INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Cowan Systems 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cowan Systems 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 21, 2025 (in liquidation) and December 31, 2024 (in liquidation), and the related statement of changes in net assets available for benefits for the period January 1, 2025 through July 21, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cowan Systems 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 21, 2025 and December 31, 2024, and for the period January 1, 2025 through July 21, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cowan Systems 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 5 to the financial statements, the Sole Member of Cowan Systems, LLC, the plan's sponsor, voted on December 2, 2024 to terminate the plan. In accordance with accounting principles generally accepted in the United States of America, the plan's 2024 and 2025 financial statements are presented on the liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cowan Systems 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Cowan Systems 401(k) Profit Sharing Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cowan Systems 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cowan Systems 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control - related matters that we identified during the audit.

COWAN SYSTEMS 401(K) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS

July 21, 2025 and December 31, 2024

Note 1: Description of the Plan

The following description of Cowan Systems 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees, excluding leased employees, of the following companies (collectively the Company):

Brocade Transportation Technologies, LLC
Cowan Systems, LLC
Cowan Management, Inc.
Single Source Logistics, LLC
Cowan Shared Services, LLC
Cowan Logistics, LLC

The Plan was established in January 1994 and is subject to the provisions of ERISA. All full-time employees who have completed two months of service and are age 18 or older, are eligible to participate in the Plan. Plan management is responsible for oversight of the Plan. They determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Each year, the participants may contribute pre-tax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may provide a discretionary match equal to 10% of the first 3% of his/her compensation that a participant contributes to the Plan. The Company may, at its discretion, contribute an additional amount to the Plan, to be distributed among participants pro-rata based upon compensation within limitations as determined by Internal Revenue Service regulations. Contributions are subject to certain IRS limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and Company discretionary contributions, if any, and an allocation of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hardship Withdrawals

Hardship withdrawals are permitted in accordance with the Plan Agreement.

Note 1: Description of the Plan (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	-0-
2	20
3	40
4	60
5	80
6	100

As of the effective date of the termination, all participants became 100% vested in their Company discretionary contribution accounts and no further contributions were made to the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range up to five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. There were no loans as of July 21, 2025.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either (a) a lump-sum amount equal to the value of the participant's vested interest in his or her account, or (b) installment payments under a systematic withdrawal plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits paid to participants includes \$967,979 of distributed loans during the period ended July 21, 2025.

Forfeited Accounts

At July 21, 2025 and December 31, 2024, forfeited nonvested accounts totaled \$-0- and \$995, respectively. These accounts may be used to pay administrative expenses. Any remaining amounts may be used to reduce future Company contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

As a result of the resolution in 2024 to terminate the Plan, the Plan's financial statements are presented using the liquidation basis of accounting for the period January 1, 2025 through July 21, 2025 and for the year ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America. No adjustments to the financial statements were required to present the liquidation basis of accounting.

Note 2: Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the Plan Agreement.

Contributions Receivable

Contributions from the Company and participants of the Plan are accrued in the period in which they become obligations under provisions of the Plan Agreement. The Plan received all Company and participant contributions as of December 31, 2024.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses paid by the Company are excluded from these financial statements. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Fees related to the administration of notes receivable from participants and advisory fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value except for direct investments in fully benefit-responsive investment contracts (FBRIC), which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 8 for discussion of fair value measurements.

Indirect investments in FBRIC, i.e. investments in stable value common or collective trusts (CCT's), are not in the scope of the FBRIC guidance. As such, the contract value is presented as fair value and reported on the statements of net assets available for benefits with investments at fair value.

NOTES TO FINANCIAL STATEMENTS

July 21, 2025 and December 31, 2024

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Date of Management's Review

The Plan has evaluated events and transactions that occurred during the period from the date of the financial statements through January 9, 2026, the date the Plan's financial statements were available to be issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Plan's financial statements.

Note 3: Income Tax Status

The Plan is a qualified non-standardized pre-approved profit sharing plan with CODA under the Internal Revenue Code (IRC) as per an opinion letter dated June 30, 2020. The Plan has since been amended. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The previous three tax years remain subject to examination by the IRS.

NOTES TO FINANCIAL STATEMENTS

July 21, 2025 and December 31, 2024

Note 4: Information Prepared and Certified by the Plan's Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information certified by the trustee to information included in the Plan's financial statements as of July 21, 2025 and December 31, 2024:

Investments	2025	2024
Funds Held in Collective Trust Fund - at Fair Value	\$ -	\$ 981,210
Funds Held in Registered Investment		
Companies - Mutual Funds - at Fair Value	-	33,951,290
Funds Held in Interest-Bearing Accounts - at Fair Value	-	574,252
 TOTAL INVESTMENTS	 \$ -	 \$ 35,506,752
 NOTES RECEIVABLE FROM PARTICIPANTS	 \$ -	 \$ 1,002,482

The trustee also certified the completeness and accuracy of: \$740,293 of net appreciation (depreciation) in fair value of investments; \$7,287 of interest and dividend income; and \$3,006 of interest on notes receivable related to the aforementioned investments and notes receivable for the period January 1, 2025 through July 21, 2025.

Note 5: Plan Termination

On December 2, 2024, Cowan Systems, LLC adopted a resolution to terminate the Plan effective November 30, 2024. The Plan termination was initiated in accordance with the provisions of the Plan and provisions of ERISA. As of the effective date, all participants became 100% vested in their Company discretionary contribution accounts and no further contributions were made to the Plan. All Plan assets and liabilities were distributed by July 21, 2025.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

July 21, 2025 and December 31, 2024

Note 7: Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are interests in registered investment companies managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee, and Fidelity Investments Institutional is the record keeper for the Plan. Therefore, these transactions qualify as party-in-interest transactions. For the period ended July 21, 2025, the Plan paid recordkeeping fees of \$260 to Fidelity Investments Institutional.

For the period January 1, 2025 through July 21, 2025, the Plan paid advisory fees of \$14,380.

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing rather than a direct payment.

The Company pays any other fees related to the Plan's operation.

Some trustees of the Plan are participants of the Plan.

All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

Note 8: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

COWAN SYSTEMS 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

July 21, 2025 and December 31, 2024

Note 8: Fair Value Measurements (Continued)

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- *Money Market Funds:* Valued at cost, which approximates fair value.
- *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Collective Trust Fund:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner. The use of net asset value as fair value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Investments Measured at Net Asset Value** Collective Trust Fund	981,210	-
INVESTMENTS AT FAIR VALUE	\$ 35,506,752	\$ 34,525,542

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period ended July 21, 2025 are reported in net appreciation (depreciation) in fair value of investments.

**In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

July 21, 2025 and December 31, 2024

Note 9: Collective Trust Fund

The Plan invests in a collective trust fund, Gaillard Stable Value Fund C, which invests in fully benefit-responsive investment contracts. A holding in these funds is considered an indirect investment in fully benefit-responsive contracts, which are reflected at fair value in the accompanying statements of net assets available for benefits.

Certain events could limit the ability of the Plan to transact at contract value with the issuer of the contracts held by the Gaillard Stable Value Fund C. Such events could include, but are not limited to, the following: the establishment of a defined contribution plan that competes with the Plan for contributions; substantive modification to the Gaillard Stable Value Fund C or the administration of the Gaillard Stable Value Fund M; change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on cash flow; transfer to a competing investment option; and failure of the Plan to qualify under the applicable sections of the IRC. Withdrawals initiated by the Plan Administrator will normally be provided at contract value as soon as feasible within 15 days following written notice. The Plan does not believe that the occurrence of any of these events, which could limit the Plan's ability to transact at contract value with participants, is probable.

Note 10: Rollover Contributions

In accordance with the Plan Agreement, qualified direct rollovers are permitted by the Plan. No funds were rolled into the Plan for the period January 1, 2025 through July 21, 2025.
