(Part I, line 1a) "Name of insurance carrier", (b) "EIN", (c) "NAIC Code" - The plan to which this report applies may be funded by contracts issued by more than one Cigna company each of which is an "insurance carrier." The issuance of multiple insurance carrier contracts is necessary to cover individuals who participate in the same plan but reside in different geographic locations. As the Cigna companies whose contracts fund the plan are grouped as a single unit by Cigna for purposes of underwriting the plan, combining the information with respect to these individual contracts in this report will provide more meaningful insurance information for the Schedule A. The individual contracts of the Cigna companies are grouped as a unit for purposes of this report. To reference individual contracts refer to the Appendix pages contained within this reporting package.

(Part I, line 1e) Schedule A subscriber/employee/participant and persons/members information is available for your contract policy year on the employer portal at [www.cignaaccess.com](http://www.cignaaccess.com), report titled, Subscriber and Membership Reporting.

(Line 9 b.1) May include pay for performance payments to providers, vendor cost-containment, administrative and care coordination fees.

(Line 10.a) May reflect amounts paid for surcharges on provider charges or other assessments imposed under applicable state law.

(Line 10.a) May include adjustment amounts attributable to another Cigna company whose coverage may have previously terminated.

• In addition to the commissions and fees reported, Cigna enters into compensation programs under which certain agents and brokers provide our companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. Qualification for payments and the amount of those payments may be based on new business and persistency results. Unless otherwise noted, this compensation is not allocated to specific policies, is funded from our general overhead, and is not required to be reported on Schedule A. Your agent or broker may also have participated, at our expense, in events we sponsor to inform them on our products and services. In addition, Cigna offers agents/ broker the opportunity to receive the benefit of Cigna's favorable pricing with vendors of various goods and services. Contact your agent/ broker for specific information about their participation.

• If the contract is a minimum premium insurance policy issued by Cigna, the "claims paid" are identified in the Bank Account Reconciliation Report for the last month of the contract year. Fees reported in Section 9 do not include fees paid to all overpayment recovery vendors based upon a percentage of recoveries.

• Certain non-claim fees paid from your benefit payment account are included as claims in your settlement but not included as claims in the ERISA Form 5500 Schedule A report (provided to ERISA plans) and the Annual Reconciliation Disclosure (provided to non-ERISA plans). As a result there may be a discrepancy between the amount of claims reflected in your settlement and on the Schedule A and Annual Reconciliation Document. A report to reconcile this discrepancy is available upon request.

• If the contract holder is a Public Entity located in California, you are asked to forward this report to the governing board.

• Appendix to Schedule A entitles' allocation is based on averaged premium, commissions and available lives reported during the contract period.

• Appendix to Schedule A entitles' allocation for broker/general agent commission amounts do not include Platinum/Supplemental bonus payments as they are paid lump sum to brokers/general agents and are included on the Schedule A summary page reporting.

• Appendix to Schedule A entitles' reports the number of employees covered rather than employees and dependents.

• When referencing (Line 10.a) on the appendix page, please note, it may include adjustment amounts attributable to another Cigna company whose coverage may have previously terminated. Adjustments are allocated to a Cigna company whose coverage is active based on weighted average employees.

• The premium reported does not reflect the rebates, if any, under the Patient Protection and Affordable Care Act that may have been paid and credited for any prior plan year.

• Does not include value-based payments made to entitles not contracted as participating providers.

• Premium and commission associated with insurance coverage for an Employee Assistance Plan, if applicable, is included in this report.

Dear Valued Customer:

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid, as well as compensation paid to agents or brokers in connection with your policy.

If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you.

This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, based on meeting new sales and persistency goals, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under that program, a portion (equal to the amount, which was based on premiums or commissions, that the program generated with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements. Note: these payments, where applicable, are labeled as overrides. If a zero dollar figure is shown, it means that no such payment was paid to your broker during the policy year.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, the insurance company offers agents and brokers the opportunity to receive the benefit of New York Life's favorable pricing with vendors of various goods and services.

New York Life Group Benefit Solutions has a longstanding commitment to our customers to deliver the highest level of quality service. Millions of individuals continue to rely on New York Life Group Benefit Solutions for the Insurance protection they need. We value the trust our customers place in us, and unwaveringly pledge to adhere to ethical business standards.

Sincerely,
