INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
GCSS, Inc. D/B/A InCommunity 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of GCSS, Inc DBA Incommunity 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of GCSS, Inc. D/B/A InCommunity 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt and GCSS, Inc. D/B/A InCommunity 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintain sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GCSS, Inc. D/B/A InCommunity 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GCSS, Inc. D/B/A InCommunity 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental information in the accompanying schedules of Assets (Held at End of Year) as of December 31, 2022 and Line 4a Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's

Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

GCSS, INC. D/B/A INCOMMUNITY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A – DESCRIPTION OF THE PLAN

The following description of the **GCSS, Inc. D/B/A InCommunity** (the **Organization**) **401(k) Plan** (the **Plan**) provides only general information. Participants should refer to the **Plan** document for a more complete description of the **Plan's** provisions.

General

The **Plan** is a defined contribution plan covering all full-time employees of the **Organization**, as defined in the **Plan** document, who are age twenty-one or older. The **Plan** is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year participants may contribute pretax eligible compensation up to the maximum allowed by the Internal Revenue Code (the IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, referred to as rollovers. Participants direct the investment of their contributions into various investment options offered by the **Plan**. Employees are eligible for matching contributions after satisfying certain age and service requirements. The **Organization** contributes a match equal to 100% of the first 3% of compensation plus 50% of salary deferrals between 3% and 5% of participant compensation. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the **Organization's** contribution and an allocation of the **Plan** earnings or losses. Each participant is charged with an allocation of investment expenses, administrative expenses, and fees. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the **Plan** document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon.

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, participants or their beneficiaries may elect to receive either a lump-sum amount equal to the value of the participants' vested interest in their accounts, or an amount in installments. For termination of service for other reasons, participants may receive the value of the vested interest in their accounts as lump-sum distributions. Distributions may also be taken by participants prior to termination of service in the event of financial hardship, as defined by the plan document. If a qualified domestic relations order is received by the **Plan** administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

Forfeited Accounts

During the years ended December 31, 2022 and 2021, additions to forfeited nonvested accounts including earnings totaled \$813 and \$2,849. These accounts may be used to reduce future employer contributions or pay plan expenses. During the year ended December 31, 2022, forfeited nonvested accounts were used to pay **Plan** expenses totaled \$1,494. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,168 and \$2,849, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the **Plan** have been prepared using the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Accordingly, investment income is recognized when received, disbursements are recognized when made, and employer and participant contributions, if any, are accrued at year-end.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the **Plan** administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting for Uncertainty in Income Taxes

The **Plan** recognizes material amounts of uncertain tax positions as income tax expense. The **Plan** recognizes accrued interest and penalties associated with uncertain tax positions as part of deductions from net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a timely transaction with an independent buyer in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability (see Note D). Money market funds and cash equivalents are valued at cost, which approximates fair value (see Note D).

Payment of Benefits

Benefit payments are recorded when paid by the **Plan**.

Administrative Expenses

Pursuant to provisions of the **Plan**, administrative expenses incurred in the administration of the **Plan** may be paid by the **Plan** or the **Company**. The administrative expenses paid from **Plan** assets either shared by all participants or charged directly to the account of the participant on whose behalf the expense was incurred. Currently, substantially all administrative expenses are paid by the **Plan**.

Subsequent Events

The **Plan** administrator has evaluated subsequent events that have occurred up through October 31, 2025, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the current period financial statements.

**NOTE C – INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY
AND TRUSTEE**

Effective March 22, 2022, the **Plan's** custodian was changed from **Matrix Trust Company (Matrix)** to **Fidelity Management Trust Company (Fidelity)**.

The **Plan** administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the **Plan's** independent auditors did not perform any auditing procedures with respect to the following information certified by **Fidelity** and **Matrix** as complete and accurate as of and for the years ended December 31, 2022 and 2021, except for comparing such information with information included in the **Plan's** financial statements and supplemental schedule:

- Investments at fair value as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021.
- Net appreciation in fair value of investments, interest, and dividends as shown in the accompanying statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2022 and 2021.
- All investment-related information in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement, provides the framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodology used for investment assets measured at fair value.

Mutual Funds: The daily closing price as reported by the fund is used to estimate fair value. Mutual funds held by the **Plan** are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the **Plan** are deemed to be actively traded. A transfer into certain funds is not permitted if a prior transfer was made out of the same fund in the previous 30 days.

All of the **Plan's** investments at fair value are mutual funds and are classified within the fair value hierarchy in Level 1.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The **Organization** serves as the trustee and the **Plan's** administrator.

Certain **Plan** investments were managed by **Fidelity**. **Fidelity** is the custodian as defined by the **Plan** and, therefore, these transactions qualify as party-in interest transactions.

NOTE F – PLAN TERMINATION

Although they have not expressed any intent to do so, the **Companies** have the right under the **Plan** to discontinue its contributions at any time and to terminate the **Plan** subject to the provisions of ERISA. In the event of **Plan** termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE G – TAX STATUS

The Internal Revenue Service has determined and informed **Fidelity**, by a letter dated June 30, 2020, that the **Plan** and related trust are designed in accordance with applicable requirements of the IRC. Although the **Plan** has been amended since receiving the determination letter, the **Plan** administrator and the **Plan's** tax counsel believe that the **Plan** is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that that **Plan** is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the **Plan's** financial statements.

For the years ended December 31, 2022 and 2021, the **Plan** administrator believes there were no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021 or the statements of changes in net assets available for benefits (modified cash basis) for the years then ended. Further, the year ended December 31, 2018 and all years subsequent remain subject to examination.

NOTE H – RISKS AND UNCERTAINTIES

The **Plan** invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

NOTE I – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022, the **Organization** failed to remit certain contributions to the **Plan** in a timely manner, according to Department of Labor regulations in the aggregate amount of \$77,706. Participant contributions totaling \$59,138 were remitted prior to December 31, 2022, with the remaining balance of \$18,568 submitted subsequent to year end.
