounts attributable to the Company's matching contributions is determined on a graduated basis based on years of creditable service. A participant is fully vested in the Company's discretionary non-elective contributions after three years of credited service.

NOTES TO FINANCIAL STATEMENTS
May 16, 2025 and December 31, 2024

1. Description of Plan (Continued)

Forfeited Accounts

At May 16, 2025, there were no forfeited non-vested accounts. Forfeited accounts may be used to reduce the employer match contribution or to pay Plan expenses as permitted by the Plan's provisions. During the year ended May 16, 2025, the Plan used \$21,245 of forfeited accounts to pay Plan expenses.

Payment of Benefits

Generally, a participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum amount. Participants who terminate their employment will receive their vested account balance under the same option as above. Participants are also eligible to take in-service withdrawals once they attain age 59½.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective deferral contributions for immediate and severe financial need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants

Participants may borrow from their fund a minimum of \$1,000 up to a maximum equal to 50% of the present value of their vested account balance or \$50,000 less the highest outstanding loan balance in the previous 12 months. A participant can only have two loans outstanding at a time. The loans are secured by the balance in the participants' accounts and bear interest at a rate which is commensurate with local prevailing rates as determined by the plan administrator. The rate is fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants were \$0 and \$102,233 as of May 16, 2025 and December 31, 2024, respectively.

2. Significant Accounting Policies

Basis of Accounting

On December 16, 2024, the Plan Trustees approved a plan of liquidation, and the Plan was fully liquidated by May 16, 2025. As a result, the Plan changed its basis of accounting to the liquidation basis used in presenting the financial statements.

Use of Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

ASENSUS SURGICAL US INC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
May 16, 2025 and December 31, 2024

2. Significant Accounting Policies (Continued)

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes received from participants are reclassified as distributions based upon the terms of the plan document.

Investment Valuation and Income Recognition

Investments are comprised of mutual funds, pooled separate accounts and a collective investment trust fund. Pooled separate accounts are valued using the Net Asset Value ("NAV") provided by the administrator of the fund, based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The collective investment trust fund is valued using NAV based on the cost-plus credited interest, less expenses, subject to market value adjustment for early termination. Investments in mutual funds are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end. See Notes 6 and 7 for additional discussion of the fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participants' accounts.

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS
May 16, 2025 and December 31, 2024

3. Federal Income Taxes (Continued)

The liquidation basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 16, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

During 2024, the Company was acquired by KARL STORZ Endoscopy-America, Inc. On December 16, 2024, the Plan Trustees approved a resolution to terminate the Plan and merge its assets into the KARL STORZ US 401(k) Plan. Contributions ceased effective January 1, 2025, and the Plan was fully liquidated and terminated effective May 16, 2025, at which time remaining plan assets were transferred to the KARL STORZ US 401(k) Plan.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements was obtained or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), the trustee of the Plan, and was not subject to audit for the period ended May 16, 2025 and year ended December 31, 2024:

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Quoted Prices In Active Markets for Identical Assets (Level 1)	Total
<u>May 16, 2025:</u>		
Mutual Funds	\$	\$
Total Investments in Fair Value Hierarchy		
Investments Measured at Net Asset Value		
Total Investments at Fair Value	\$	\$
<u>December 31, 2024:</u>		
Mutual Funds	\$ 7,600,092	\$ 7,600,092
Total Investments in Fair Value Hierarchy	7,600,092	7,600,092
Investments Measured at Net Asset Value		797,207
Total Investments at Fair Value	\$ 7,600,092	\$ 8,397,299

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

ASENSUS SURGICAL US INC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
May 16, 2025 and December 31, 2024

6. Fair Value Measurements (Continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

7. Collective Investment Trust Fund

The Morley Capital Stable Value Fund sponsored by Principal (the "Fund") invests in conventional, synthetic and separate account investment contracts (collectively "contracts") issued by life insurance companies, banks, and other financial institutions. The Fund is valued at NAV per unit (i.e., contract value) on the valuation date. The Fund uses this NAV per unit as a practical expedient, as the investment (a) does not have a readily determinable fair value and (b) prepares its financial statements consistent with the measurement principles of an investment company. The NAV of the Fund is determined each business day ("valuation date") by dividing total assets less liabilities by the number of outstanding units.

The interest in the Fund may be redeemed as of any valuation date. No distributions are made to unitholders as net investment income and net realized capital gains are reinvested into the Fund in accordance with the Fund's investment objectives. All plan sponsor-directed requests for full or partial withdrawals must be submitted to the in writing certifying the reason for the withdrawal request. There are no unfunded commitments and the Fund can redeem its units without restriction.

8. Risks and Uncertainties

Plan investments are managed by Principal, the trustee as defined by the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustee and other parties-in-interest for contract administration, advisory, and professional services amounted to \$29,034 for the period ended May 16, 2025. The Plan also held notes receivable from participants. These transactions are exempt from being prohibited transactions by ERISA.

9. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through January 6, 2026, which is the date the financial statements were available to be issued.
