## **Independent Auditor's Report**

To the Participants and Administrator of  
PHX Holdings, LLC Employee Benefit Plan

### ***Opinion***

We have audited the accompanying financial statements of PHX Holdings, LLC Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit plan obligations as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit plan obligations for the year ended June 30, 2025, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statements of net assets available for benefits and benefit obligations of PHX Holdings, LLC Employee Benefit Plan as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

*Supplemental Schedule Required by ERISA*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule of assets (held at end of year), we evaluated whether the supplemental schedule of assets (held at end of year), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the supplemental schedule of assets (held at end of year) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to Financial Statements June 30, 2025 and 2024

---

### Note 1: Description of the Plan

The following description of the PHX Holdings, LLC Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

#### General

The Plan was established on April 1, 2022. The Plan provides health benefits (medical and prescription drugs) for eligible employees of PHX Holdings, LLC (the Company) and their qualifying dependents.

Plan assets are held in the PHX Holdings, LLC Health Benefit Trust (the Trust) which is funded by the Company's general assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Self-insured Benefits

The Plan provides health benefits (medical and prescription drugs). All of the Plan's benefits are self-insured and the Company has engaged Meritain Health as its third-party claims processor. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

#### Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits for the covered period from July 1, 2024 through June 30, 2025. Under the provisions of the contract, the individual deductible is \$75,000 with unlimited individual benefit. The maximum aggregate benefit is \$1,000,000.

#### Eligibility

A full-time employee who regularly works 30 hours or more hours of service per week will be eligible to enroll for coverage under the Plan. Coverage begins once the employee completes a waiting period of 29 days from the first day he or she reports for employment. The dependents of the covered employees, which meet certain requirements, are eligible to participate in the Plan on the first day the employee is eligible for employee coverage.

#### Contributions

Contributions to the Plan are made both by enrolled employees and by the employer. The consultants of the Plan determine the amount of employee contributions, and the employer contributes the balance necessary to adequately fund the benefits paid to participants and administrative expenses of the Plan. The employee's contributions to the Trust are based on their share of scheduled premiums for policies and coverages selected.

## **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

## **Note 2: Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported claims payable, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Concentration of Credit Risk**

The Trust maintains a cash balance in a financial institution which typically exceeds federally insured limits. The Plan monitors the financial condition of the bank and has experienced no losses associated with such accounts.

### **Claims Paid**

Claims are recorded when paid.

### **Claims Incurred but not Reported**

The Plan's liability for incurred but unreported claims is estimated using actuarial methods that use historical trend information.

### **Benefit Obligations**

Benefit obligations of the Plan for health claims incurred by active participants, but not reported at that date, are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying statements of benefit obligations.

Participants pay the estimated full cost of health benefits under COBRA. Therefore, the Plan does not report a postemployment benefit obligation.

### **Stop-Loss**

Premiums for stop-loss insurance are recorded as insurance premiums in the accompanying statements of changes in net assets available for benefits. Stop-loss refunds totaling \$1,058,807 have been netted with claims paid in the accompanying statements of changes in net assets for the year ended June 30, 2025.

## Expenses

Administrative expenses of the Plan are primarily paid by the Plan. These expenses include, but are not limited to, management fees and broker fees; however, transaction fees for legal, accounting, and certain other recordkeeping fees are paid by the Company.

## Note 3: Tax Status

The Trust, established to hold assets of the Plan, has not applied for tax exemption and therefore is a taxable trust. The Plan's tax liability resulting from the Trust's interest income was nominal for the year ended June 30, 2025.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Note 4: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, includes certain plan benefit obligations that are not required to be included in the accompanying financial statements. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

	2025	2024
<b>Net Assets Available for Benefits</b>		
Net assets, as reported on Form 5500	\$ 42,569	\$ (143,599)
Benefit obligations included in Form 5500	<u>220,455</u>	<u>208,102</u>
Net assets, as reported in the accompanying financial statements	<u>\$ 263,024</u>	<u>\$ 64,503</u>
<b>Changes in Net Assets Available for Benefits</b>		
Increase in net assets, as reported on Form 5500	\$ 186,168	
Adjustment to reverse change in accrued benefit obligations	<u>12,353</u>	
Increase in net assets, as reported in the accompanying financial statements	<u>\$ 198,521</u>	

## Note 5: Risks and Uncertainties

The actuarial present value of the Trust's benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**Note 6: Exempt Party-In-Interest Transactions**

As described within Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

**Note 7: Subsequent Events**

The Plan Sponsor has evaluated for subsequent events between June 30, 2025 and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
