Lakeshore Community Services, Inc. TSA Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Lakeshore Community Services, Inc. TSA Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) and as of June 30, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2025 AND 2024

1. Description of Plan

The following description of the Lakeshore Community Services, Inc. (Organization) TSA Retirement Savings Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Organization is a Pennsylvania non-profit organization formed to provide community residential facilities and other support for persons with intellectual disabilities and targeted case management for the seriously and persistently intellectually disabled. The Plan was established for the purpose of providing retirement benefits to the employees of the Organization. The accompanying financial statements include only the activity and financial position of the Plan and are intended to reflect the Organization as a whole.

General

The Plan is a defined contribution 403(b) plan covering substantially all employees of the Organization at their date of hire. The Plan was established June 1, 1994.

A person becomes eligible to make salary reduction contributions to the Plan and to participate in the employer matching contributions upon becoming employed by the Organization, having reached 18 years of age, and working a minimum of 20 hours per week. Entry dates for contributions are the first day of the first month or the first day of the seventh month of the Plan year. Effective July 1, 2023, the Plan was amended to change the entry dates for contributions to the first day of the month following 60 days from the participant's date of hire. The Plan's retirement committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan administrators.

Contributions

Contributions to the Plan include employee salary reduction contributions and employer matching contributions.

LAKESHORE COMMUNITY SERVICES, INC.

TSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2025 AND 2024

Participants may contribute, pre-tax or post-tax (Roth, effective January 1, 2025), 100% of their compensation subject to Internal Revenue Code limitations. Participants who have completed 15 or more years of service or who attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan excludes bonus pay from the definition of eligible compensation due to the amendment effective July 1, 2020 occurring prior to the periods presented.

Participants are permitted to roll over funds into the Plan from other qualified or 403(b) plans.

The Organization's matching contribution is discretionary, determined annually, and approved by the Organization's Board of Directors. For the plan years ended June 30, 2025 and 2024, the matching contribution was the lesser of 4.5% of each participant's compensation or the participant's contribution.

Investment Options

Participants direct the investment of their contributions and the Organization's contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Organization's contributions and Plan earnings less expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their accounts, including amounts contributed by the Organization.

Participant Loans

Participants may not borrow from their fund accounts.

LAKESHORE COMMUNITY SERVICES, INC.

TSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2025 AND 2024

Benefit Payments

Plan benefits are generally paid to participants at retirement, death, or disability. Normal retirement is at age 65. Participants or their beneficiaries may elect to receive an amount equal to the value of the participant's account in either a lump sum amount or in annual installments over a fixed period time. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. Participant account balances that do not exceed \$5,000 are distributed in a single lump sum payment. There are no hardship withdrawal provisions in the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. See Note 6 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. If the Organization fails to pay these expenses within 90 days of invoicing, the Plan is charged the delinquent balance in the form of a trustee fee. The trustee fee is then allocated to participants pro-rata.

Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of benefit payments are included in administrative expenses and are charged directly to the participant's account.

Benefit Payments

Benefit payments are recorded when paid. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of June 30, 2025 and 2024, respectively.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Information Certified by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2025 and 2024, and net appreciation (depreciation) in fair value of investments and dividends and interest for the years ended June 30, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the custodian of the Plan.

4. Income Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The Plan administrator believes that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain tax-exempt status for Plan participants under Section 403(b). The Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

5. Related Party and Party-in-Interest Transactions

Recordkeeping and custodial services for the Plan are provided by Capital Group through its affiliate, Capital Bank and Trust Company, which serves as the Plan's custodian. American Funds, an affiliate of The Capital Group Companies, serves as the transfer agent to the American Funds mutual funds available under the Plan. American Funds and Capital Bank and Trust Company are affiliates of The Capital Group Companies. These relationships and the Plan's investments in American Funds mutual funds constitute related-party and party-in-interest transactions under ERISA; such transactions are permitted and are exempt from the prohibited transaction rules of ERISA.

Administrative fees paid directly by the Plan to Capital Group affiliates totaled \$2,140 and \$2,145 for the years ended June 30, 2025 and 2024, respectively. Investment management and other fund-level expenses (including transfer-agency fees) are reflected as a reduction of investment return within net appreciation (depreciation) in fair value of investments and are not separately presented in the financial statements.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2025 AND 2024

Employee deferral amounts withheld by the Organization were not remitted to the Plan timely in one instance during the Plan year ended June 30, 2025. Such late remittances occurred due to processing delays with the custodian. The amount of delinquent employee contributions totaled \$19,045. All delinquent employee contributions were corrected outside the IRS Voluntary Fiduciary Correction Program during the Plan year ended June 30, 2025.

6. Fair Value Measurements

Fair values of assets measured on a recurring basis at June 30, 2025 and 2024 are as follows:

Description	Fair Value Measurements as of June 30, 2025			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Money market funds	\$ 31,869	\$ -	\$ -	\$ 31,869
Mutual funds	12,734,465	-	-	12,734,465
Total assets in fair value hierarchy	<u>\$ 12,766,334</u>	<u>\$ -</u>	<u>\$ -</u>	<u>12,766,334</u>
Investments at fair value				<u>\$ 12,766,334</u>

Description	Fair Value Measurements as of June 30, 2024			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Money market funds	\$ 30,350	\$ -	\$ -	\$ 30,350
Mutual funds	11,068,510	-	-	11,068,510
Total assets in fair value hierarchy	<u>\$ 11,098,860</u>	<u>\$ -</u>	<u>\$ -</u>	<u>11,098,860</u>
Investments at fair value				<u>\$ 11,098,860</u>

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in active markets, inputs other than quoted prices that are observable for the assets, or inputs that are

derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Money market and mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded. When calculating a fund's value, portfolio securities for which market quotations are readily available are generally valued at their market value, which typically is the last quoted sales price at the time of valuation.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Plan Termination

Although the Organization has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. Subsequent Event

Subsequent to year end, the plan was amended to permit Roth in-plan rollovers effective July 1, 2025.
