Springfield, Missouri

**Report on the Audit of the Financial Statements**

***Opinion***

We have audited the financial statements of the **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits arising from cash transactions as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits arising from cash transactions and cash flows for the years ended June 30, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits arising from cash transactions of **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan** as of June 30, 2025 and 2024, and the changes in net assets available for benefits arising from cash transactions for the years ended June 30, 2025 and 2024 in accordance with the cash basis of accounting described in Note 1.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Emphasis of Matter — Basis of Accounting***

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

DEATH BENEFIT FUND PLAN**

**NOTES TO THE FINANCIAL STATEMENTS**

**JUNE 30, 2025 AND 2024**

**1. Summary of significant accounting policies**

This summary of significant accounting policies of the **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan** (the “Plan”) is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's trustees, who are responsible for their integrity and objectivity. These accounting policies conform to accounting principles under a cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements. In preparing financial statements in conformity with accounting principles under a cash basis of accounting, management makes estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

Basis of accounting

The accounts of the Plan are maintained, and the accompanying statements have been prepared on the cash basis of accounting. Therefore, income and expenses are recognized only as cash is received or paid and receivables, payables and accrued expenses are not reflected in the financial statements.

Nature of activities

The Death Benefit Fund was established for the survivor of each deceased union member. Each member is assessed a \$15.00 fee for the death of a union member, and the money is distributed to the surviving beneficiary.

Cash and cash equivalents

For the purpose of the statements of cash flows, the Plan considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Payment of benefits

Benefit payments to participants are recorded when paid.

Expenses

The Plan’s expenses are paid either by the Plan or the company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

The accompanying notes are an integral part of the financial statements.

DEATH BENEFIT FUND PLAN**

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

**2. Related party transactions and party-in-interest transactions**

The Plan pays administrative expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

**3. Plan termination**

Although it has not expressed any intent to do so, the Plan's Board of Trustees, as sponsor, has the right to terminate the Plan, at any time, subject to the provisions of ERISA.

**4. Income tax**

The Internal Revenue Service has ruled that the Plan qualifies under Section 501(c)(5) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Trustees are not aware of events that have occurred that might adversely affect the Plan's qualified status and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan's income tax returns for the past three years are subject to examination by tax authorities and may change upon examination.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

**5. Subsequent events**

In preparing these financial statements, **Plumbers and Pipefitters Local Union No. 178 Death Benefit Fund Plan** has evaluated events and transactions for potential recognition or disclosure through October 29, 2025, the date the financial statements were available to be issued.

The accompanying notes are an integral part of the financial statements.
